EXPANSION OPPOSED.

Senators Vest and Hear Desire No Philippines.

Washington, Dec. 14.—Discussion of two questions, each of importance and interest at this session, was begun by the senate at its session today. Territorial expansion and the construction of the Nicaragua canal occupied the attention of the body during the greater part of the afternoon.

As soon as the routine morning business had been disposed of, Mr. Vest (Dem. Mo.) called up his resolution offered last week, declaring it to be unconstitutional for this government to acquire foreign territory except for coaling stations or some like purpose.

Mr. Morgan opened the debate on the canal bill with a three hours' appeal for action at this session.

ILOILO IS ASSAULTED

Insurgents Stormed City the Night of December 1.

CAPTURED ALL BUT ONE TRENCH

According to a Spanish Report, They Were Finally Repulsed With Great Loss.

Manila, Dec. 13.—According to reliable advices received from Iloilo, capital of the island of Panay, in the Visayas group, the insurgents attacked Iloilo the night of December 1 and captured all the Spanish trenches, except one. They then notified General Rios to remove the women and children, and threatened to renew the attack on the following night.

When these advices left Iloilo, General Rios was expecting reinforcements and field guns, and the plan was for the Spanish gunboats to shell, if the insurgents effected an entrance.

Meanwhile the Spanish authorities have been advised that the Tulisanos troops are looting, in disobedience of orders, and cannot be restrained.

On the other hand, the Spanish transport Isla de Luzon reports that the insurgents around Iloilo were repulsed with great slaughter December 6, while attempting to storm the last entrenchment.

FILES HER PROTEST. Spain Accepts the Consequences Illegally.

Madrid, Dec. 13.—The government entirely approves the memorandum of protest against the action of the United States commissioners, filed by Senor Montero Rios, at Paris.

The memorandum protests against the refusal of the Americans to surrender the securities deposited in the treasury of Cuba and Porto Rico by private Spaniards, remarking that "never has a civilized nation committed such an act of violence."

Secondly, it protests against the ultimatum demanding the Philippines. Thirdly, it protests against the position in which those Spaniards are placed who desire to remain in Cuba.

Fourthly, it protests against the reference to the destruction of the Maine in President McKinley's message to congress. On this point the memorandum says:

"Spain has proposed arbitration, but the United States has refused to give her the right which is granted to a criminal; namely, the right of defending herself. The Spanish commissioners leave the care of fixing the responsibility for the explosion to the entire world, which will say whether those are responsible who desire the truth, or those refusing to seek it."

The newspapers generally express relief at the signing of the treaty. The independent organs, most of the provincial papers and the Carlist and republican journals attack both political parties, conservative and liberal, reproaching them equally with having brought the country to the present pass.

El Imparcial alone publishes the contents of the treaty, which produces a less unfavorable impression than had been expected, owing to the commercial and other concessions to Spain.

El Liberal says: "The Paris negotiations offer a far sadder spectacle than the ships which are bringing back our repatriated soldiers, deplorable as the condition of the latter is."
