Now that the republicans have extended to all. made great party gains in eastern states, perhaps the Independent, of this city, will desist from its calamitous wailing and allow its third Attorneys. party friends to continue the lament | Paxton & Paddock without its basso profundo accom- Thos H Tongue paniment.

It is very suprising how patriotic Thos H Tongue s mie people become just prior city election. Regardless of the stubborn conditions of arithmetic, there Thos H Tongue are those who are now having spasmodie attacks of "economy," and with whom the relations of figures are obsolete.

THE paltry sum now paid our city council does not amount to very much individually, but collectively, it figures enough to pay con- Mitchell, Tanner siderable interest. It would appear & Mitchell Tongue & Huston that Hillsboro should have patriots S B Huston enough, and of the proper sort as Thos H Tongue August Meyer well, to serve on the council these hard times without pay.

It is now reliably reported that Mexico has been unwittingly harbor- S B Huston ing a band of counterfeiters who Miller & Miller have been coining American dollars equal in weight and fineness to the Thos H Tongue home minted article. It is said that it is almost impossible to dis- S B Huston corn between the two coins and Thos H Tongue that many thousands of dollars Thos H Tongue come over the border and pass as WESho the genuine legal tender.

MEXICO is to have a twenty mill- Thos H Tongue ion dollar bond issue. This is the first intimation that Mexico had gone democratic.-Hillsboro Inde- C J McDougall pendent.

Our worthy contemporary forgets Thos H Tongue that this nation, if bond float- J M Brower ing means democracy, has been Thos li Tongue democratic for many, many years under republican administration. Barrett & And that its tender sarcasm is good argument against this city Barrett & putting its head in chancery for 8 or 10 years longer than is necessary. Snow &

THE man who simply figures on Thos Tongue the inetrest which he has to pay, and Linthicum and Snow who has no thought of the principal. & McCamant Miller & Miller or of estoppel of the interest, is S B Huston primarily not a good business factor Thos H Tongue in any community. Interest is a liuston and E B canker, a blight, and a stumbling williams block to progression. Hillsboro is Johnson & paving interest and if it can stop doing this within 12, or even 15 years at a saving in the ultimate, it should so do. This is purely a matter of business sense, and the saving \$300 A Schutz for a few years in order to pay out Thos H Tongue many times that amount after those Thos H Tongue few years are expired is a questionable proceeding, and one, doubtless, Barrett & Adams that "Ecomony" does not practice in his own individual affairs.
