

BASEBALL SEASON OPENS HERE SUNDAY

Diamond W's and Ramblers will Contest.

PROMISE OF A RATTLING GAME

Baseball Cranks will be in High Feather. Good Crowd Promised.

The baseball season will be opened in Hillsboro with a game between the Ramblers, of Portland, and the Diamond W's, Sunday, April 6. The line-up of the Ramblers could not be obtained in full, but Harry Allen, their playing manager, says that he has a stronger team than last year, and he certainly brought out a fine team last season. Every baseball crank will long remember the eleven inning game with the score of 3 to 2 that they played in this city last August. Mr. Allen is not only a good judge of players, but he is a very clever man behind the bat, and the Ramblers, under his management, will make a big pull for the amateur championship of the season.

The Diamond W's will be handicapped by lack of team practice and the fact they are not familiar with each other's style of playing, but they expect to give a good account of themselves. They will probably line up as follows: Swope, catcher, Harkins, pitcher, alternating with McInnis at field; Vanderzanden at 1st base, Hare at 2nd; Hart, short-stop; outfield, Somers, McLuine, and Mills. Breidemeier 3b, alternate with Swope behind the bat. This seems to be a very strong nine individually, and with practice on team work, will make the best of them hustle to win. The Rambler line-up will probably be: Allen, c; Meach, pitcher; Davey, 1b; Dorney, 2b; Oliver, 3b; Reed, ss; Walling, Schmeer and Sharkey, the out field. The game will be called at 2:00 sharp.

At 12:15 the Hillsboro Regulars and the Scholls nine will cross bats in a preliminary game. These are evenly matched as the below score will show, and the game will not lack in interest. Let lovers of ball playing give the boys good support—and then watch them go after the championship!

THE INITIAL GAME.

The first game of ball of the season was played at Scholls last Sunday, between a nine from that place and a picked Hillsboro nine. The game was well played, considering the lack of practice, and it is the forerunner of some good work this season. The line up was:

Table with 2 columns: Hillsboro and Scholls. Hillsboro: Sappington, Allison, Somers, Briggs, Mitchell, Wann, Wm Jack, Wilkes, Nick Williams. Scholls: Croissant, McFee, Snyder, Crowder, Jackson, Chapman, Welch, Sutherland, Hinton.

The star play of the day was made by young Wilkes, who, while yet a boy, gives promise of making one of the best players in this section. Sappington pitched for the Hillsboros, and McFee for Scholls.

A McGahey, who came to Hillsboro from Gaston, last year, and who was thrown from a cart last fall and sustained a broken hip, has been committed to the county jail for ten days, the result of a little mix-up with John Barleycorn, a powerful and contentious stranger who occasionally occupies the same town with the old gentleman. McGahey is going the rounds on crutches yet, and, while up town Saturday, fell in with his old-time and boon companion and celebrated. He went home, so his wife states, and proceeded to make things lively for the family. For this he was arrested, and fined \$20 by the city recorder. McGahey was sent to jail in default of the money to pay his fine. It is stated that he will be sent to the poor farm as soon as he serves his time. The case was tried by a jury consisting of M. E. Hotchkiss, Allen Haworth, B. K. Haines, W. H. Hanley, B. K. Dailey and W. R. Hoyt.

We buy and sell groceries that are not excelled anywhere. Fresh and staple lines always on shelves. Buy from us once and you buy from us always. Highest market price paid for produce. H. Wehrung & Sons.

Trout fishermen were out in full force Tuesday, and many fine strings were pulled out of old Dairy's waters. C. Blaser went out and brought in 23 pounds of the finny tribe, all of his catch being especially large. E. Schiller, of Portland, came out and went out into the haunts with E. J. Lyons and W. E. McCourt, and they succeeded in bringing in three fine strings from the Sam Johnson neighborhood. Sam knows a thing or two about where the speckled fellows range, and he acted as guide and chief envoy, as well as landing his share.

When farmers are in need of agricultural implements they should see Schulmerich Bros.' stock. They are factory agents for Osborne and Deering harvesting machines, Rock Island plows and harrows, and Tiger drills. Also carry a full line of buggies, wagons and general hardware.

The house of Wm. Weir, of eight miles north of Glencoe, burned last Sunday, about 10 o'clock in the morning. Very little was saved as the flames were uncontrollable from the start. There was no insurance, and the loss will be heavy on Mr. Weir. The building was a substantial hewn timber structure, with a frame addition. But a few dollars' worth of bedclothes were saved, nothing more.

Wash silks, in endless varieties and patterns, for ladies' shirt-waists, at 50 cents per yard, at H. Wehrung & Sons'. Full line of percales, 10, 12 1/2 and 15 cents per yard; Toile du Nord ginghams, at 12 1/2 cents, and A. F. C. ginghams, at 10 cents.

August E. Tamesie, formerly of this city, now of Salem, graduated this week out of the medical department of the University at that place. This is the second in the Tamesie family to graduate in medicine within a week, George having taken his degree last week in Portland. This makes three of the medical fraternity in the Tamesie family. August is a first-class pharmacist, as well.

