

PRETTIEST GAME OF THE SEASON

Diamond W's Beat Ramblers at Score of 3 to 2.

ELEVEN INNINGS TO DECIDE GAME

Local Nine Redeemed Themselves in Great Shape.

Sunday's game was the prettiest yet played on the local grounds, and it was pretty work from the time the umpire called "Ball" until the game was given the Diamond W's at the end of the 11th inning.

The home team, after suffering a defeat the week before—a defeat that was not justified, and that was the result of a bad "off" day—put up a game that was warm work.

Downs, the home pitcher, fanned seventeen men and held his delivery down in fine shape. Sues, the catcher, was "Old Chief" in the right place.

The line up was: Diamond W's. Ramblers. Downs. Meach. Sues. Allen. Purdin. Reed. Briggs. Hackett. Cook. McDonald. Hare. Dorney. Hatch. Boggs. McFee. LaDow. Miller. Walling.

The score by innings: Diamond W 0 0 0 0 2 0 0 0 1-3 Ramblers 1 0 0 0 0 0 1 0 0-2

The attendance was slightly under 500. Roy Cook, of Cornelius, umpire. Manager Bailey executed several kinds of war dances on the running line, and is satisfied that his boys can play ball.

BANKER SHUTE WILL BUY.

Banker J. W. Shute will buy the \$26,000 water and light bonds, and they will bear 5 per cent interest. This will be sufficient to pay the old bonds, the \$14,500 agreed upon as the purchase price of the plant, the wood on hand, and other supplies needed in the city's running of the plant.

POPULAR WITH THE LADIES.

Friend Perry Watson, J. P., who uses the following form of marriage ceremony is said to be mighty popular with the ladies of his bailiwick, but Lord! how the men hate him.

Grant Holcomb, of Bethany, knows how sharper than a serpent's tooth is ingratitude. Some time since an elderly man representing himself as a Southern Oregon stockman went to his ranch, and after stopping a day or so, asked the loan of a horse and saddle with which he could ride to Hillsboro and make a few calls on friends of old lang syne.

The time is drawing near for auction sales, and there will be a large number of them in this county this Fall. Those contemplating sales of this kind should communicate with Wm. McQuillan, auctioneer, Hillsboro, Ore. Inquire at this office for terms.

Again there is talk of a motor line between this city and Portland, the line to extend as far west as Forest Grove. Eastern capital is said to have taken hold of the project and quite an article touching on the subject appeared in Monday's Telegram.

Treat your feet well and they will carry you through the world without ache or pain. Take them into H. Wehrung & Sons and treat them to a good fitting and splendid stock—pair of boots or shoes. Shoes for father down to the baby. To see our stock is to buy.

C. S. Bateman, of Gales Creek, in company with a party of Netarts men, started to sea lion rocks, beyond Netarts Bay, in an open boat Sunday, and when about to land the boat capized and the entire party was pulled out by the people along the beach more dead than alive.

The Fourth is over; now look out for the Street Fair. Get good and ready to "blow" yourself by saving money through buying your groceries, your boots and shoes and your dry goods at H. Wehrung & Sons.

J. Garrigus, of Greenville, reports to the Federal Weather and crop Bureau as follows: The past week has been very favorable for baling hay and threshing grain; the roads are strewn with baled hay, and grain threshing is in active progress.

CAN BEER BE SOLD.

Discussion is quite the thing, now, in Forest Grove circles, as to whether or not beer or wine can be sold in Forest Grove. One of the deeds in that city, conveying a piece of property on a business street contains, from the first deed down, a restriction that "ardent spirits" can not be sold.

Joe Williams, the Patton Valley hopman, was in town Saturday, on his usual annual visit here for hop pickers. He says he has a fine crop this year. His last year's crop has not yet been sold, although he cabled his commission men in London to let them go at the market price, last week.

W. V. Wiley, of this city, has secured the bar privileges at the state fair grounds, and went to Salem Saturday to make arrangements necessary to be ready for the opening of the fair.

Schulmerich Bros. have received some of their Fall goods. They will carry a full line of ladies' furs, coats and capes.

Roy Latham was down from Perrydale Monday and says the mill at that place, in which his father, H. T. Latham, and W. J. Benson are interested, will be ready for operation by the 10th of September, and possibly before.

APPEAL FOR STATE FAIR EXHIBITS

F. M. Heidel Asks the People to Represent the County.

EXPLAINS WHAT IS WANTED.

Farmers Who Take a Pride in the County Should Read and Act.

HILLSBORO, ORE., Aug. 15.—Being desirous to have the exhibit from this county cover every variety of agricultural product, I appeal to every one to make an effort to contribute at least one article for exhibition at the coming State Fair.

When you come to Hillsboro I invite you all to come in and see what we already have. Help us add to this. I still want: Fruits of all kinds, green, canned and dried.

Grains of all kinds, but especially buckwheat. German and Hungarian Millet, sugar cane, broom-corn, corn, flax, etc., and vegetables of all kinds, both fresh and canned. It is my intention to bring the whole exhibit back from Salem and have it on exhibition at the street fair in October, thus parties who contribute to the display will be represented at both places.

Don't forget to have the streets in repair for the Native Son's Carnival.

Mrs. J. A. Imbrie and daughter, Letitia, son, Robt. jr., Mrs. Letitia Smith and Mrs. Robt. Imbrie left the first of the week, overland, for Ocean Park. Harmon McLinn acts as guide for the expedition, while Mrs. McLinn chaperones the driver.

Teachers' examination, quarterly, is being held at the school house this week, commencing Wednesday. There are about thirty applicants in all, four of which are after state papers.

Wanted, 75 hop pickers. Ruling prices. Call on or write Wm. Bagley, Hillsboro, at once.

NEXT SUNDAY'S GAME.

The Clossett & Devers team will be our next Sunday to cross bats with the Diamond W nine, and as the visiting team consists of some of Portland's best players a good bout is expected.

Card of Thanks.

To the many friends who so kindly assisted during the last illness of Mrs. Minnie Willis Smith, we extend our heartfelt thanks and gratitude.

Last evening while W. W. Boscow and G. A. Wehrung were going home from down town a deer came up Fifth street, passed by the Congregational church and passed on through town down Main street.
