FOREST GROVE IS EXCITED OVER TRAGEDY

Mrs. Anna C. Hatch, a widow found dead in her bed.

SOME MYSTERIOUS CIRCUMSTANCES.

Coroner's Jury has had Four sittings. Post Mortem Examination.

Forest Grove is very much excited over what appeared to have been a possible tragedy. Saturday morning the body of Mrs. Anna C. Hatch, a widow, was found dead in her bed, where she had probably lain in that condition since Friday morning. The woman has been living in company with a son of 12 years, alone at Forest Grove for three years. The woman had company Thursday night, and he left Friday morning. The boy missed his mother but did not discover her until she had been dead about 36 hours.

Coroner Large at once, upon notice of the peculiar circumstances surrounding the case, called a jury consisting of W. H. H. Myers, Hi Clark, Austin Craig, A. T. Knox, Fred Harris and O. R. Downs, and commenced an investigation. The jury held over until Monday, when the Thursday night visitor, S. W. Fletcher, a wealthy citizen of McCoy, was present under process of law. The case was then continued until yesterday, under the direction of Deputy District Attorney H. T. Bagley, and upon full examination, Fletcher was allowed to go, the jury finding that death had ensued from natural causes. Fletcher admitted that he had remained at the house over night last Thursday but swore that the woman was well when he left, excepting that she was suffering from a severe headache.

Dr. F. A. Bailey, of Hillsboro, made a thorough post mortem examination and found over forty-two gall stones; a somewhat diseased liver; and that the woman had considerable heart trouble. Some of the gall stones were as large as a large sized hazelnut.

There was no evidence to hold Fletcher, except the fact that he had been an inmate of the house over night. The dead man woman was the divorced wife of Ex-Senator Hatch, of Polk county, who is now in Alaska. A daughter suicided at McCoy, five years ago. She leaves four sons and one daughter. Mrs Hatch was 48 years of age and is said to have once been a very beautiful woman.

CONDUCTORS' EXCURSION

The Conductors' annual excursion will be given Sunday, May 27, going to The Dalles. Stops will be made at the principal places of interest along the Columbia river, allowing people the opportunity of seeing some of the grandest scenery in the world. Those so disposed can stop at any of those places and return trains will stop and pick them up. This will give them opportunity of examining the extensive government works at Cascades. Trains will pass Hillsboro at 7:45 in the morning. Tickets, round trip, $1.00.

Mrs. Letitia Smith, of Portland, a sister of Mrs. J. A. Imbrie, and Miss Lyda Forsyth, a student of the Portland High School, were visitors at the Imbrie residence in this city Sunday last.

H. Wehrung & Sons have just received a full line of silks, satins, braid trimmings, emboideries, laces, handkerchief linen, dotted swisses, percales, dress goods and ribbons. Call and see our lines before buying elsewhere.

Ellen Jackson, wife of W. R., has sold 200 acres of the Belknap place east of this city, and the purchaser, Richard Linton, has taken possession and is busy getting in the crop. This is one of the finest places in this section and Mr. Linton has made a fortunate investment.

Editor Gault went up to the Grove Monday, to attend the inquest proceedings, and was denied access to the deliberations. He is very much incensed over the affair and holds that as the Coroner, Dr. Large, is Oregonian correspondent, and Austin Craig, one of the Jurors, is supposed to be the Examiner man, it was not fair to exclude a local newspaper man. The jury voted to exclude all outsiders and even Eddy, the local "god" of Joe at the Grove, had to go. Lotus Langley, the Telegram man, was also shut out. As a matter of fact the proceedings of inquests in such case, where the party against whom there is suspicion is present under state process, the affair would be as well public as private. It was a small sized tempest in a teapot, anyway, and the Argus man is glad he was not there.

Schulmerich & Son are Washington county agents for the Rock Island Plow Co. They purchase the goods direct, and can sell cheaper than other dealers. Best turf and stubble Buford Clipper, steel or wood beam, 14 inch, for $14.50. Stubble plows are cheaper. Two horses steel lever harrows, $13.50. Three-horse steel lever harrows, $15.00. Three and one-quarter inch tire wagons for $85.00.—We are also agents for Osborne and Deering binders, mowers and rakes.

J. B. Imlay, the Reedville warehouse man, was in the city yesterday. Mr. Imlay manages one of the largest warehouses in the county, and the receipts are not exceeded by very many of the various county shipping points. As a straight out shipper of wheat for export, perhaps Reedville leads all other county points, because there is no mill there. The shipment of hay and potatoes is also very large. He reports the seeding as getting along very nicely, and many will be through this week.

For each dollar in cash spent at H. Wehrung & Sons you will receive a ticket entitling you to a drawing on a Wheeler & Wilson, drop head, 5 drawer, $50 sewing machine; second prize, bicycle for boy or girl.

Greer, the grocer, has Black Minorca eggs—50 cents per setting of fifteen.

Fifty Knights of Pythias met in the Wehrung Hall Monday evening and the convention was one of the finest for years. There were visitors from Forest Grove, Cornelius and Glencoe and after the meeting was closed the boys retired to Gates' where they enjoyed a splendid banquet. It was midnight before the festivities were concluded and the boys are unanimous in declaring it the event of the season.

We lead in low prices—others follow: we lead in best qualities at bottom figures: "Sixteen ounces to the pound and thirty-six inches to the yard," is our motto.—Wehrung & Sons.

