LAW IN THE FAR EAST

A Runaway Boy Tells Some Great Stories.

PROMINENT MAN DIES SUDDENLY

What the S. P. Will Pay for County and School Government—School Commences with a Good Attendance.

Returns From the Faderland.

Conrad Schulmerich, one of this county's substantial citizens, has returned from a visit of several months to Europe, where he attended various points of interest. He relates many incidents peculiar to the old World methods and noted many a change since leaving Germany in his early youth. He states that laborers in the land of his birth are really the favored ones, as those who have a little property, and the middle classes, are subjected to a merciless taxation, as well as having to suffer petty fines imposed by an impudent constabulary. These officials complain on any trifling pretext, and the victim, whether innocent or guilty, without trial, is notified to pay his fine, which he generally does, knowing appeal to be fruitless.

Mr. Schulmerich visited Kiel, where the great canal was recently opened. He also attended a celebration of the defeat of the French, and when asked to join in the demonstration, said: "I have nothing to do with this. I am an American and think kindly of the French, for when America fought for liberty, France went to assist with troops and fleet, and helped the young nation in many ways. We Americans remember this and feel grateful. What did you do? Your princes sent your hired troops and officers to fight for the British." This ended the matter and a few minutes later he received a note from an official to whom he was a friend, the wording as follows: "You have just 25 minutes to catch your train; no more. Burn this." Then came the signature and Masonic emblem. He lost no time in getting away.

He is glad to get home and his friends are pleased to see him.

They Meet Next Month.

The executive committee of the Washington County Veteran Association will meet at Cornelius next month to determine the place of reunion next year. As Hillsboro gave the Association a very hospitable entertainment last July, and fulfilled every promise made, there is no reason to believe they will change for another locality. Hillsboro wants them to come here and will insure them the best of treatment. Next season the Ladies Auxiliary will be a very important feature of the annual meeting.

County Judge a Philanthropist.

Some time ago County Judge Cornelius received a visit from a lady who lives above Forest Grove, who stated that a few days prior a 14-year-old boy had come to her place asking to remain for some time. As the woman had a large family and was widowed, she refused, but when the lad cried piteously and told a pathetic tale, he was allowed to remain. He said he had come from Chicago with a relative of his father by name of Lowcamp, and that upon their arrival at Hayward, and after stopping there a short time, Lowcamp sent him to pick some berries. When he returned the family had gone, he knew not whither. He gave his name as Chas. Stagmer, stating that his parents resided in Chicago. The lady with whom the boy is stopping told his story to Judge Cornelius and inquiry was made by letter to the Chicago address, but the parties have no such son. The Judge then wrote a Hayward party and it now transpires the lad is a son of Lowcamp, and had run away. The county has been supporting him two or three weeks, but doubtless the runaway will be sent back to his father, who it is said, is looking for the prodigal son.

Improved Order of Red Men.

On Tuesday evening, October 8th, there will be another order added to Hillsboro's large list of civic societies. Dr. Paul J. Semler, of Portland, has succeeded in getting subscribers sufficient for a charter and the new lodge promises to receive a hearty support. The principles of the Red Men are purely fraternal and beneficial, and its growth for the 30 years it has survived has been phenomenal. Likely a tribe will also be instituted at Forest Grove.

Prominent Man Dies Suddenly.

Christian Carl, a prominent citizen of Glencoe, and a German by birth, died at his home near Glencoe, Thursday evening last, aged 66 years, 11 months, and 27 days. Mr. Carl has been ailing for some time but his death was very sudden, as he had been moving around all day prior his demise. He leaves a wife. Deceased had considerable property, and was universally esteemed by the community in which he lived. He was a veteran of the

civil war, and had enlisted twice, both times receiving an honorable discharge. The remains were interred in the Lone Fir cemetery, East Portland, under the auspices of the G. A. R.

Sudden Death.

Wm. Hall, one of Hillsboro's old and respected citizens, died Sunday night last without a struggle. He attended church service in the evening, returned home in apparent good health, and in the morning his wife found him lifeless in bed. Mr. Hall at one time lived below Beaverton.

Southern Pacific Assessment.

The O. & C. R. R. will, for the year of 1895, pay taxes on valuations as follows:

Lands, improved and un-improved	\$ 49,325
City and town lots	850
Right of way and track	108,990
Rolling stock	15,155
Depot grounds	1,800
Total	\$176,120

If the levy be no higher than last year, and up to that figure, the company will pay into the general county fund something like \$1300. For the support of the schools it will augment the fund about \$800, the two amounts making a neat little sum.

Attention Comrades!

The G. A. R. post will be organized on Saturday, the 5th of October, 2 p. m., at the Grange Hall, Hillsboro, Oregon. Please "fall in" promptly.

By order of the Committee.
RUDOLPH CRANDALL, Chairman.
JAMES McCULLOCH, Secy.
