here has gone fiction writers one better. He has not only reformed and turned his experience along useful channels, but has decided to employ the knowledge of locks that he gained behind prison bars in making his fortune in an honest way, now that his sentence has been served.

Recently a letter was received here from this former inmate stating that he was having great success selling burglar-proof locks. So fast are his locks selling that he believes within a short time he will be rolling in wealth.

An inquiry resulted, which brought forth that while this particular man was not sent to the penitentiary for safe picking, he managed in his associations with other men while here to gain information about safes and locks that later enabled him to manufacture a lock which has so far proved an obstacle to safe crackers.

### Something to Think About--What Kind of a Range Will Be Standing in Your Kitchen 20 Years From Now?

Ask the woman who has been using a Monarch!—This new model-kitchen Paramount is built by the Malleable Iron Range Co., Beaverdam, Wisconsin, makers of the famous and well-known Monarch. It is also built of malleable iron, RIVETED, NOT BOLTED.

Installed Complete With Full White Enamel Panels, Water, Gas and Pilot Light Connected, for

\$145.00

\$10.00 CASH—\$3 WEEK—NO INTEREST. YOUR OLD STOVE TAKEN AS PART.

This Paramount combines the qualities you want most; takes up only 36-inch floor space, but has a fine large baking oven. For your convenience there's one in the doorway window today. You will ad-

mire its handsome appearance. You will be delighted with its Mircro Top, which needs no stove blacking—and the plain nickel parts which have no ornamentation to catch dust and dirt.

Coal or Wood Firebox With Two-Hole Cooking Top

—On chilly mornings, how you will appreciate the warm glow of a quickly built fire in the coal and wood firebox of this Paramount Gas and Coal Range.

Standard Four-Burner Gas Top With Oven for Gas Only

—For the greater part of your cooking here is a standard gas range. A regular four-burner gas cooking top. A regular gas oven. All built according to American Gas Association Standards.
