

ABLE WERE THE COMMENCEMENT EXERCISES

Held in the Court House last Friday Evening.

A SPLENDID PROGRAM RENDERED.

Auditory filled to overflowing. Many were turned away.

Never before has the court room been filled with a more enthusiastic audience than on the evening of June 2, when the graduating class of the Hillsboro High school held its exercises.

The intellectual ability displayed by the individual members of the graduating class, who took part in the exercises, reflects the highest credit on the principal and teachers and speaks well for the school, showing that the confidence of the people is not misplaced, and that this institution can start on the highway of life young ladies and gentlemen of marked ability and intellectual power, who not only have made their teachers proud of them but likewise all those who take an interest in them and in our school system.

After the invocation by Rev. E. P. Hughes, the orchestra played "Fairy tales," Verdi.

The oration by Samuel Lawrence, "advantage of education," did infinite credit to that young gentleman, both for cultured thought and language and was exceptionally well delivered.

The essay by Miss Dell Young was nicely delivered, the language well chosen, and is deserving of the highest praise. The solo by Miss Jennie Greer, was rendered with unimitable grace, modesty and capability, and brought forth a round of applause.

Those desiring stand rights at the Veteran's reunion and Fourth of July celebration at Cornelius, can see the committee at 1:00 p. m., Saturday, June 10 and get terms. The committee will meet on the grounds at Cornelius—H. Corum, C. C. Hancock, Ernest Haberstroh, Committee.

It is good news to Hillsboro people that our volunteers are starting home from the Philippines. It is now over a year since they left American soil, and their homecoming will be greeted with a hearty and sincere welcome.

A good record—out of 34 settings of 15 eggs each, Black Minorca, sold by R. H. Greer in two months, each setting averaged thirteen chicks! Bob is still selling settings of 15 for 50 cents per setting.

Mr. Raymond was born at Victoria, Ontario, Canada, N. Y., August 24, 1825. He left Elgin, Ill., in company with Stephen Blank and family, of Forest Grove, for Oregon in 1852, arriving at Forest Grove October 10 of that year, and had been a continuous resident of Washington county ever since. For 22 years he and his brother, C. A. Raymond, were engaged in mercantile business at Gaston. For 60 years he had been a member of the Congregational church, and took great interest in church work. He had been a member of the I. O. O. F. lodge 27 years, passing the noble grand's chair in 1875, was appointed district deputy, and had been grand chaplain of the grand lodge of Oregon. He had also held a membership with the Patrons of Husbandry, having passed the master's chair, and had been deputy master of Washington county. Henry C. Raymond's survivors are two brothers, C. A. and Wm. Raymond, and a sister, Mrs. Annette Carter, of Gaston.

Pleaded guilty to larceny of Five dollars and \$.05.

OTHER CHARGES WILL NOT BE PRESSED.

Was detained by Sheriff Ford in Portland, Saturday.

On the 11th of May, John Tom McNamara, familiarly known as "Bricktop," appropriated to his own use the sum of \$5.05, which was the property of Carl Larsen. On Friday of last week John Tom took E. B. Tongue's setter pup to Cornelius and sold him to J. C. Buchanan for \$3 and then started for Portland. Larsen thereupon swore out a warrant and Detective Ford captured his man in Portland, Saturday. Constable Redmond brought him out Sunday, and on Monday morning he went before Justice Smith and pleaded guilty, his sentence being one year in the county jail. The dog matter will be allowed to rest and also the matter of a hundred gunny sacks which he sold at Cornelius. John Tom takes his plight rather philosophically, to say the least.

W. D. Pittenger, who left Hillsboro in 1884, and who, as Washington County's treasurer, defaulted in the sum of several thousand dollars, has been located near Warsaw, Kosciusko county, Indiana. The information reaches here thru the agency of the Warsaw Daily Times, a republican paper of that city. It will be remembered that Pittenger's bondsmen settled with Washington county, they taking all property left by the ex-treasurer. When Eugene Hughes was county clerk, the question of the indictment against Pittenger was raised and the instrument was discovered to not be on file, so there is no record of criminal proceedings against him. In all likelihood, if the indictment is not at the court house, it was surreptitiously taken away by Pittenger's friends. A March number of the Warsaw paper makes Pittenger's identity sufficient to those who knew him while here. It is hardly likely that anything will be done in the matter.

"When is War Justifiable?" will be the theme of the morning's sermon at the Congregational Church next Sunday. This subject has been suggested to the pastor by the deliberations of the Peace Conference at the Hague. Road Supervisors Hubert Bernard, Forest Grove, and L. F. Carstens, Manning, were in the city yesterday.

Our genial friend, Tim Thompson, is fortunate in his newspaper experience. Most publishers have to learn the art of lying by active journalism. Mr. Thompson has secured the services of a first class liar from the very first, and in this he is singularly a mark for admiration.

Hon. Thos. H. Tongue returned Saturday evening from Athena, Umattila county, where he delivered an address before the G. A. R.

"Her watch wouldn't go." I peeped into her watch when she said "the old thing wouldn't go." After a hasty glance I didn't wonder, and my diagnosis was "indigestion." Pasted against the inner side of the case were: A portrait of her first love and a lock of his hair; some dead forget-me-nots; a newspaper clipping, announcing her recent engagement, and a four leaf clover. Between the inner cover and the works were two pictures; a receipt for cold cream, and a lock of her last love's hair. And still the obstinate thing refused to go. How is your watch running—a little slow? A little fast? Is it out of repair? If so, take it to Hoyt and have it fixed right.

The Bethany German Mutual Insurance Company, a local farmers' institution, met at Bethany last week and elected as officers for the ensuing year: M. Kehrli, president; Peter Grossen, secretary; J. Schneider, treasurer; Peter Laws, auditor; John Hoffman and Fred Berger, appraisers. The business of the Company is in good shape and the stockholders are well satisfied with the work of the past.

The Hatchet recently said that it was so popular that one customer took a "thousand copies," or such a matter. Yes, friends, but it was the sheriff. The Argus wouldn't have mentioned this but for the fact that the irrepressible Hatchet man was using the circumstances to make the people believe it was a public, rather than a private, demand.
