"Better Be Wise Than Rich."

Wise people are also rich when they know a perfect remedy for all annoying diseases of the blood, kidneys, liver and bowels. It is Hood's Sarsaparilla, which is perfect in its action. It so regulates the entire system as to bring vigorous health. It never disappoints.

Goitre—"For 42 years I had goitre, or swellings on my neck, which was discouraging and troublesome. Rheumatism also annoyed me. Hood's Sarsaparilla cured me completely and the swelling has entirely disappeared. A lady in Michigan saw my previous testimonial and used Hood's and was entirely cured of the same trouble. She thanked me for recommending it."—Mrs. Anna Sutherland, 406 Lovel street, Kalamazoo, Mich.

Poor Health—"Had poor health for years, pains in shoulders, back and hips, with constant headache, nervousness and no appetite. Used Hood's Sarsaparilla, gained strength and can work hard all day; eat heartily and sleep well. I took it because it helped my husband."—Mrs. Elizabeth J. Giffels, Moose Lake, Minn.

Makes Weak Strong—"I would give $5 a bottle for Hood's Sarsaparilla if I could not get it for less. It is the best spring medicine. It makes the weak strong."—Albert A. Jaknow, Douglastown, N. Y.

"I DO MY OWN WORK."

So Says Mrs. Mary Rochiette of Linden, New Jersey, in this Letter to Mrs. Pinkham.

"I was bothered with a flow which would be quite annoying at times, and at others would almost stop.

"I used prescriptions given me by my physician, but the same state of affairs continued.

"After a time I was taken with a flooding, that I was obliged to keep my bed. Finally, in despair, I gave up my doctor, and began taking your medicine, and have certainly been greatly benefited by its use.

"Lydia E. Pinkham's Vegetable Compound has indeed been a friend to me.

"I am now able to do my own work, thanks to your wonderful medicine. I was as near death I believe as I could be, so weak that my pulse scarcely beat and my heart had almost given out. I could not have stood it one week more, I am sure. I never thought I would be so grateful to any medicine.

"I shall use my influence with any one suffering as I did, to have them use Lydia E. Pinkham's Vegetable Compound."

Every woman that is puzzled about her condition should secure the sympathetic advice of a woman who understands. Write to Mrs. Pinkham at Lynn, Mass., and tell her your ills.

THE FAR NORTHLAND

Porcupine Creek Still Continues to Draw the Goldseekers—Along the Coast.

Colonel Frank Gyrgla, special agent of the land department, has returned to Juneau from an extensive trip into the Porcupine creek country. He investigated reports that the Dalton Trail Company had appropriated to its own use the old India trail up the Chilcat river, and found them to be unfounded in fact. He had a pow-wow with quite a number of the leading men of the Chilcat tribe.

Colonel Grygla took a gold pan and thrashed out nearly a handful of nuggets and coarse gold on Discovery and other claims on Porcupine creek, and if seeing is believing, he thinks there are oodles of the golden fleece where the samples he carries were washed from the native earth.

The town of Haines Mission is having a steady, solid growth. A sign of "keep off the grass" could not thrive there. Lot-jumping is the principal pastime and it is going on all over town. There are some people at Haines who would jump a cook stove and run off with it, provided it wasn't too hot. Porcupine City has the advantage of a level site at the mouth of one of the best gold-bearing creeks in the district, and the outlook is that it will become quite a camp. It is growing. Travel between Haines and Porcupine is steady and on the increase. The trail on the snow is hard and in fine condition. A large number of prospectors are stopping either temporarily or permanently at Walkerville, on Salmon.

Colonel Grygla's party counted about 80 men on the trail to Porcupine in nine hours. The Dalton trail will be in good condition for summer travel. Jack Dalton's teams are taking in large quantities of supplies over the snow trail.

The "diggings" already located in the Chilcat and Klohrena river country are ground for confidence, and the future of that section of Alaska, and its growing towns may be considered bright.

Only a Few Days' Grace.

Norman Rant, who was formerly recorder for the Atlin district, and son of the present recorder, has made the statement to reliable parties that all the locators who have not got a leave of absence, which must be filed in the recorder's books, had to be on their claims in Atlin on the 1st of April. This order also applies to parties owning interests in claims, which, under the British Columbia mining laws, makes them either be present or represent their claims.

In the Klondike.

Fred Trumbull, of Dawson, says the richest bench claims are on Gold Hill, opposite 1 and 2, Eldorado. Dominion creek also will give a good account of itself at next spring's washup, and there are already big dumps out from 10 above upper discovery down to 33 below, and as low down as 180 below. Hunker is turning out fine dumps, starting in at 40 below and running to 25 above. Good-sized nuggets, averaging $25, are plenty. Gold Run will also turn out well.

