CUBA STORY AGAIN TO THE AMERICANS

Naval Transport of the United States to the Havana.

The New York Herald.

New York March 10.—It was well to learn that the United States Government had determined to make a naval transport of the United States to the Havana. The newspapers of the United States have been full of reports of the dangers that the United States would have to face if it did not make a naval transport of the United States to the Havana. The newspapers of the United States have been full of reports of the dangers that the United States would have to face if it did not make a naval transport of the United States to the Havana.
