Don't lose another hair! Don't tolerate destructive dandruff. A lit-tle Danderine now will save your hair; thicken and strengthen it; double its beauty. Falling hair never stops by itself! Dandruff multiplies until it forms a crusty scale, destroying the hair, roois and all, resulting in baldness.

THE HIGHER GRADES

The abundance of "Sweet Sixteen" models priced at Sixteen Dollars does not deny any woman the privilege of wearing "Sweet Sixteen" styles in garments of the higher grades.

With all their style charm they are priced the "Sweet Sixteen" way -the saving way.

Their piquant styling is just what the women of Portland have expressed as their ideals. Every sort of Fashion Fancy is represented in such materials as Canton Crepes, Tricotines, Poiret Twills, Velvets, Spanish Laces, Satin-back Cantons, Georgettes and Taffetas.

To add to the worthiness of this lot of dresses is the fact that all sizes. 16 to 44, are among them.

The Coats and Wraps

The newer modes of the season-not only a new note in the modes but a new note in the values as well. In their superior Velours with their full silk lining, some fur-collared, they represent all that bespeaks elegance and good taste.

New Sport and Polo models are in their best phases. The stunning man-made topcoats for the college girl have a true ring of jauntiness which is best developed in their man's wear coatings-tweeds, mixtures and plaid-backs.

There's a definite model for every particular requirement of fashion and service in sizes 16 to 44.

In them the beauty of pets and fabrics reciprocates the tribute of Fashion.
