The band boys turned out resplendent in their handsome new uniforms Saturday evening and gave a concert in the Courtyard. There was a good sized crowd out to hear the boys and the way they played was a credit to any city band of long time organization. The boys are getting along very nicely with their new uniforms and they will soon be second to no band in the state outside of Portland. A movement is on foot, now that the boys have their new uniforms, to have the band stand painted, so as to have things in harmony. Hillsboro is proud of its band and the institution is a credit to the city. A good band is a great advertisement for a city. Let the good work go on.

This office can tell you where you will get a bargain in a farm. Eighty five acres; 55 acres under cultivation; young orchard, splendid soil, close to good school; within six miles of Forest Grove; fair house and outbuildings. This will go at a very low figure. Call and see about it. The figures will surprise anyone conversant with Washington county land values.

City Recorder Bowman has been instructed to draw an ordinance for the destruction of thistles and it is expected that he will draw an instrument which will fill the bill. Throughout the town there are thousands of this weed, and it is time something was done to abate the nuisance. Now is the time to cut these pests, and incidentally, now is the time to clean up your back alleys. The Fourth is coming and we will have hundreds of visitors with us on that day. Clean up your places and let them see an attractive city.

Schulmerich & Son sell more implements than any other firm in this county. The reason of this is low prices and the best of quality. They are agents for Osborne and Deering harvesting machinery, Rock Island plows and harrows, Fish wagons. Get their prices before purchasing.

The wires are now strung to Glencoe and we have telephonic communication with that little village. This will come in very handy to the little neighbor to the north of us and we expect they will soon be putting on metropolitan airs. It is said that many of the telephone poles will be moved over a few feet, as they were not placed in the right place at the planting. This will occasion considerable expense which might have been avoided by a little inquiry before work commenced.

Just received—a handsome line of Pulley Belt rings for the ladies; sterling silver, gold and silver plate and nickel. Call and see them at Hoyt's, the jeweler. Prices cheaper than Portland. These are the handsomest things in the market.

L. K. Adams, who is one of the best road lawyers in the northwest and who is a prince of good fellows, was in the city the first of the week, mixing business with pleasure. He is now located at Salem, where he is engaged in the practice of law. Mr. Adams was for several years the partner of Hon. W. N. Barrett, who has offices in the Wehrung block.

When you wish to buy a bicycle, call on G. A. Wehrung. He sells the Chainless Columbia at \$60 and \$75. Columbia Chain \$70 and \$80. Hartford Chain \$80 and \$85. Pennant Chain \$75 and \$90.

Hon. W. D. Hare returned Monday morning from his trip to Sioux Falls, North Dakota, where he went to attend the annual session of the Supreme Lodge of United Workmen. He reports a very pleasant trip. For three years Mr. Hare has been one of the Supreme trustees.

We lead in low prices—others follow; we lead in best qualities at bottom figures; "Sixteen ounces to and thirty-six inches to the yard," is our motto.—Wehrung & Sons.

Many new sidewalks are being laid in the city while others are being repaired. The street leading from the Tongue residence, on Baseline, reaching a block west has been laid with ties. This is an improvement which will meet with much favor.

F. M. Heidel makes a specialty of buying and selling timbers. Office on Main Street opposite Tuatlatin hotel. Hillsboro, Ore.

A heavy stick of wood fell on the back of Mr. F. M. Heidel Tuesday morning and as a result that gentleman is somewhat bruised and is walking rather carefully for a real real estate man.

Select your whips at Pioneer Harness Shop, Second Street, All kinds and all prices. Fine line.

Laurel M. Hoyt visited Oregon City the first of the week and upon his return was accompanied by A. J. Capron, of Portland, who spent the day in the city as his guest.

Dr. Brown, the dentist will be in Hillsboro one week, July 9th.

Mr. W. Humphrey, brother to Mrs. D. M. C. Gault, and who set type on the Oregonian in '62, was visiting relatives in this city during the week.

Hillsboro Bakery for sale. Call on or address, Heidel, Hillsboro, Ore.

Mrs. Thos. Elliott, of Portland, visited relatives in this city the first of the week.

HILLSBORO BAND GETS ITS NEW UNIFORMS

What W. J. Wall has to say about our County bands.

NEW MUSIC FOR THE FOURTH

The boys will play one day at the Fair this Fall.

