Saturday afternoon, while the Ladies Band was playing in front of the Tualatin Hotel, C. E. Wolf and wife, of Cornelius, passed with a single rig. The horse became frightened at the music and started to kick and run.

One of the animal's legs soon got over the rail and then his kicking became a regular tornado. At the junction of Second street the buggy struck the wheels of a lumber wagon and was overturned, falling on both occupants of the vehicle.

The crowd stopped the horse and held him until the couple were extricated from their perilous position. Strange to say, neither was hurt. The horse was scratched up a little and the buggy somewhat disfigured. Otherwise the affair ended happily.

If Hillsboro gets the railroad, well and good. But whether it comes or not, H. Wehrung & Sons will do business with you. Their new line of wash goods, ladies' muslin underwear, wrappers and spring dress goods, has arrived.

R. A. Atkins, of Oregon City, and who for two years was pastor of the M. E. church at this place, has been transferred from the Oregon conference to the Indiana conference. He will leave Oregon City, where he has had a pastorate for some time, for his new charge, as soon as he recovers from an attack of diphtheria from which he is now suffering.

The doctor has many friends all over the Pacific Northwest who wish him well in his new field. He is an able man, with scholarly attainments, with gifted good nature, and will succeed in making many friends among the people of his proposed pastorate. We wish him and his family success.

E. L. McCormick is agent for the Imperial bicycles. He says if you purchase one from him and the frame or forks break, from any cause, within two years from date of sale, he will furnish you with a new one free. Call and see them at his store on Second street.

Hon. W. H. Wehrung returned the last of the week from an extended trip through Southern Oregon, endeavoring to promote effort in county exhibits at the State Fair this fall. He reports excellent success, and states that nine counties have pledged to send in exhibits and compete for the liberal prizes offered by the state board.

This county wants to get in line and make things jump. It can just as well as not take away first prize. It has the product and the energy if it can just get the spirit started.

Few few know that the present school district officers will hold their term of office until June, instead of in March, as heretofore. A recent law makes this obligatory. The clerk will therefore hold until next June, and directors' terms will hereafter end in June.

Dr. A. B. Bailey, now one of the leading dentists of Spokane, is here for a week's visit with relatives and friends. He says that he is in love with the Spokane country, and that it is the best section of the Northwest—Washington County excepted. Spokane, he says, is having a wonderful growth, and is destined to become a city of much magnitude some of these days.

It is really the financial centre for a vast deal of mine promotion, and headquarters for supplies of a vast region.

The fields will soon be dressed in their best. Why not you? Buy your gent's clothing and furnishing goods at H. Wehrung & Sons. Largest stock and finest selections in the county.

The Pythian committee for the Knights of Pythias day at Forest Grove, June 26th, met in this city last Saturday and arranged their program for the exercises of the day. It was decided that after the evening exercises were concluded that the secret work in the second and third ranks should be given by the Hillsboro team.

Glory of glory—won't the boys swell up, though? For sale or trade—One good driving team; will sell for cash or trade for good cow. Inquire of Fritz Hugenius, at old Butler mill, near Redville.

The Pioneer Association of the State of Oregon will meet at Portland June 14, in the Exposition building. Judge Ralph Stott, an old time Washington County man, will deliver the annual address. Many from this county will attend. The Southern Pacific road will give a one and one-third fare for round trip.

J. A. Imbrie, executor of the Wm. Mauzey estate has placed a handsome red granite monument over the grave of that pioneer in the West Union cemetery.

CITY PURCHASES MORE FIRE HOSE

Council Ordered Five Hundred Feet Monday.

SAME QUALITY AS PORTLAND HOSE

Town will now Have Good Protection and Firemen are Happy.

The city council met Monday evening in special session and decided to buy 500 feet of hose. The contract was awarded to A. G. Long, of Portland, and hose like that used in the Portland fire department will be purchased.

The hose in question is the very best in the market and each thread of the outer covering—it is linen covered—is treated to a bath of gum and wax before it is woven.

The safety couplings will be of the latest improved pattern, with the diagonal thread. With this thread it is impossible to get your couplings started diagonal, and there is no delay in getting your couplings together, as with the old, sometimes.

The new hose will be here in a few days.

Strayed—Reward. Strayed, from my premises at Forest Grove, on May 5th, 1901, small, light-color Jersey heifer (2 years old). Is quite gentle, and due to calve soon.

Marked with notch in end of right ear. Suitable reward for information leading to the recovery of same. Edward Naylor.

Card of Thanks. The relatives of the late William Mainland, who was interred at Laurel on May 22d, desire thus to convey their grateful thanks to their neighbors and other friends for their kind assistance and sympathy.

MASS MEETING. There will be a mass meeting at the City Hall on the evening of May 28, to make arrangements for a Fourth of July celebration.

John Bills, of Glencoe, had the misfortune to badly smash one of his thumbs this afternoon, the member having been caught in a pile driver trip while working at the Wooley bridge north of town.

R. Wagner has removed his shoe shop to one door east of Dr. Wood's office. Good workmanship at low prices. Give him a call.

