Verboort will be in fine trim for the State Fair this fall. The uniforms of the Hillsboro Band will arrive this week from the East and the boys feel proud of the fact that they will pay for them this season without the subscription of one dollar. Hillsboro band have received several flattering offers from a distance, for the 4th of July but are holding themselves in readiness for home work on that day. All the other bands in the county are beginning to hear themselves preparatory to the State Band Convention which meets at Salem during the State Fair."

Hon. H. V. Gates Tuesday received a telegram that the power house of the Castle Rock, Wash. water & light plant, in which he was interested, had burned, the fire catching from the boilers. The frame of the building was completely destroyed, but strange to say, the machinery was not perceptibly damaged. As soon as the fire had been extinguished the superintendent tried the machinery, and with a little coaxing, it worked nearly as well as ever. The loss on the building will reach \$100, but \$100 will cover the damage to the machinery. Mr. Forsythe, Mr. Gates partner in the plant, was in Hillsboro the other day, and had not yet gone home when the fire occurred.