Full stock of gentlemen's furnishing goods, neckwear, etc., underwear for spring and summer, at H. Wehrung & Sons', Hillsboro.

Townsmen T. H. Tongue has again been nominated for congress on the republican ticket, and without opposition in his own party. The convention at Roseburg, Tuesday, occupied but forty minutes in transacting the business leading up to and making the nomination Hon W. N. Barrett, of this city, in a five minute address, named Mr. Tongue.

Go to F. J. Barber, Second Street, for a neat shave or hair cut. Satisfaction guaranteed.

The potatoes are getting pretty well cleaned up over the county, and the prices stay well up in the high places. Washington county has shipped hundreds and thousands of bushels this year to the California markets. The acreage this year will no doubt exceed that of last year by one-third. There is good money in potatoes at one-half the price received from buyers this year.

The best is the cheapest. Greer has the best and cheapest garden seeds in Hillsboro.

Read H. Wehrung & Sons' new display ad. on another page. It will save you money.

Father LeMiller, of Cedar Mill parish and missions of Cooper Mountain and Tigardville, was in the city Tuesday, calling on his friends. He will soon bring the Cedar Mill dramatic club to this city for a one night's engagement here, and he is promised a crowded house.

Splendid spring line of dress goods, at H. Wehrung & Sons'.

Bert Hager has full swing of the Commercial Club rooms these days, having succeeded the recent conductor.

T. B. Perkins left yesterday morning for a business trip to Southern Oregon and California.

UNION PARTY MET IN THIS CITY TODAY

Over 200 Delegates were in Attendance.

COMPLETE TICKET IS NOMINATED

County Officers are Re-nominated for second tryout.

W. G. Hare was selected for temporary chairman. B. G. Leedy, Master of the State Grange, of Tigardville, was chosen permanent chairman, John M. Wall, of Hillsboro, secretary, and John Beal, of Forest Grove, assistant. There were very few contests over the nominations, and the 196 out of the 200 delegates, were as quiet as large conventions generally are noisy. The representative ticket was the longest in being nominated. The choice of the convention was:

Representative Ticket—Solomon Weckert, of Sherwood; Wm. Schulmerich, of Farmington, and Hubert Bernards, of Verboort. Mr. Weckert is a prominent farmer of his locality; Wm. Schulmerich is the well known dairyman, and Hubert Bernards is a repeater, as he was in the legislature last winter, having been elected on the Union ticket two years ago.

County Judge—Louis A. Road was nominated for the office of County Judge. That he has made a record in that office goes without saying, and he will prove a strong man on the ticket.

Commissioner—B. G. Leedy, the Master of the State Grange, of Tigardville, was nominated for Commissioner. He is a first class man and will make a good commissioner, if elected. He has many individual friends over the county, and should make a good race.

Sheriff—John Sewell, who has more personal friends than almost any other man in the county, was re-nominated for Sheriff.

Clerk—Geo. A. Morgan, the present incumbent, was re-nominated for Clerk. He has the records of the office in fine shape, and he is the right man in the right place.

Recorder—R. L. Wann was re-nominated for the office of Recorder, and as he has given satisfaction, he will come before the people with a good record.

Assessor—C. A. Peterson, the Buxton store-keeper, was nominated for the office of assessor. Mr. Peterson is in every way qualified to fill the position, and his nomination is a happy one.

Treasurer—E. H. Parker, a G. A. R. man from Gaston.

Coroner—W. P. Via, of Forest Grove, present incumbent.

Surveyor, to be supplied. The only cloud on the horizon was the contest over representatives. Mr. Edson was nominated, and in response to a query, attempted to make clear his position in voting for Senator Mitchell. After a few remarks the chair ruled to a point of order that the ballot should proceed.

Delegates to State Convention—A. S. Briggs, Cornelius; E. J. Ward, Gaston; John M. Wall, Hillsboro; Chas. F. Miller, Forest Grove; James H. Sewell, Hillsboro; W. H. Wehrung, Hillsboro; J. I. Smith, Tualatin; B. G. Leedy, Tigardville; T. S. Weathered, Hillsboro; J. J. Wirtz, Forest Grove.

Marriage license has been granted John C. Morion and Martha Lenz, of eastern Washington county.

The republican state ticket, nominated at Portland yesterday, is: For governor, W. J. Furnish, a Pendleton banker, and former "gold democrat"; supreme judge, R. S. Bean, of Lane county; secretary of state, F. I. Dunbar, of Astoria; state treasurer, C. S. Moore, of Klamath; attorney general, A. M. Crawford, of Douglas; state printer, J. R. Whitney, of Albany; superintendent of public instruction, J. H. Ackerman, of Portland. Furnish had 248 votes in the convention, as against 92. His opponent very likely will be Geo. Chamberlin, of Multnomah county. The Multnomah county delegation went to Furnish. This was what was expected, as it was known that Mr. Corbett and Mr. Furnish were great friends and had worked together for some time—since the campaign opened.