Ray Hull, a young man whose people live at Laurel, was accidentally killed while working at a logging camp near Rainier, the other day. He was guiding logs on a skidroad, and one of the logs rolled over him. The remains were taken to Laurel for burial.

Two Shorthorn bull calves, one 15-16ths, the other 3-4ths. Each is eight months old. For sale. See or address James Wolverson, Mountaineer, Oregon.

Chas. Burnham, of Tigardville, and who is a pioneer of 1869, was in town yesterday, paying his taxes and looking pleasant. Mr. Burnham was for fifteen years a resident of Cornelius vicinity, and has many friends in this section.

Dr. Lowe, the optician, is coming soon. The wise will wait for him.

Jesse Cornelius, the youngest son of the late Jesse Cornelius, died in Portland one day last week, aged 22 years. He died at the home of his mother, Mrs. C. Cornelius. As a boy he was well known in the vicinity of Leisville.

Mrs. Constance Crawford, of Portland, is spending the week with Miss Mabel Moreland.

Walter Prosser, of Scholls, and son of Mr. and Mrs. W. E. Prosser, died last Saturday, and was buried at the Kinton cemetery, Sunday. Deceased was but 14 years of age.

Owing to their uniting with the G. A. R. and W. R. C. in Memorial Services at the Christian church next Sunday, there will be no morning worship at the Congregational church. The other services of the day will be held as usual.

Marriage license was today granted Robert Kuhn Jr., 26, and Emma B. Lounsbury, aged 17. Both are from Gales Creek and the wedding will take place this evening at the residence of the bride's father.

Last week was a good one for Sheriff Sewell in the matter of tax collections. Thousands of dollars were paid into his till, and a turnover was made to the county treasurer that will enable that official to square the state tax. The bank cashed more checks last week than it has for many months previous in any one day, and in one day Postmaster Waggener paid money orders to the extent of over \$1,100.

Street fair day was the best one for collections of all the week. The business houses all did well even if the confounded bugs are taking the wheat all over the county.

Keep on good terms with your "inner man" by buying groceries from H. Wehrung & Sons. Prices the lowest and quality the best. All their patrons will tell you this.

Mrs. J. M. Sappington, whose hearing before the Multnomah county judge took place Monday, wherein she was asked to show cause why her children should not be turned over to the Boys' & Girls' Aid Society, upon complaint of her divorced husband, was awarded her children. She feels very much pleased over getting her children back, and has gone to Troutdale with them.

Mrs. Sappington is well known here and at the Grove.

"Webfoot Flour," a great bread maker. Store this flour in a clean, dry place. Wash thoroughly before using.

If you get a divorce in Oregon, you had better not go over to Vancouver inside of the six months fixed by statute and get married, provided you intend coming back to Oregon to reside. Judge Calk, of Portland, decided in the Sappington case, that such a marriage was not valid in this state.

If you are going to reside in another state that is another question, although many good lawyers contend that the divorce in this state is not operative, in fact, is not a divorce, until the six months has elapsed.

O. G. Wilkes has the finest line of sundries and bicycles in the city. Also a neat repair shop in connection. All work guaranteed.

Sam Rafferty, of Mountaineer, was in town Friday, enroute to Baker City, where he goes to see if the dry climate will do his rheumatism some good. He has been a sufferer with this affliction for some time, and attributes it to the wet weather. He will remain long enough to ascertain whether or not climate has anything to do with his ailment.

If you think a guarantee on a bicycle amounts to nothing, call at McCormick's Bicycle Store and investigate.

The G. A. R. will have appropriate exercises on Decoration Day and the graves of old veterans will be decorated with proper ceremonies. The exercises will occur in the forenoon, and in the evening there will be exercises by the Woman's Relief Corps, at the court house, commencing at 7:30. T. H. Tongue, S. B. Huston and W. N. Barrett will be the speakers.

For sale—three Shorthorn bulls, aged 6, 7 and 8 years. Address James H. Wolverson, Mountaineer, Oregon.

There is again much complaint over bugs in the wheat, and the complaint seems to be general. While there is an occasional field free from the pest, yet fields in every vicinity have them. This is likely to mean a very short crop this season. P. M. Jackson, who has looked into the matter, says the bugs are everywhere, but not bad in some places.

Instead of selling your old iron to junk dealers, take it to Wm. J. Benson, Hillsboro, and get value for it.

J. M. Greer and wife, R. H. Greer and Mrs. M. M. Bridges are at Baker City this week, where they are delegates to the Grand Lodge of Odd Fellows and Rebekah Lodge. Mrs. Bridges will go to Sumpter and visit with the Misses Maggie and Etta Schulermerch at the mine, for a week or such a matter.

Samuel Humphreys is visiting with relatives in this city, and in a few days will go to Seattle, where he will remain for the summer.

Several Cornelius parties were in town Saturday and they stated that they were to have all kinds of a time at the celebration on the Fourth. The committee on arrangements is preparing an excellent program, and the Cornelius boys say theirs will be the greatest celebration the county ever witnessed.
