

LOCAL PLAYGROUND SYSTEM RATES HIGH

Vancouver Park Officials Laud Portland Plants.

BEST FEATURES SOUGHT

Metropolis of British Columbia to Adopt Best Innovations for Its New Tracts.

Portland leads the coast in playground activities, according to E. W. Dean of the Vancouver, B. C. park board and W. S. Rawlings, superintendent. In company with W. C. Shelley, also of the park board, the Vancouver officials are on a tour of inspection of playground systems in the coast, prior to the planning of their own efforts in this line.

The essence of the playground movement in Vancouver is a community interest in the project. Much of the money available for playground purposes has been raised through the effort of community clubs. Of these, the Gyro club has raised \$25,000 to be used exclusively for play.

Another striking example of private interest in a public project in the large sum of money left by the late Mrs. Grace E. Copley. Her estate, just recently available, leaves nearly \$50,000 to the city of Vancouver to be used to build a playground "similar to one in the vicinity of the Portland hotel, Portland, Or."

Outdoor System Projected. The playgrounds to be developed by Vancouver include a running track, basketball court, hockey court for roller skate hockey, wading pool and various apparatus. Any apparatus which would be used indoors will be omitted from the scheme. The first play area is to be at Kitanoan beach in Stanley park.

Officials of the park board are elected to serve without remuneration. The present board includes W. C. Shelley, chairman; H. G. C. Cottle, W. D. Jones and E. W. Dean. W. S. Rawlings is superintendent and A. S. Woodson, engineer.

Checkers Is Popular Game. Vancouver has a unique game in Stanley park. A huge checkerboard of black and white squares is the play board. About this board runs a track for players to move about on and gain points between gently sloping terraces of turf, which afford a gallery for spectators. This game is a source of great interest, especially to the folk who do not care for strenuous exercise.

Band Concerts Featured. Band concerts are supplied in various ways. The city appropriates \$100 a year, the greatest amount any city in the coast pays. The city also pays \$1000 and last season six concerts were donated by the Elks and other organizations. A concert is held each Sunday afternoon in the big Stanley park, a natural area of 1000 acres, which is also famous for its excellent bathing beaches.

Bridle Path for Horses. A bridle path through the woods, an excellent route for the horses are attractive parts of the system. Golf has had comparatively little attention and Portland is far ahead of the northern city in this respect. Interest in the game in Vancouver is keen and a course will come probably in the natural trend of events.

Vancouver proper is a city of 150,000 persons and the cost of park maintenance is approximately 75 cents a head. This is exceedingly low, for Portland, considered an economical system, cost about \$1 per head, while several American cities have park systems costing \$3 per head.

The Vancouver officials were entertained by C. F. Keyser, superintendent of parks.

SPEED FINES NET \$2961

707 Violators Arrested by Sevea Officers in Month.

Portland's police speed squad is one of the few municipal bodies that is a self-sustaining, paying institution, according to a report of activities for the past month, submitted to Chief Jenkins yesterday by Lieutenant Frank Ervin, in command.

Though there are but six men and the lieutenant on this squad, the seven brought into the city treasury, through fines, exactly \$2961.68 in the last month. Seven hundred and seven violators of traffic and speed laws were arrested, Policemen Pierce alone hauling 249 persons to court. In addition to the fines a number of drivers' licenses were suspended by Judge Elwell.

Fear Crop Practically Sold.

WHITE SALMON, Wash. Sept. 28. (Special)—Sixteen thousand New York city, are taking practically all winter pears grown in this and the Underwood districts. Eleven cars have rolled to date. The fruit is of extra fine quality and was bought up by J. E. Hyde, the firm's representative here.

MME. MATZENAUER PLEASD WITH BEAUTIFUL PORTLAND

Prima Donna Contralto of Metropolitan Opera Company Anticipates Opening Concert Here October 10.

Margaret Matzenauer

"IT DELIGHTS me beyond words to know that I am soon to be in beautiful Portland again," wrote Mme. Margaret Matzenauer in a letter received here this week. "I shall never forget your snow-capped mountains and your scenic highway—only please, please arrange with your weather man to have a bit of sunshine!"

British Loyal to Popular Heroes of Other Days.

LONDON, Sept. 30.—(By the Associated Press.)—America, long known as a country where whirlwind public opinion ruthlessly tears popular heroes from their pedestals, must share the distinction with France, now that Georges Carpentier is dethroned, but England remains the land of the faithful to the old stars of the athletic and theatrical world.

MODERN WOODMEN HEAD HANKER WILL VISIT PORTLAND.

