LABOR AND INDUSTRY.

The United States has 427,668 coke ovens; Pennsylvania 26,910.

The capital invested in cotton mills in South Carolina now amounts to \$18,-614,000.

It is estimated that 85 per cent of the silk goods used in the United States are the products of our own factories.

The labor press announces that E. V. Debs has severed his official connection with all labor unions, and will take the lecture platform.

A writer in an exchange declares that 500,000 men now do the work, with the aid of machinery, which needed 16,000,000 to do a few years ago.

The membership of the Cigarmakers' International Union is taking a vote on a proposition to abolish the out-of-work benefit and to reduce the death benefits about 20 per cent.

A good many of the New England cotton mills may be making silk a few years from now. Some of them have caught on already to the advantages of making the change.

It is reported that English machine builders have contracts for the equipment of many cotton mills in India, including 11 mills being established in Ahmedabad, where six more may be in progress of construction.

After an idleness of four years the ployment to nearly 600 men.

Breakers.

TWENTY-FOUR MEN WERE LOST ing, \$28 per ton.

Heavy Surf Is Pounding the Vessel to Pieces-Another Case of Reckless Navigation.

Yaquina, Or., Nov. 21 .- The British 80(2 350. shp Atalanta, carryng a crew of 27 men and loaded with 2,800 tons of wheat, from Tacoma for South Africa, was 10c per pound. wrecked near Alsea bay yesterday morning, and so far as known there are but three survivors.

The cause of the wreck of the Atalanta and the circumstances attending 5.00 per dozen; tarkeys, live, 1216 it, produce a tale most harrowing. The 1214c per pound. mismanagement of the vessel by its officers is ascribed as the cause of the 2c per pound. disaster, and the crippling of the Yaquina life-saving station by a penurious per sack; garile, fo per pound; cab-bage, \$1@1.25 per 100 pounds; caultpolicy of that department of the government, adds horror to the situation. flower, 750 per dozen; parsnips, 750 per sack; beans, 8c per pound; celery, The only three survivors aver that some of their comrades on board the ship may yet be alive. While the box; peas, 8@\$16c per pound. members of the life-saving crew are in sight of the wreck, they are so far powerless to render assistance, owing to the want of apparatus. Meanwhile couriers scoured the beach and coun-25c per pound. try adjacent for 10 miles, to procure horses to bring up the lifeboat and beach cart. spring lambs, 7%c per lb.

The Atalanta lay about a mile off shore, in a field of furious breakers. Every swell passed over her works. \$5.50@6.50 per 100 pounds. Each hour a section of the vessel was seen to fall away, and the timbers float cows, \$2.50@3.00; dressed toward the shore. A strong and steady southwester aided the current from the Veal-Large, 5½@6c; small, 6½@ same direction to bear the wreckage 7%c per pound. rapidly to the beach. It was this power and agency, and this alone that en-abled the three sailors who survive to escape the fate of their brethren. In a lifeboat filled with water, partly disabled with wreckage, and without oars to direct their craft, they were borne to teria firma, thus passing over a course of nearly two miles.

One man, who was clad in simply a shirt, more hardy than the others, made his way along the beach. He found a farmhouse and announced the news, and solicited assistance for his companions. When the unfortunates on the beach were reached they were so benumbed with cold as to appear beyond help. It has required nearly 24 hours for one of them to regain his powers of mind and body. The rescued sailors have been taken into cabins along the

The most complete and reliable story 113-inch mill of the Glasgow Iron Company of Pottstown, Pa., has been put in operation, as was also a 65-inch mill of the same company, giving emthe wreck. Captain Clark ordered him back to the station, which had been entirely deserted, except by the wives of the crew, to guard there tonight. "The officers of the Atalanta paid the 7 6 80. said Fogarty. "Not one escaped, unless he is penned up in the forecastle, to be released tonight or tomorrow. othy, \$12.

"The survivors have started the story down on the beach that the wreck is feed meal, \$28.50. Barley-Rolled or ground, per ton \$24@25; whole, \$23. more the result of carelessness on the part of the captain than of adverse weather. It is to the effect that the The original manuscript copy of America's national hymn, "My Coun-try, "Tis of Thee," written in 1832 by with another sailing ship to make bet-\$8.25; buckwheat flour, \$3.75; graham Samuel Francis Smith, is now in the ter time, and having a more advan-famous vatican library in Rome. At tageous tack, against the southwester, one time it was owned by David Pell he steered close into Cape Foulweather. Secar, of Bridgeport, Conn., having been persented to him by the author. Not seeing the lighthouse, he supposed the vessel to be some distance from The Rev. Dr. Maher, while visiting shore. This caused him to continue Mr. Secar a few years ago, saw it and suggested that it be sent to the vatican "The logbook at the life-saving station shows that Thursday morning, between midnight and 6 o'clock, when the Atalanta was on this tack, the Cape Foulweather lighthouse was concealed by fog and heavy sheets of rain. Nevertheless, the survivors, according to report, do not excuse , the policy of the captain. Had not a race been on, they say, he would have taken no such chances." Atalanta Sailed From Tacoma Tacoma, Wash., Nov. 21 .- The British ship Atlanta left here last Saturday with \$65,000 worth of wheat, for Delago bay, South Africa. She was in command of Captain Charles McBride, of Greenock, Scotland, where he has a wife. The ship left here with 27 men, the only names of those on record here being those of the captain and the following, who joined the vessel at this" port as seamen: D. F. Green, A. B., 81 Chapel place, Dublin; J. Webber, A. B., 132 Forty-second street, New York; S. A. Jacob-son, A. B., Stockholm; J. Smith, Fins-steered the first steamer that crosse bury; G. Covalis, Callao; J. ## THE OLD-TIMERS.

