WHY BE FAT

when I guarantee to reduce your weight a pound a day, safely and permanently, WHY carry around with you continually a load of ballast you can throw off like an old garment? You are just an object of ridicule and a good advertisement that you are lazy when you do this. Everyone knows you are uncomfortable, as well as yourself. You can't camouflage or hide it.

FAT IS A DISEASE, and can be cured. I can show you the greatest reductions by the day, week or month of any one in the United States. I have a woman in Portland who has lost 100 pounds in six months and she will talk with you at any time and show her photographs before and afterwards. I can prove every statement I make. My patients are my best advertisers. Physicians, their wives, sisters and daughters are my patients. There are no crows feet, wrinkles or flabby flesh as a result of the reducing; instead, I teach you how to eliminate this condition. Consequently you look and feel ten years younger.

You may have all you need to eat three times a day and this method of reducing doesn't interfere in any way with your general mode of living. EVERY WOMAN wants to look as nice as she can as long as she can, and you who read this are no exception. There is no need of weight for every height and no one needs to weigh an ounce more than is normal for them.

JUST KNOW that if you don't check the fat NOW, you will not reduce any but will still continue to gain, and I don't care how much it needs it, each case receiving individual attention as applies to their own particular case.

BE ADMIRED, BE 100% EFFICIENT. DON'T LOOK MATRONLY BEFORE YOUR TIME. No one in the city can compete with the method I use, nor the price. Confusing the rest of this month I will reduce the usual price of \$25.00 to \$10.00 to those living in the city, and if you live out of the city or it is impossible for you to get to the office, I can take care of you by mail as thoroughly as though you were here under my personal supervision. The price by mail for this month is reduced from \$15.00 to \$8.00.