It is possible that Portland may be seriously considered as the convention city for the Modern Woodmen of America in 1925 as a result of investigations to be made by O. E. Aleshire, head banker of this great fraternal organization. He will be entertained on Monday, October 9, by the Ross City camp. In the evening he will hold a big meeting in his home at its hall, 409 Alder street, and delegations from every Modern Woodmen camp in this and nearby counties are expected to attend. His coming is intended to rouse interest in the membership campaign now on by way of celebrating the "silver jubilee," or 25th anniversary of the Modern Woodmen in Oregon, on October 27 and 28.

The governing body of the fraternal order, now the largest of its kind, is known as the "head camp." This meets only every four years and attracts about 50,000 members.

STUDENTS PICKED UNDER DALY FUND

Lake County Youths to Enter Higher Institutions.

45 MAKE APPLICATIONS

Educational Trustees Determine Awards on Worthiness and Scholastic Standings.

The first designation of Lake county boys and girls to benefit from the Bernard Daly educational fund was recently selected by the trustees of the fund. Some of the young people have already entered and others within the next few days will enter state institutions of higher learning.

Those selected are Virgil Strindlin, Oliver McComb and Rhea Duncan, of Lakeview; Dalmer Reeder, Ruth Gilton and Arlis Helflin, of Silver Lake; all of whom will attend Oregon Agricultural college; Mildred Duke, Amy Ogle, Olive Stephenson, Ferna Poyall and Gladys Snyder, of Lakeview, and Elvira Houston, of Warner lake, who will attend the State Normal school at Monmouth; Everett Ogle, Cornelia Robertson and Ralph Edmisten, of Lakeview; Vivian Harper and Thomas Holder, of Paisley; Emily Houston of Warrenton; and Theresa Robinson of Summer lake, who will attend the University of Oregon.

45 Applications Made. These scholarship awards were made by the trustees on the basis of worthiness and scholastic standing of the various applicants, of whom there were 45. According to the terms of the will of the late Doctor Bernard Daly who bequeathed his entire estate of approximately \$1,000,000 to this fund, not less than 15 additional beneficiaries shall be selected each year to enter one or all of these schools.

That portion of the donor's will which makes provision for the educational fund bearing his name reads in part as follows:

"It is my earnest desire to help, aid and assist worthy and ambitious young men and women of my beloved county of Lake to acquire a good education so that they may be better fitted and qualified to appreciate and help preserve the laws and constitution of this free country, defend its flag, and by their conduct as good citizens reflect honor on Lake county and the state of Oregon. It is my desire and I now direct and will that any and all income from said Daly Educational fund to be used, paid out and applied by the trustees hereinafter named, from year to year as such income accrues, in educating worthy young men and women of the county in the schools, colleges and technical schools of the state of Oregon, hearing all their expenses through the director of the Bank of Lakeview and the presidents of the Oregon Agricultural college and the University of Oregon."

The fund is administered by a board of trustees comprising the directors of the Bank of Lakeview and the presidents of the Oregon Agricultural college and the University of Oregon.

CITIZENS FORM COUNCIL

Sherwood Organization to Hold Entertainments.

SHERWOOD, Or., Sept. 28.—(Special)—At a meeting of a number of leading citizens of Sherwood recently it was decided that a community council should be organized to sponsor a number of educational entertainments during the coming months. It is hoped this movement will adequately meet the needs of the community, the faces of a Chautauque, which has hitherto been held each year, but which, because of the lack of sufficient backing, was not voted for next summer. It is the aim of this council to bring in artists from the surrounding cities and to also encourage local talent.

Permanent officers elected for the

2 FATALITIES REPORTED

State Commission Files Statement on Week's Accidents.

SALEM, Or., Sept. 30.—(Special)—There were two fatalities in Oregon due to industrial accidents in the week ending September 28, according to a report issued today by the state industrial accident commission. The victims were Tom Montoya, shepherder at Lakeview, and a woman, whose name was not disclosed.

Of the total of 560 accidents reported for the week 494 were attributed to the negligence of workmen's compensation act, 55 were from firms and corporations that have rejected the law, and 11 were from public utility corporations not entitled to state protection.

BRIDEGROOM IS JAILED

Woman Has Man Arrested After Four-Day Honeymoon.

VANCOUVER, Wash., Sept. 30.—(Special)—Peter Christiansen, 38 years old, of Camas, and Sylvia Douglas, 18, of Washougal, were married here September 25. Last night she invited her husband to a restaurant here. He followed her and threatened to "clean up things" if she did not leave. Frank E. Vaughan, justice of the peace, sentenced Christiansen to ten days in jail, but suspended the sentence during good behavior.