Elder Abram Perkins of the Shaker settlement, is 91 years old, yet frequently walks all the way to Concord,

N. H., a distance of over 20 miles. James A. Davis, who died in Dorchester county, Maryland, last week, Lake Eris. Chicago was then, he said,

Mrs. Nancy Carine is dead at Dillsboro, Ind., aged 67. For 47 years she had lived less than a mile from a railroad and within easy sound of the locomotive whistle, but never saw either road, car or engine.

Mme. Ristori, otherwise the Maruise Capranica del Grillo, is in her 77th year, and is lying critically ill at Rome, being thus unable to accept the invitation of the queen of Italy to pass a few days with her at Gressony.

Frederick P. Sanguinet, father of 11 children with 26 grandchildren, has weeks. Doctors did me no good. I surely thought I would die. I was al-so troubled with falling of the womb. I could not eat, had faint spells as alanta, sailed from British Columbia just died at his home, 4353 Evans av

a century. The Sanguinets have lived in St. Louis all the time. During Mr. Sanguinet's 78 years he has not en ill a day, and until three weeks when taken ill with liver trouble, gaged in active business as a leer.

Samuel Spring Haskell have rating the 70th anniir wedding at 81 Lefferts rereary place, Brooklyn. Mr. Haskell is 90 years old, his wife 86. They are both tar from being infirm. The husband uses no glasses; the wife reads comfortably with them. They talk spiritedly of the old days when Brocklyn was a wilderness, and they are the idol of their children, their grandchildren and their great-grand children.

Chinese laundrymen of New York have formed a trust, and prices have been raised.

per barrel, \$8.70; whole wheat flour. nounced all right, and from what can be learned it is thought the extent of the mineral body will be more fully

inquired into in the course of a few weeks. The vein is now opened up for a distance of 16 feet.

#### Pooling Hops for Better Prices.

The hopgrowers in the vicinity of Independence, Or., in order to take advantage of the raising market are pooling their crops together and hope to obtain 17 cents. A recent shipment from there consisted of five carloads, containing 301 bales of first-class hops. There still remains in that city some 700 bales of hops unsold.

## For San Francisco Market.

Owing to the extreme dry season in California during the past year large sales of cattle for shipment to California have been made in Oregon. Two wholesale butchers of San Francisco purchased 900 head of fine beef cattle near Lakeview. The sale approximates \$30,000.

#### Ronds Sold.

The municipal bonds of Great Falls, Mont., have been sold to good advan-tage in Chicago. The issue amounts to \$375,000, on which a premium of \$10,105 was obtained, which added to the accrued interest made a total of \$381,526.21 received by the city.

### Water Main Contract Let.

The city council of New Whatcom, Wash., has let a contract for extending the city water system 8,600 feet to J. H. Thomas for \$19,808. The pipe will be wooden-stave, and the bond required in the sum of \$30,000.

## Clearing-House Returns.

house for two weeks now, and the volume of business shows a good increase. The returns for last week were \$785,-185, while for the week previous the

#### New Industry.

The first shipment was made last week from Port Moody to Vancouver, B. C., of oil of cedar. A company has been organized to carry on the industry, and though now in its infancy, a possible great future is ahead of the enterprise.

New City Hall Contract Let. The council of La Grande, Or.,

last week awarded a contract for the erection of a new city hall, to cost \$2,650.

The largest log drive for several years will be brought down this season by the Colfax, Wash., saw mill. It will consist of 4,000,000 feet of logs.

> Undoubtedly there will be a great rush into the Atlin district, Alasks, in the spring. The country has proved very rich.

A consignment of 280,000 feet of and cedar lumber, the product of the Simpson Mill Co., of Ballard, will be

shipped from Seattle December 1 to Honolulu, to be used by the United States government in the erection of barracks.

### Caused a Stampede

Spokane, Wash., Nov. 21.-A Lewiston special to the Spokesman-Review savs:

A great strike of high grade ore is reported near the Snowshoe pass, on the Warren trail, 20 miles south of Florence, Idaho. A big stampede from Florence is reported.

The Florence correspondent of the Spokesman-Review reports that the

strike was made between the now famous Buffalo Hump and Thunder mountain

The great vein is from 80 to 90 feet wide, and carries an abundance of free gold. The Salmon river runs through the

claims, and the country never has much snow.

Tug Pawtucket Launched.

Vallejo, Cal., Nov. 21 .- The United States steel tug Pawtucket was launched at the Mare island navy yard today. She was christened by Miss Heather Baxter, the little daughter of Naval Constructor W. J. Baxter, in the presence of thousands of spectators. The Pawtucket is 102 feet long, is of 225 tons, and is expected to develop 450 horsepower. She will make 12 knots per hour. Her boiler and engines are almost completed, and the Pawtucket

will be ready for commission by Janu-

Launching of the Wisconsin.

Chicago Nov. 21.-The United States battle-ship Wisconsin will be launched at San Francisco Saturday, November 26, and will be christened by Miss Elizabeth Stephenson, daughter of Isaac Stephenson, of Marinette, Wis.

#### Grazing Sheep on Reservations.

Washington, Nov. 21 .- The right of the government to prosecute criminally persons grazing sheep on all forest reservations, except in Oregon and Washington, was sustained in a decision rendered today by the attorney general.

Secretary Bliss recently asked as to whether such prosecutions would lie under one of the series of regulations recently issued for the preservation of the forests, and the decision holds that they will.

## Massacre of a Missionary.

London, Nov. 21 .- A dispatch to the Front and Everett, Sts. Daily Telegraph from Shanghai says that the Rev. Mr. Fleming, a missionary, and a native evangelist, were murdered in the recent attack by the rebels in the town of Kwi Fu, in the Upper Yang-tse-Kiang valley, when the Catholic mission there was burned Dr. Cardwell Promoted.