Known in the Northwest.

Captain Harry L. Bailey, commanding company F, Twenty-first United States infantry, now on his way to Manila, is well known among the oldtimers in Oregon. He is a graduate of West Point, and came as second lieutenant to the Northwest in time to take part in the Nez Perces war of '77 and the Bannock war of '78. He went with the Twenty-first to Colorado and took part in the campaigns against the Utes.

Ostrich-Raising in British Columbia.

Ostriches may yet be raised in British Columbia. J. M. Robinson, who has founded a little colony of Manitobans at Peachland, in the Okanogan valley, says: "We are going to get a couple of eggs up from San Francisco and try to hatch them under Turkeys. It is believed that the birds can be successfully hatched."

Another Atlin Bank.

D. Simpson, J. Anderson, W. E. H. Betl, R. C. Trimen and P. Pinder are going into Atlin to open a branch of the Bank of British North America there. The bank building is already completed, and it is believed that in two weeks the bank will be in active operation.

Removal of Land Office.

Slocan Mine Sold.

A Spokane dispatch says the mining sensation of the day is the sale of the Enterprise, a Slocan silver-lead property, one of the richest in that district, to the London & British Columbia Gold Fields, Ltd., of London, for $750,000. The Enterprise is owned by Finch & Campbell, of Spokane, and D. M. Hyman, of Colorado. Extensive development in the past has been carried on by these gentlemen, but it is understood that the purchasing company is to take charge of the property at once. It is generally believed by experienced mining men that the English corporation has secured a bonanza in the Enterprise. It is the most extensively developed property on Slocan lake, and takes high rank among the mines of Slocan, having ore reserves sufficient to last for years.

Another Steamship Terminal.

About ten acres of tide land and water way has been purchased for $24,000 in Seattle by agents of the Eastern Steamship Company, who will immediately commence improvements at the Sound. It is understood that the property is to be utilized for ocean and city docks, and coalbunkers, or, in other words, for a terminal for coastwise and foreign shipping. The waterway has been dredged, and has a depth of 30 feet at average tide, with room enough for half a dozen steamers.

Seeking Oregon Cattle.

A. L. Falkner, of Hutchinson, Minn., is in Portland, in quest of beef cattle for Eastern shipment. Another buyer now in the state is C. M. Thompson, representative of Allerton & Co., of Chicago, who is making purchases of cattle for his corporation's pastures near Chinook, Mont., for which he intends to purchase about 20,000 head.

REVENGE WAS THE MOTIVE.

Incendiaries Burned Andrews' Home in New York.

New York, April 11.—Despite reticence on the part of the police, facts became public today which made it apparent that the fire which destroyed two houses and resulted in the death of 13 persons was of incendiary origin. It has transpired that a few hours before the flames were seen a policeman was sent for from the Andrews house and was mysteriously dismissed by a servant, who said he was not wanted. Letters threatening the lives of the Andrews family, and the children of Mrs. St. John, were found. It is believed the motive for the incendiarism was revenge, and that the affair rose out of a quarrel among the servants. Foley, the butler in the Andrews family, is under surveillance, and the police are investigating clews which chiefly rest upon anonymous letters. Mary Flanagan, a dead maid servant, seems to have been the central figure in this alleged plot.

The police today gave out three scurrilous letters which have been sent to members of the Andrews household. One was addressed to Mary Flanagan. The letters made charges against her and the butler. In a letter addressed to Mrs. St. John, the writer said:

"I hope you and Mrs. Andrews don't think for one moment that I am reconciled or pacified with Mary Flanagan, for indeed I am not, and, what is further, I will not be until I get my revenge. I feel that I have given warning enough, and I am going to fix her for life, and because you and Mrs. Andrews did not give heed to warnings, I am going to fix you, too. I'm going to make some one throw something in your nurse's and children's faces that will disfigure them and eat all the flesh off the bone. This I will do for spite, because you did not let Mary go, as I told you. You had just as well let her go first as last. You will have no girl alive when I get through with her."

DEWEY IS A SAILOR

He Declines to Be a Candidate for the Presidency.

New York, April 11. — Admiral Dewey has given to the Manila correspondent of Leslie's Weekly an interview regarding the suggestion that the admiral be made a candidate for the presidency next year. The admiral said, as to his politics:

"I am a sailor. A sailor has no politics. The administration is his party and, Republican or Democratic, it makes no difference. Then, again, I come from Vermont, and you know what that means. To be anything but a Republican in Vermont is to be a man without a party. My flag lieutenant comes from Georgia. He tells me that to be anything but a Democrat in the South is to be a nobody. If I lived South I would probably be a Democrat."