Claude Greear visited at Seattle, last Sunday. He says that the Sound city is a "peacherie."

Chas. Wann has accepted a position with a Portland grocery house, and has commenced his duties.

Miss Jennie Greer is home for the summer, after a winter's stay in Portland, taking voice culture.

Miss Edna Imbrie has been visiting the week with her grandparents, Mr. and Mrs. John Goodin, at Glencoe.

Ex-County Clerk Imbrie and B. P. Cornelius were Portland visitors Wednesday, taking in the big convention.

Plowing has started in earnest all over the county, and some few have done some seeding. We are experiencing the first real spring weather, and unless rains come spring work will soon be in full blast.

It is reported that an immigrant family brought smallpox to Forest Grove, and that the place where the malady appeared is under quarantine. The disease is in its usual mild form, and no fatalities are expected.

James Butler has gone to California, where he has a position with a photo house. "Jim" has been "central" at the telephone office for some months, and has given general satisfaction. He is succeeded by Miss Maude Hembree, of McMinnville.

Supt. B. W. Barnes, of the Hillsboro public schools, sends the following report for month ending March 28: Number enrolled, 309; absent, 423; tardy, 40. The Sixth grade reports no tardiness this month, the first perfect report in this regard this school year.

The prohibition convention will convene in this city next Wednesday, and those of that party faith say they will put up a good ticket and give the others a fight for their "money." The probis have some pretty good talent, and should put up a warm campaign. They will get on the ticket by petition.

Jos. Rector, who has been the superintendent of the water and light plant since the purchase by the city, leaves Tuesday to take charge of the McMinnville plant, and S. C. Morgan is talked of as the new superintendent. It is said that Mr. Morgan will be given a trial.

Robert Wirtz, for two years the deputy recorder under Recorder Wann, has been promoted to deputy sheriff, and has assumed the duties of the office, commencing yesterday morning. Robert is a general favorite, and will capably handle his new assignment. Mr. Wall, who has held the position for some months, has gone into business on his own account, with the real estate firm of Heidel & Wall.

Grant Holcomb, of below Bethany, was in the city today and states that Benson and Farrell, of Portland, and prominent Columbia river loggers, have purchased the Kyle & Brooks' sawmill, in that neighborhood. The new company has incorporated for \$15,000, and will cut from a large body of splendid timber. The haul is not very long from and to Portland, and the new venture will cut for the demand occasioned by the Lewis & Clark exposition.

Two young men of this city were charged with disturbing the services at the Evangelical church last Sunday. They were taken before Judge Randall and fined \$5 for their misbehavior. The boys were not malicious in their disturbance, but were rather immoderate in their conduct. It won't do, boys. When you go to church you must respect the place and the hour, and not let your levity get away with you.

There will be a baseball dance at the Hillsboro Opera House on the evening of Saturday, April 5, and the orchestra will be a double body—the Rowell orchestra of Scholls, and Henri's, of Portland, furnishing the music. This will be the finest music ever furnished a ball in this city, and the music itself will be a rare treat, and worth the price of admission. The Sunday following, the Ramblers and the Diamond W's will play the initial game of baseball in the opening of the season, at the Hillsboro ball grounds. The dance will close at 12 o'clock sharp.

The county court, Monday, committed James Hammock, of Patton Valley, to the insane asylum, H. W. Scott and G. Hammock, the complaining witness, being the chief witnesses. Several of the family have been sent to Salem within the last few years. The committed is only 8 or 10 years old, and is more likely defective in mind than insane. It is a shame that children of this kind can not be sent to a school for defective minded youth, but as there is no such institution, the asylum is the only resource. The boy has been idiotic from birth. Dr. F. A. Bailey was the examining physician.

W. T. Linn, residing on the E. D. Humphreys' place, in this city, Monday, of this week, went to H. T. Bagley, and asked that attorney to prepare a petition making Mr. Linn guardian of the person of Jennie L. Sturgis, a 16-year-old girl, recently from Multnomah county.

It was stated that the girl had no guardian, and the court complied with the request. It now appears that the girl had been at one time an inmate of the Boys' & Girls' Aid Society, of Portland. This society gave an East Portland man adoption papers several years ago. The adopted father died subsequently, and the adopted mother married again. W. T. Gardner, of the Society, has charged a man by the name of D. M. Litzel with kidnapping the girl and bringing her to Hillsboro, and lays claim to the custody of the young lady. The case will be tried in Multnomah county.

Since last week Judge Road has admitted the following to citizenship: Herman Thurmer, Wm A. Schmidt, John Meier, William H. denbrand and Hans Ellander.

On Monday, Vinson Vieth, a young man who works in Kyle & Thomas sawmill, near Cedar Mill, had his right hand caught in the saw and badly lacerated. Dr. Bailey attended the wounded man and found it necessary to remove the middle finger and the bone of the hand leading to it. Though the wrist and other fingers were considerably torn up, the remaining portion of the hand will be saved all right.