W. J. Wall, the well known musical instructor, and leader of the Hillsboro Reed & Cornet Band, has the following to say, relative to the band work in the County:

"Washington county bandmen are rapidly coming to the front, and by this fall we shall be second to no county in the state, outside of Multnomah. The boys are really trying to excel all former efforts and their work is doing them credit. Of course, the county bandmen are now very busy with farm work, but they are all giving every minute of their spare time to their music."

The Hillsboro Band has received their new uniforms and the boys present a very natty appearance on parade. This band has been designated by the state board to furnish one days' music at the state fair, and this is not inclusive of the time it will be there as a part of the State Band Organization.

The Hillsboro Band will furnish music for the Hillsboro Fourth of July celebration, and we promise to execute music never before played at public renditions in the county. The boys are in earnest and they are all taking great interest in their work.

The Forest Grove Band is now getting together and doing practice work for the Veterans' re-union, and they are getting along very nicely."

Brick for Sale.

Ex-Sheriff Miller, of Vancouver, Wash., spent Sunday in the city with his family, who have been visiting with relatives.

A certain Hillsboro fraternal institution has sent ten dollars to swell a fund which will aid the widows and children of seventeen men who recently were killed in the Utah mine disaster. This is the proper kind of fraternity and the boys will not miss the money. It is this kind of charity that makes the world brighter and better. Not one dollar so contributed will find its way into any other channel.

For 10 cents McCormick will take care of your bicycles and parcels during the celebration. Remember the place.

If what people say goes for anything, this city will have a good big crowd the Fourth. From all points of the county comes the good word, "We are going to Hillsboro for the Fourth." This is cheering news, and the boys are working harder than ever to get up a program which will eclipse anything yet witnessed in the county.

Bicycle repairing, turning, brazing, vulcanizing and bicycle sundries of all kinds, at O. G. Wilkes, Second Street, next door to Hotel Hillsboro.

Mr. Victor Byard and wife, of Portland and Chicago, were in the city Tuesday and Wednesday, guests of Dr. J. P. Tammesie and J. B. Tammesie and their families, relatives. Mr. Byard is a Union Pacific Railway official, and runs between Chicago and Portland. He thinks we have some fine country in Washington county.

For sale—Engine and separator; cheap for cash. W. J. Benson, Hillsboro.

Owen Murray, one of the prominent farmers of Cedar Mill, was in the city today, attending business. He was accompanied by his son, Joseph, who gives promise of becoming quite a tenor singer. He has a voice of excellent range and tone and a little culture would place him in the front ranks as a vocalist.

If you are contemplating the purchase of a bicycle, do not fail to see the 1900 Crescent and Cleveland wheel, at Hoyt's, the Jeweler.

Hon. W. H. Wehrung and Mr. Wisdom, president and secretary of the State Board of Agriculture, respectively, started out Monday morning for a trip up the west side, and thence up the Willamette Valley, in the interest of the state fair. They will make a strong team, and their efforts will meet with success.

The Crescent is the popular wheel at a standard price and no better wheel at any price. Call on Hoyt, the Jeweler, and see them.

Sheriff W. D. Bradford has already collected 696 bicycle taxes, and wheelmen are taking them out very rapidly. Last year the office collected from 923 wheelmen, and it is thought that there are two hundred more wheels in the county this year than last. Let the good work go on.

Take your suit at once to Aug. Tews, the Second Street tailor, and have it cleaned for the Fourth. Aug. Tews, Hillsboro, Ore.

Mrs. Josephine Gibson, who has been residing in the mining region of Washington and British Columbia since her marriage a few years ago, returned to this city the first of the week on a visit to her parents, Mr. and Mrs. George Billings. She will remain all summer.

Wanted, to rent a piano for the Fourth of July. Inquire of Fred Vrooman.

Mowing is now commencing in good earnest. The mowers started up Wednesday and many an acre was laid to the ground before nightfall. The prayers of the righteous and the unrighteous alike now go up for good weather.

Go to F. J. Barber, Second Street, for a neat shave or hair cut. Satisfaction guaranteed. Fine bath room in connection.

Rev. Walter Reynolds, pastor of the Leisyville church, United Brethren, is absent this week, attending the annual conference at Philomath, Benton county. His many friends here hope that he will be sent back here for another year, as he has done much to build up his parish.

E. L. McCormick will keep a check house during the celebration. Leave your bicycles and parcels with him for safety. Charges 10c.

