Kentucky Hill Eleven Humbled and Crushed.

FIRST QUARTER FATAL

Three Touchdowns Made; Goal Kicked Three Times; Losers Put Up Game Fight.

BY MARSHALL HUNT. (By Chicago Tribune Leased Wire.) CAMBRIDGE, Mass., Oct. 21.—The football team of Centre College, which left the hills of Kentucky three years ago unharmed and unscathed to invade the effete precincts of Harvard stadium to play its first big game, returned to the collisioned amphitheater in Cambridge this afternoon and was defeated by the Crimson again almost as decisively as they were their first visit here. Harvard won its last game from the sturdy Danville machine by the score of 24 to 0.

Coach Charley Moran's players in their jerseys of yellow hooped with bands of white, met today the best machine that Harvard has ever put on the field. They were humbled, crushed and whipped in the very first quarter when Harvard rushed three touchdowns across the goal and then Charley Buell, accurate as a kicker of goals, took the ball over the bar three times.

Centre Fights Gently. From then on "the praying colonels" as they are known, fought gamely. In spite of the fact that Coach Bob Fisher of Harvard sent in an entire new team and almost every substitute in his squad got a chance to buck up against the Kentucky fighter, Centre was only able to score a field goal in the second quarter and by almost a miracle and a grim rush they made an opening for Herb Covington to shoot across the line in the final quarter for the only touchdown scored by the southern team.

Outstanding in today's game was Red Roberts, a big man with hair of flaming red. He plays without a guard on his head. He grasps the ball firmly, lowers his head and plunges through opposing lines with a football player's tug. That man is a football player, sure, a football player, sure.

Covington Another Flash. Another flash from the south is Herb Covington, known as The Rabbit. Centre might have come out of the south three times more than unaided and unscathed, but they arrived in Cambridge this week in the wake of vast and alluring propaganda and known to all. Harvard has had Harvard last season by the score of 6 to 0 and today 50,000 people turned out to see the final game of the series of inter-sectional clashes which began three years ago. Off to a poor start, Centre made a valiant fight to overcome what proved to be an invincible Harvard.

They fought, but it was one time when it sometimes might have been a fervent supplication to win contested upon the playing field.

WOOD BACKS ATHLETICS GOVERNOR-GENERAL STRONG FOR CLEAN SPORTS.

Hope Expressed That Philippines Will Send First-Class Team to Far Eastern Games. MANILA, P. I., Oct. 21.—Expressing his approval of athletic sports in general and wrestling and boxing in particular, Governor-General Leonard Wood has announced he hoped every city and town in the Philippines islands would be combed in search of strong team to compete in the far eastern games at Osaka, Japan, next May.

Believe in clean sport and athletic games to be held in Osaka next year. "Sound athletic training makes better men physically, cultivates the spirit of fair play and the idea of give and take, and increases a man's self confidence and builds up a physical condition in order to attain which there must be an observance of self restraint, good habits and sound moral principles. All-around athletic training should be built up in the Philippines in every possible way, especially in the schools. I wish every boy in the islands knew how to box and to wrestle and do both well. They would be better citizens. The tremendous increase in the morale, the self-confidence of a man that is engendered by boxing, wrestling and other hand-to-hand sports is of incalculable value in any crises of his life.
