THE PRESIDENT'S MANIFESTO.

President McKinley's message is a gold monometallic document, sugared with a feeble attempt to mislead the people on the bare bones of the skeleton of international bimetallism. It should deceive no one. The whole tenor of the first part of his message holds for gold townsmen. monometallism-and then it switches and holds out a delusion as dishonest as it is transparent. Greenbacks are to be retired; a

gold redemption is pledged, it says! Nine hundred millions of our currency must be held by a gold reserve. The president ignores the law which makes silver equally applicable to the redemption of our credit currency, barring the small his admiring constituents just how Mark the honor by four points. The Hillsboro notes. He advises gold monometallism and a system which is dia-

terests of agriculture and labor.

Bank notes are to be our money, if the message is followed. The president wishes these little banks to supply a currency for agricult not gold enough with which to do Upon petition sworn to by W. most everybody respected and love!—a the business of the country. In D. Graham before the county judge, man who tried to do right because it was right. which he was too wine to do last

tous of his people! But of which part of his people? The whole tenometallic and said so; McKinley is monometallic, yet seeks to deceive plea of finance, and "hopes something may yet be done."

The message, as touching on nance, is what vested money interests desire, and, as this is the class to which he owes his election, there is at least one gleam of consistency

EDITORIAL NOTES.

The president's message is somewhat dicative of the attitude of an "unwill-

appended to a presid .ntial message.
