FOR SALE-AUTOMOBILES,

STUDY THESE VALUES. The used car, backed by a reliable house, now occupies a safe and definite place in the seutomobile world. Many times greater dollar for dollar value is obtainable in a used car than in a new car. A few hundred dollars will often buy more real automobile value in a used car at Mitchell, Lewis & Staver Co. than is possible in any liew car anywhere near the price. Come and see our stock and you will learn the truth of these statements.
