The Hillsboro Band.

The McMinnville Reporter has the following to say of Hillsboro and its band: "At Hillsboro the citizens erected a splendid pagoda in the public square for their musicians and in return they are getting weekly Saturday concerts, drawing the people to town with their trade, and cheering and enlivening the spirits and moral natures of all who hear. Besides this, sacred Sunday afternoon concerts are thrown in."

Nothing Like It.

Wilbur's Oil of Gladness—rheumatism, neuralgia, toothache, headache, sore threat, sprains, bruises, dysentery, cholera morbus, cholera infantum—for both internal and external use. It will remove more pain and in less time than any other medicine on earth. For pain in back, side, stomach, bowels, or any other part of the body it is instant relief. Price 50 cents. Sold by W. E. Brock.

A Word.

We are still in the ring and our motto is, quick sales and small profits, and what we advertise we sell in any amount you wish. We do not refuse to sell you the amount of goods we advertise for a dollar just because we think you trade somewhere else. Our customers are those who buy of us—it matters not of what nationality they are or where they may have done their trading before. We do not advertise to sell staple articles below cost, but such an advertisement means that you are to pay more for your other purchases. Hoping to interest you in prices on groceries, crockery, glassware, and in fact anything kept at a first-class grocery store and thanking you for past favors we remain as ever,

Yours Respectfully,
R. H. GREER.

Mr. Bryan, the defeated silver candidate will visit Oregon some time in July and deliver an address in Portland. Once before was he in this state and a few from this section heard him speak at Salem. PICNIC AT REEDVILLE

Under the Auspices of the Literary Society.

A GLORIOUS TIME IS PROMISED

Every Possible Arrangement Made for a Pleasant Entertainment—Games and a Literary Program A Woman Arrested.

The Reedville Literary Society will hold a public picnic this Saturday, May 22nd, which promises to eclipse anything of like nature yet given to the public. The grounds have been carefully selected and the festivities will take place in Allen's Grove, one-half mile north of Reedville. Reedville has a plentitude of talent and an interesting and unique program will be one of the features. The Bethany Band, one of our noted county institutions, has been secured for the day, and who wouldn't go ten or twelve miles to hear their music? There will be a base ball game between Hillsboro and Laurel, wheelbarrow races, egg and sack races and numerous other games and amusements. There will be no lack of temperate refreshments on the grounds and the lines will be well marshalled to permit of no disorderly conduct. In the afternoon and evening, all so inclined may indulge in dancing. The grounds will be opened at 8:30 a. m.

The young people of Reedville have spared no pains to make this a great success and Hillsboro and vicinity promises a good attendance.

A Woman Arrested.

Johannes Schleich, a German woman residing near Cedar Mills, was brought before Justice Smith Tuesday on a charge of assault and battery upon the person of John McCallen. It seems that some time since her husband had Peter Barrett arrested for tearing down a fence on land which was in dispute. Young McCallen was on the disputed land Sunday last and the defendant ordered him off, knocking a pipe out his mouth and otherwise assaulting him. McCallen was visiting the Barrett's, and Mrs. Peter Barrett is a daughter to Mrs. Schleich. It is an interesting family row and as Barrett went clear of the charge of tearing down the fence, and is now a witness to this case, it appears that he is not going to let up on his wrathy mother-in-law. The trial comes off Friday.

ADDITIONAL LOCALS.

—Gus. Wehrung wheeled to Portland Saturday last and while making the run down the canon road was thrown from his bicycle, severely injuring his knee. A picnic party and a dog were the causes of disaster.

There is no suspicion of foul play as he had on his person, when found, over $60 in money and a handsome gold repeater. He was a man of means and was noted for his progressive spirit.

—Mr. Constant Miller and Romanie Helleburck, of this county, were married in Portland, May 15, by Rev. Father Donnelly.

Investigation revealed the fact that it was the young lady's birthday and the school children had decided to celebrate it in this manner. About seven o'clock the small guests began to arrive, each with his or her birthday greeting and floral offering, and for two hours after, the grounds seemed fairly alive with fairylike forms flitting here and there while the air rang with joyous shouts and laughter. Space will not permit names of the 60 or more who were present. Birth day presents were too numerous to mention. Nine o'clock came too soon for the small ones and after a lunch was served they departed one by one, declaring it the "nicest sweetest party ever was."—Special Cor. Cornelius.

—We don't advertise to sell some goods below cost, and make an outrageous profit on other articles but expect honest profits and give honest dealing in return. We sell just what we advertise and just as much as you want. Brown's Cash Grocery.

—The sale of blooded horses last Saturday, from a standpoint of prices, was not a success. Every sale went low. S. J. McEldowney purchased a nice little team and J. I. Knight, A. C. Arobold, Jas. Young and Jake Anderson were among others of this vicinity, who made purchases.
