The Richness of Quality, Grace of Line and the Splendid Quality of Simplicity Mark Their Distinction as America's Supreme Values at

The woman, who at this time might be influenced to buy garments featured as "on sale" at so-called "Reductions," is on the way to disappointment. No amount of money so "saved" can compensate for the deficiency in style sold under these circumstances.

Our estimate of the desire of Portland women is that they must have style, first, last and all the time. That's why we supply it in all its freshness every day.
