UNION COUNTY CONVENTION.

Notice is hereby given that, by authority and direction of the Union Precinct Committee of Washington County, a County Convention will be held in the Court House in Hillsboro, Ore., on Saturday, April 7, 1900, for the purpose of transacting the following business:

Nomination of a legislative ticket, to-wit: State Senator for four years, three Representatives, County Clerk, Recorder, Assessor, Treasurer, Surveyor, Coroner, one Commissioner for four years, County School Superintendent.

All precinct nominations for Justices of the Peace, Constables and Road Supervisors will also be ratified.

Primaries will be held in the several precincts on Saturday, March 31. The various precincts will send delegations to the County Convention, as follows:

Table listing precincts and their delegates: Beaverton, 10; Clatskanie, 9; Buxton, 8; Columbia, 13; Dilley, 9; Cedar Creek, 5; West Butte, 4; Mountain, 6; Hillsboro, 14; S. Forest Grove, 11; Wapato, 9; Reedville, 7.

CORPORATION RULE.

Are we, or are we not, having corporation rule? Are not the banks satisfied with our congress—as a matter of fact, have not the bankers and credit combinations asked for and received just what they wanted in the way of legislation?

Will people keep voting to allow these corporate influences the right and privilege to rule the country, or will their better judgments prevail, and will they vote to throw these agencies out of the government business? When you see all the great corporations lending their aid to a political movement, it is time for the people to take time by the forelock and inaugurate a people's government.

JOHN H. MITCHELL SPEAKS.

Ex-Senator Mitchell has replied, in a lengthy article, to the statements of Joe Simon, the Jew senator. THE ARGUS has no political use for Mitchell, and thinks that his course in the presidential contest, after having for years supported the bimetallic system of finance, was most unworthy of a man of principle, and worthy of the strongest condemnation.

of an old man and a few of Mitchell's personal enemies. Mitchell's defeat upon honest grounds would have evoked no sympathy from citizens, with the exception of those who would have profited in case of his election. But we now have a Jew in the federal senate; a Jew who is an unscrupulous liar along political lines—and the man who will lie in these matters will lie in others when it is profitable so to do.

OF SPECIAL IMPORTANCE.

The Simonites have, in the person of Mr. Eddy, of the Forest Grove Times, a fitting representative of government "for what there is in it." He has been imported to Washington county, no doubt, to show the dear people "how to run things." His first bid move was to secure the designation of the Times as one of the county official papers, by imposing upon the credulity of the county board.

Eddy intimates that "some one" read his disreputable proposal and made it public. Of course some one did, and that "some one" read it in court. That "some one" was Commissioner Todd. THE ARGUS happened to be present. This is the whole story. Neither Bradford nor the court countenanced Mr. Eddy's proposal.

PERHAPS, since the Mitchell-Corbett controversy has appeared in the Oregonian, Gov. Geer will revise that eastern sent dispatch which assured easterners that money had never been spent in Oregon senatorial elections.

THE ARGUS was one of the first journals in the northwest to assert that the taking of the Philippines was founded on a desire to exploit the islands and the action of the republican House of Representatives in passing the Puerto Rico tariff bill proves conclusively the force of the contention. Expansion and protective tariff go not together, as one is the antithesis of the other.

MR. CORBETT says that the \$115,000

By Buying a Grub Tree and Stump Puller. Several now in use in the county. Operated cheaply and gives satisfaction. Fifty feet of cable goes with each machine. Make your horses do your work.

"Hillsboro, Ore., March 2, 1900.—I have been using one of these machines for three months on my farm, two miles southwest of this city, and it has given perfect satisfaction. It will do all that Mr. Pearson has claimed for it, and were I to live on a farm where I had any considerable grubbing to do, and could not get another machine, I would not sell the one I have for \$100. It is a great labor saver and is well worth what I paid for it—in fact it is an almost indispensable adjunct to a farm where there is any grubbing or stump-pulling. Of course, I blast the larger stumps first, and then use the puller to take out the large roots. It is a very powerful machine, and I will be pleased to recommend it to those who have this nature of work to perform. H. EVERITT.

ENGLAND is already talking as to what she will do when she gets the Transvaal. England hasn't conquered the Transvaal yet, and it will be some months before that occurs. If the American administration had any backbone, England would never break the republics.

Governor Geer says he is not a candidate for U. S. Senator for Oregon. That's nothing. THE ARGUS could have told the people that long ago. Geer is a fool as well as a demagogue if he has seriously thought of such a thing since the Plummer scandal. Mr. Geer is a candidate for his farm in the Waldo Hills, where he will, as soon as his term is out, list to the lowing kine; the squealing swine; and to his memory echoing back the circumstances of a deal that didn't work worth a cent, and that cost him political life "in a state where money is never spent in senatorial elections."

If the republicans, (that is to say, as Corbett would say) get the Oregon legislature, Mr. Corbett will be the next senator from Boodeddom. Then Corbett will die before the term is completed—and then who will get the plum? It is a pity that the state can't have Joe Simon act in the dual capacity of a double-

Every citizen of Washington county should register at once. Do not say you do not care whether you vote or not. There may reasons arise why you will want to vote—and you can't afford to be barred through a little carelessness on your part. It costs you only a little time and then you can vote or not, just as you please. Get in and register and then you can exercise your rights at the polls.
