-New Currency Regulations.

Washington, April 10 .- The house bill establishing civil government in the Philippiens was finally perfected today by the Republican members of the insular committee, and in its complete form was re-introduced by Chairman Cooper. There is little doubt that it will be reported to the house by the full committee in a day or two.

The house bill is unlike that of the senate in that it provides a complete form of government for the islands, to cents per pound. go into effect when the war terminates, the provision being as follows:

"Whenever the existing insurrection in the Philippines shall have ceased and a condition of general and complete peace shall have been established therein, and the facts shall have been certified to, the president shall instruct The house's first vote on Cuban recithe commission to call a general election, for the choice of delegates to a popular assembly of the people of the & Pacific Railway.
