SANTA CLARA, Sept. 23.—Swimming to reduce the waistline.

That's the latest stunt being tried by Trainer Gus Peterson of the Santa Clara varsity in an attempt to keep the rolls of fat from parking around some of the Mission stalwarts.

There are several husky linemen and a few backs who had accumulated so much excess weight that Coach Buckingham started to worry about them. Finally he turned them over to Peterson, who has made quite a reputation as a trainer and also as a swimming instructor.
