Austin Craig, of Hatchet fame, was in the city from Forest Grove, yesterday, taking in the sights of the county seat. While he has retired from the newspaper business, he still takes an active interest in politics, and if here in the coming campaign, may work the A. P. A. as a political lever for his friends. Austin is a seductive young rascal, and were it not for his crooked ideas in politics and policies he might have been a second George Washington. At the same time, the Argus would welcome him should he again take up journalism in this county.

"After doctors failed to cure me of pneumonia I used One Minute Cough Cure and three bottles of it cured me. It is also the best remedy on earth for whooping cough. It cured my grandchildren of the worst cases." Writes Jno. Berry, Loganton, Pa. It is the only harmless remedy that gives immediate results. Cures coughs, colds, croup and throat and lung troubles. It prevents consumption. Children always like it. Mothers endorse it.—The Delta Drug Store.

The first meeting of the creditors of Stephen Blank, of Forest Grove, met at the office of Referee W. D. Smith, February 26, in this city, and asked, through Attorney Langley, that the referee dismiss the petition, the creditors contending that Blank had disposed of some of his property to preferred creditors, before being adjudicated bankrupt, which should have gone into the bankruptcy proceedings. The bankruptcy proceedings were not dismissed. John M. Wall was elected trustee by the creditors. The assets of the bankrupt are given as \$775.16; liabilities, \$775.00.

I had dyspepsia for years. No medicine was so effective as Kodol Dyspepsia Cure. It gave immediate relief. Two bottles produced marvelous results." Writes L. H. Warren, Albany, Wis. It digests what you eat and cannot fail to cure.—The Delta Drug Store.

GLENCOE NOTES: O. G. Barlow recently visited Dr. Sanford, who is slowly convalescing.—The Rev. Kershaw, M. E. minister of Cornelius, has just closed a two week's meeting at this place.—Miss Edith Johnson is visiting at Forest Grove with her sister, Mrs. Thos. Bellingher, whose eldest son recently sustained a fracture of the collar bone.—Willie Davis has gone down the river to work.—The machinery is being repaired at the old flour mill, prepared to be run again recently sold.

On Wednesday morning while Joseph Connell's team was passing through Glencoe, one of the horses, a valuable one, suffered a stroke of paralysis, and in falling, threw the other animal. As the trouble was directly in front of Dr. Sanford's drug store, the many bystanders prescribed a thousand and one remedies, which, fortunately, were not used. By evening the animal had so far recovered that it was taken to the Connell farm.

The Argus is now prepared to give a club rate of \$2.00, cash, for the Argus and San Francisco Examiner one year. This is open for all who pay in advance.

A visit to the little city of Cornelius the other evening was enjoyed by an Argus reporter, and he was somewhat surprised to note how well the town was lighted. The new plant works all right and the seven lamps afford a plenty for all practical purposes. The stores all seemed well stocked, and merchants state that there is much more trade here since the flouring mill has been a factor in the town. Here is to Cornelius.

R. Cave desires to call attention to the fact that he has just received a fine line of granite and tinware of the best quality, as well as a general line of shelf hardware; also sledges, wedges, cleaves, and sledge-trees. Notwithstanding the general advance, we are selling at about the old prices. We have a nice stock from which to select, as well as a fine set of tools and a blacksmith shop. Fine work at about the same prices you pay elsewhere for both work. Main street, Hillsboro, Ore.

Eighty acres of unimproved land within a few miles of Greenville. Easily cleared and will make a splendid dairy ranch. Running water on place. Will sell cheap. Enquire at Argus.

Voters should register as soon as possible, and get the matter out of the way. The county clerk now has about 900 names on the roll and this is but a little over one quarter the total vote. The quicker you register the less trouble you will have. Bear this in mind, if you want a vote at the June election. Do not delay this matter of importance any longer.

Now is the time to get your subscription on a cash in advance basis and take advantage of the Argus clubbing rate. The Argus and Oregonian, or THE ARGUS and Examiner, cash in advance, \$2.00 per year.