Drs. Bailey, Linklater and Tammesie were Portland visitors the first of the week, attending the Oregon State Medical Society annual meeting. They report a very successful convention.

Remnant sale of shoes, new and old styles, cheap, at Schulmerich & Son.

Sherwood is coming to the front this year with a Fourth of July celebration. Here's to you, Sherwood, and may it be first-class. Hon. Walter Tooze has been prepared for the oration.

Splendid line of buggy harness, at Pioneer Harness Shop, Second St., \$7.00 up. Come and see them.

When you have read this paper, hand it to a friend and ask him to subscribe. You can recommend it to him truthfully as the best county paper ever published in Washington county.

ARCHBISHOP CHRISTIE VISITS CEDAR MILL.

Noted Prelate Attends Closing Exercises at Sisters' School

PREACHED PATRIOTISM AND EDUCATION

School Closed with Splendid Dramatic and Musical Program.

A large audience last evening attended the closing exercises at the Sisters' School at Cedar Mill and the program was very successfully rendered. Archbishop Christie, the noted Prelate, was present and delivered a stirring address to the pupils and audience. His remarks were eloquent for higher education of the soul as well as training for the mental faculties. His address was patriotic and intensely American and was a pleasing effort.

The pupils exhibited a degree of versatility which speaks well for the training received in the school and the packed audience remained until the last number was completed. The needle and fancy work by the girl and young pupils was certainly very beautiful.

The program was as follows:

- Instrumental Duet, Piano, Miss Young and Master Albert Bernard Hyman to the Blessed Virgin. Misses Vandehey
Address to His Grace, the Archbishop, Miss Irene Blake
Distribution of prizes and gifts as special prizes.
Vocal Duet, "I Know a Bank," Misses Vandehey and Bauman
Graduating Honors, Paper. Miss Gertrude Bernard
Address to School and Visitors. Misses Bernard and Young
Drama, Country Justice, Senior Boys
Character Song, Roving Minstrels, Miss Bauman and the Misses Vandehey
My First Speech, Three Little Boys "I love thee best, Mother Dear," Clara Vandehey
Instrumental Duet, Waltz, Misses Bernard and Young
Song, Eileen Aileen, Jos. Murray
Drama, Clondyke, Boys
Song, Gypsy Girl, Miss A. Vandehey
Drama, "What ails Maudie?," Girls
Song, Flower Girls, Misses Vandehey, Murray, Burns and Banzer
Duet, Piano, Misses Young and Bernard
Drama, My Aunt's Heirress, Young Ladies
Song, Misses Murray and Vandehey
Song, Birchen Rod, Jos. Murray

The Sisters are certainly to be congratulated for their excellent work and THE Argus predicts a more than successful future for their school.

Forest Grove is having a lively time in its contest for the post office. It is said that there are no less than six or seven applicants for the position of selling Uncle Sam's postage stamps and each applicant thinks he has done "more for the party" than have any of the others. J. Wheelock Marsh still holds the fort and he is not sorry, perhaps, that there are so many contestants for the place, and the warmer the contest, the longer it will be before the place is awarded. As there is a very good salary attached to the position, Mr. Marsh can "smile" to see the faithful spar for the favor. No appointment has yet been made in the matter of the Hillsboro office.

Mr. and Mrs. W. E. Thorne and daughter, Miss Jennie, and Miss Elizabeth Johnson, have gone to Seaside and will remain until after the Fourth.

Greer, the grocer, has Black Minorena eggs—50 cents per setting of fifteen.

R. Waggener drew the prize sewing machine at Wohrung & Sons' last Saturday, his number 945. The number 2017, drew the bicycle—uncalled for as yet.

Farmer John Sewell, who will soon be the sheriff of Washington county, states that the recent rains have done much to benefit the spring sown grain and have somewhat helped the fall sown. Taken as a whole, while some hay has been ruined, the falling weather has been beneficial to the farmers.

Will Pittenger, who has been on a surveying trip in Southern Oregon, returned the first of the week.

Mr. John Vandyeke, of Centerville, was in the city yesterday, and while here made this office a pleasant call.

Greer has a full line of garden seeds.

Wild blackberries are getting ripe, and there seems to be an extra good crop this year.

Benton Bowman, City Recorder, was a Portland visitor Tuesday.