"Have you ever voted?" the correspondent asked.

"Yes, years ago, but my vote was usually influenced by personal preference or local conditions. I am not a politician, have never held political office and am totally ignorant of party intricacies and affiliations."

Admiral Dewey said that neither by vocation, disposition, education nor training was he capacitated to fill the presidency. He said that he was too well along in life to consider such a possibility. His health would not admit of it. All his life's work was in different lines of effort; and that, while the kindness and enthusiasm of his friends were grateful to him, and the generous tributes of the American people were dear to him, he could not and would not be a candidate for the presidency of the United States under any conditions.

Boys in a Fight.

West Point, N. Y., April 11.—A fierce battle occurred at Highland Falls at a late hour last night between candidates for admission to West Point as cadets, on the one side, and boys of the village on the other. There were about 30 cadets in the fight, but they were outnumbered three to one by the boys of the town. Several of the candidates were more or less injured, the most seriously being U. S. Grant the Third, appointed at large by the president. Young Grant was assisted to his quarters at the Cranston hotel. Many of the boys of the town were also badly used up.

Captain Dayton's Orders.

Washington, April 11.—The cruiser Detroit has been ordered to stop at Cartagena, Colombia, before putting in at Port Limon. She is due at the first named port tomorrow.

The instructions prepared for Captain Dayton in substance authorize him to deal with the situation on its merits and according to his own judgment. If he finds that the Nicaraguan general, Torres, at Bluefileds, is oppressively treating the American merchants he will put a stop to the complaints.

Montana Floods.

Chicago, April 11.—A Record special from Glendive, Mont., says: An ice gorge in the Yellowstone river at this point caused that stream to overflow last night, drowning four persons. Eight more are missing. Three spans of the steel bridge are washed out, causing a loss of $25,000. The Northern Pacific tracks are indundated and possibly washed away for some distance, and the loss to livestock by drowning will involve a large sum.

Any Girl Can Tell

A physician who makes the test and is honest about it can tell you that, in many cases, the number of red corpuscles in the blood is doubled after a course of treatment with Dr. Williams' Pink Pills for Pale People.

That this means good blood may not be entirely clear from the doctor's statement, but any girl who has tried the pills can tell you that it means red lips, bright eyes, good appetite, absence of headache, and that it transforms the pale and sallow girl into a maiden who glows with the beauty which perfect health alone can give.

Mothers whose daughters grow debilitated as they pass from girlhood into womanhood should not neglect the pill best adapted for this particular ill.

Frank B. Trout, of 103 Griswold Ave., Detroit, Mich., says: "At the age of fourteen we had to take our daughter from school on account of ill health. She weighed only 90 pounds, was pale and sallow and the doctors said she had anæmia. Finally we gave her Dr. Williams' Pink Pills for Pale People. When she had taken two boxes she was strong enough to leave her bed, and in less than six months was something like herself. To-day she is entirely cured, and is a big, strong, healthy girl, weighing 130 pounds, and has never had a sick day since."—*Detroit Evening News.*

The genuine Dr. Williams' Pink Pills for Pale People are sold only in packages, the wrapper always bearing the full name. At all druggists, or direct from the Dr. Williams Medicine Co. Schenectady, N.Y. 50¢ per box.

5 DROPS [TRADE MARK.]

Cured of Rheumatism.

CANNOT FIND WORDS ENOUGH TO PRAISE YOUR WONDERFUL REMEDY "5 DROPS."

Swanson Rheumatic Cure Co., Chicago. Gentlemen:—I thought that I would write you a statement and tell you how I have got along since I have used your "5 DROPS." I must say that I am entirely well once more, thanks to your wonderful remedy. It has accomplished more good from the sample bottle and the dollar bottle than the thirty dollars' worth of medicine I have used of other manufacturers. I tried all kinds of medicine I saw advertised for Rheumatism but could not get any relief from the dreadful suffering till I got a sample bottle of your "5 DROPS," and after taking the same for a few days I began to have less of those severe pains racking through my body. After I got the sample bottle most used up I could begin to rest some every night; after I had used about half the dollar bottle then all my pains left me. Oh! what a comfort it was! when I could sleep again at night without any more suffering. I am so thankful to you and your "5 DROPS" that I cannot find words enough in praise of your wonderful remedy for the cure of Rheumatism, and I can safely recommend it to all suffering humanity and say that they cannot purchase any better medicine than "5 DROPS" for all their ills. Thanking you, gentlemen, for all your kindness, I remain, forever, your friend, R. M. LIFE, Porterfield, Wis., Feb. 10, 1899.