PEEPING TOM SENTENCED

Carpenter Goes to Jail for Watching Family Retire.

Fifteen days in jail is the price that C. J. Vanderpool, middle-aged carpenter, will have to pay for watching a family retire in a west side apartment house.

Vanderpool was arrested yesterday by Patrolman Pardo after residents in the vicinity of Thirteenth and Jefferson streets had complained that the man was a "peeping Tom." Arraigned on a charge of disorderly conduct in police court later, Vanderpool was found guilty.

INDEPENDENCE LAWYER MOVES.

DALLAS, Or., Sept. 30.—(Special)—B. F. Swope, who for a number of years has practiced law in Independence, and who has been city recorder and police judge there, has resigned and moved to this city, where he has opened a law office.

FRATERNITIES TAKE 39

PLEDGING ACTIVE AT WILAMETTE UNIVERSITY.

Students From Various Parts of Oregon Represented in New Members Selected.

WILLAMETTE UNIVERSITY, Salem, Or., Sept. 30.—(Special)—Fraternity men at Willamette have been active in the pledging of new men this year. Thirty-nine men have been pledged so far. The list to date follows:

Sigma Tau—Lowell Beckendorf, Elmer Carter, Merck Stohlsch, Kohler Betts, Russel Darr, Roderick Blatchford, Le Roy Hatt, Roland Dimick, Roland McKinna, Oscar White, Clarence Phillips, Ed Moore, Frederick Arpe, Leroy Walker, Clifford Taylor, Franklin Tyler, Elmer Hansen.

Phi Kappa Pi—Everett C. Hiday of Pomeroy; Joseph J. Kunn of Salem; Charles W. Nunn of Silver Lake; Paul Sandifer of Portland; Sidney S. Warner of Oregon City; Lewis Skirvin of Halsey; Maxwell Jones of Salem; Floyd Lee Reynolds of Lebanon; Arthur E. Wright of Astoria.

Chiropactors to Initiate 50. Alpha Beta Theta of the Oregon State College of Chiropactic will initiate 50 members Monday night. After the initiation a banquet will be served in the arched garden at Multnomah hotel, to 100 guests. A six-piece orchestra and several vocalists will furnish music. The speakers will be Rev. Charles W. MacCaughy, Centenary Wilbur church, Anthony Ewiler, poet and lecturer, Dr. P. O. Riley and John E. Grakke.

ALBANY, Or., Sept. 30.—(Special)—The high school freshman class composed of the ninth grade from the two junior high schools here, will be headed during the coming year by Sydney Post, who was elected president at a heated meeting Friday afternoon. Other officers of the class are: Willard Rolley, vice-president; David Mason, secretary-treasurer; Florence Handley and Victor Clinton, yell leaders, and Martha Fisher, reporter. Mary Paroungian, junior high school instructor, was chosen class advisor.

Doctor Says Newer Form of Iron Will Increase Strength of Many Delicate People 100% in 10 Days. In Many Instances—Persons Have Suffered Untold Agony for Years Doctoring for Nervous Weakness, Stomach, Liver or Kidney Disease or Some Other Ailment When Their Real Trouble Was Lack of Iron in the Blood—How to Tell.

New York, N. Y.—In a recent discussion Dr. E. Sauer, a New England physician who has studied both in this country and in great European Medical Institutions said: "If you were to make an actual blood test on all people who are ill you would probably be greatly astonished at the exceedingly large number who lack iron, and who are ill for no other reason than the lack of iron. The moment iron is supplied a multitude of dangerous symptoms disappear. Without iron the blood at once loses the power to change food into living tissue and therefore nothing you eat does you any good; you don't get the strength, endurance and entirely get rid of their symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time, simply by taking this newer form of iron, and this after they had in some cases been doctoring for months without obtaining any benefit. You can talk as you please about all the wonders wrought by new remedies, but when you come down to hard facts there is nothing like iron to put color in your cheeks and good sound healthy flesh on your bones. It is also a great nerve and stomach strengthener and the best blood-builder in the world. The only trouble was that the old form of iron, like limonate of iron, iron-citrate, etc., often ruined people's teeth, upset their stomachs and were not assimilated, and for these reasons they frequently did not have any good. But with the discovery of this newer form of iron all this has been overcome. Nuxated Iron for example, is pleasant to take, does not injure the teeth and is usually almost immediately beneficial."