H. E. McKinney left, Monday, for Eastern Oregon, where he intends to harvest this year.

Cigars at F. J. Barber's, 2nd St.

Mrs. Beckwith returned the first of the week from a several weeks' visit to California points.

Benton Killin, of Portland, came in from his Greenville ranch this morning, enroute home.

Hon. S. B. Huston will deliver the Fourth of July oration at Scholls, this county.

Mrs. C. Koch and daughter, Miss Elizabeth, were Portland visitors yesterday.

Sheriff Bradford's boys are the possessors of a donkey, and thereto hangs a tale. This particular donkey is only about three feet high and three feet long, and four feet on the ground, but the way he "piled" kids in a vacant lot on Second street the other day was amusing. There were about fifteen lads, ranging in age from ten to eighteen, and if there was one amongst the lot that his donkey-ship did not throw, it was because that one hadn't the nerve to take a turn at the saddle. For two hours the little animal held out sport for the boys, but they finally gave it up as a bad job, and they now want to send east of the mountains for a thoroughbred Vaquerro.

Bicycle wheels built up, each, 1.35 at McCormick's Bicycle Store.

Ferd Groner was up from Scholls this morning and was looking over some of the bicycle work in this party of the county. Ferd is an enthusiastic supporter of good bicycle paths, and he and the commission are trying to get tax collectors appointed through the recommendation of the various clubs, so that every wheel will pay its tax and the money can be expended on the paths. It is the intention to see that no wheels evade the tax, and this is perfectly proper. The benefit of good paths more than repay the \$1.25 that each wheel must pay for its tag.

August Tews will open a tailor shop in this city—Hillsboro—and be ready for business June 1st. Give him your patronage. Repairing neatly done. Shop on Second Street.

At the last meeting of the Hillsboro Band a unanimous vote of thanks was voted to J. M. Brown for his work in measuring the boys for their new uniforms; the boys say the fits are simply perfect, while the last two sets of uniforms made for the band were measured for by tailors and almost every uniform had to be remodeled. This speaks well for J. M. Brown and his agency for tailor made suits.

Bicycles, bicycle sundries, second hand wheels, wheels to rent and repairing neatly done, at McCormick's bicycle store. Get ready for the bicycle parade.

Dr. McLearn, the famous authority on stock, and veterinary surgeon, was again in the city today, looking after more stock with the idea of testing for tuberculosis. This is the proper paper. No man wants to drink milk which comes from a diseased animal and while the loss of an animal sometimes works a hardship on a person, the loss where there is disease is a matter of profit.

Call on the undersigned for large cabbage plants during the planting season and get your wants supplied with any number you may desire.—O. C. Zook, Hillsboro.

It is hardly likely that Catholics will buy the Baptist church, as the trustees set rather too high a figure on the building. It is now being arranged to get a lot and build somewhere in a not too isolated section of the city. A church of this kind will be of benefit to Hillsboro, as several families will move here at once upon the erection of such a building and the institution of a regular parish.

Bargains in shoes for all wear at H. Wehrung & Sons. The best line in Washington county. Call and examine them. Prices which will fit your pocket book and footwear to fit your feet.

Archbishop Christie, of Portland, accompanied by Father Black, who is in charge of the Hillsboro Parish, were in the city yesterday, enroute to Cedar Mill, where they attended the Sisters' School entertainment last evening. E. J. Moore conveyed them to the School by private conveyance.

Splendid and new styles of gentlemen's hats at H. Wehrung & Sons. Call and see them before you make a purchase. Prices which will make you smile—and buy.

Perry Watson was in the city Monday and qualified as Justice of the Peace for Dairy precinct. He will dispense justice for the people of Greenville for another two years. Perry is all right and says he will not let the costs pile up too heavily when he tries the scales.

Now is the time to go to H. Wehrung & Sons and purchase a summer suit. The Fourth of July is nearly here and you can save money by making this firm a call.

John R. Willis, who has been teaching here for some years, left yesterday for Ketchikan, Alaska, where he will remain for several months to come and where he will be with his brother-in-law, John R. Beagle, the well-known newspaper man. All of Mr. Willis' friends here wish him every success in his new location.

Of course you will get ready for the Fourth? Then go to H. Wehrung & Sons for your genteel furnishing goods. Splendid line of neckties and of everything that goes to make you neat and good to look upon.

This is the year we celebrate!