Two new firemen were made at the meeting of the department last evening and the attendance was very large. Never in the history of the city has there been so much interest manifested in the affairs of the department, and it augurs well for the protection of city property.

COUNTY BAND CONCERT.

There will be a convention of the bandmen of Washington county on Saturday evening, May 12, 1900, commencing at eight o'clock at which time a concert will be given in the court house square. If all turn out, this will be the greatest aggregation of band men ever together in this county. It is expected that there will be at least 60 pieces present. Chas. E. York, editor of the Musical Times and President of the State Band Association, will be present and participate in the exercises. Those living anywhere near the city will be able to hear the music but those at a distance had better come in. The bands expected to be present are: Hillsboro, Forest Grove, Verboort, Farmington and Sherwood. Do not fail to come and hear some of the finest music ever dispensed here. All the bandmen attending Pacific Unversity are to be present.

Mr. W. H. Wehrung, President of the State Board of Agriculture has been instrumental in getting the state bands recognized for state fair service, and now is the time for the county musicians to organize.

Harvey Clark in the founding of Pacific University. Her brother, Dr. E. M. Brown, was a surgeon at Manila during the Spanish war.

A report has reached this city that J. J. Meacham, of Mountaindale, the other day suffered severe injuries through the runaway of a team which he was driving home from a trip to Charley Meek's, where he had been after a load of grain. Just as he was approaching the Kesner bridge, something startled his team, and the horses broke into a run. As the wagon mounted the bridge, Mr. Meacham was thrown out of the wagon, and landed on the floor of the structure, badly bruising him, although no bones are said to be broken. He was taken home and Dr. Tamiesie of this city called to look after his injuries. Mr. Meacham is possessed of many friends in this county who wish him a speedy recovery. The attending physician states that the injuries are internally and that his patient will be laid up for some time.

The Hillsboro city council met Tuesday evening and passed an ordinance directing that bicycle riding be discontinued on the sidewalks on Second and Main, from Northrop's hotel to the Odd Fellow's building. The ordinance will not be published but will be posted by the Recorder. Wiley, Second Street, and Lyons, Main Street, were granted license to sell liquor for a period of six months. The water and light bill for $105.55, and marshal, $20, were allowed. The Recorder was authorized to draw warrant for $300 for payment of annual interest on the warrants taken up and refunded by Shute & Foote, at six percent.

C. W. Wheeler, of Waitsburg Wash., was in the city Tuesday, and went on to Glencoe, where he made an address on the subject of Woodcraft and fraternal insurance. He returned to this city and last evening addressed the people of this city in Wehrung's Hall. Mr. Wheeler is a very entertaining talker and made many points in favor of fraternal insurance as against old-line insurance. He is the state lecturer for Oregon and is the right man in the right place. He has a host of friends in this section and always gets a royal welcome. He Wheeler is an old time newspaper man and never forgets to call on the "profession" when he visits the city.

W. L. Crocker, who lives in this city, has received the sad news that his son, Orman D. Crocker, died at San Bernardino, April 28. The young man had been ill for about two years with consumption. He was born at Astoria in 1875 and up to his departure to California had lived in this state, the most of the time in this county. He was the eldest son, and but one brother, Everett, and his father, survive, his mother having died in 1891. The young man had many friends in this community and his death is much deplored by his acquaintances.

I have just received a fine lot of shovels, spades, scythes, snaths barn floor rollers and track, together with a large micellaneous assortment of shelf goods of the best quality and at reasonable prices, the quality considered.—R. Cave.

An article in last week's Argus announcing a county band convention on May 1st, should have read "about May 1st, and posters will give the exact date later on." The oversight was unfortunate and brought some people to town to hear the music. As it was in the busy season, however, it did not take very many from their labors. The Argus is sincerely penitent that such a blunder appeared and hopes the public will overlook the offense, which, of course, was unintentional.

H. Wehrung & Sons are now issuing tickets on the second wheel to be given their patrons this season. Each $1.00 cash purchase entitles you to a ticket on a 1900 Columbia.

Mr and Mrs. W. V. Wiley were Portland visitors the first of the week, and while there Mr. Wiley ordered a new frame and tolling taps for the city fire bell, which will be placed in position within a month or six weeks. The order will be filled back in New Jersey, the mother of trusts. The improvement is one that is in imperative need and it will be appreciated by the firemen and town people.

When you wish to buy a bicycle, call on G. A. Wehrung. He sells the Chainless Columbia at $60 and $75. Columbia Chain, $40 and $50. Hartford, Chain, $30 and $35. Pennant, Chain, $25 and $30.

Mrs. W. H. Black, who has recently returned from Dawson City, was in the city the first of the week, the guest of her father, Sherburne Wilson. Mr. Black, who was one of the editors of "The Other Side," is now at Dawson, where he has been all winter and where his wife will shortly rejoin him.

Forest Grove has won the Veteran encampment and while The Argus would have liked to have had this city honored, it can tell the old soldiers that the College City will give them great treatment. It was universally conceded that the meeting was up to Hillsboro this year, but the votes said no, and no it must be.

Dad. Simmons, known of record as F. W. Simmons, will tomorrow celebrate his 80th birthday. The young man is still feeling quite jolly and is going to celebrate accordingly.
