Graduation from the Normal practically assures a place worth from \$40 to \$100 per month. HOARD-BAGLEY.

The home of Mr. and Mrs. Wm. Bagley, of Lelsville, was Wednesday, July 2, 1902, the scene of a very pretty home wedding, the contracting parties being Mr. Ira Hoard, of Mountaineer, and Miss Nellie May Bagley, the youngest daughter of Mr. and Mrs. Bagley. The house was very prettily decorated with evergreen, roses and lilies. The ceremony was performed in the presence of the relatives and friends of the family, at 6 p. m., Rev. A. Robinson, of the Presbyterian church, officiating.

The bride was daintily attired in a gown of pearl gray tulle, trimmed in silk, and carried a beautiful bouquet of bride's roses.

The wedding company was seated to a sumptuous dinner. The table was decorated with sweet peas.

Mr. and Mrs. Hoard will at once take up their residence in Lelsville, where they will be at home to their friends.

J. W. SEWELL, Sheriff of Washington Co., Ore.

Buy your couches from McCormick. He has them from \$6 up.

It would surprise one who had never visited that neighborhood, to take a trip up in the Pumpkin Ridge neighborhood, where there are many nice little homes, hewn out of the big timber. J. C. Miller, Geo. Kelly, John Loftis, Lynn and Frank Keenan, all have nice little places, all of which are self-supporting. They have everything conveniently arranged about their places, and ask the odds of none of the plains' farmers on the lower altitudes. From the top of the Ridge there is an excellent view of the plains below. There is an abundance of good water; the soil is a rich, loose clay and loam, fruit trees do well, and with 30 or 40 acres cleared a man has an independent living. If you have never been up there, take a trip to the hills some day and you will be surprised.

When farmers are in need of agricultural implements they should see Schulmerich Bros.' stock. They are factory agents for Osborne and Deering harvesting machines, Rock Island plows and harrows, and Tiger drills. Also carry a full line of buggies, wagons and general hardware.

The Uniform Rank, K. of P. hall, at the Opera House in this city, last Saturday night, eclipsed any social event of like nature, held at this place for years, and the attendance was very large, the big floor being covered with merry-makers. Quite a large number were out from Portland. The hall was decorated with the colors of the order, and the many colored lights lent to the prettiness of the scene. The boys were out in their uniforms. The net receipts, after all expenses were paid, was over \$30. The Ranks of both Hillsboro and Forest Grove have been mustered in, and it is more than likely that McMinville, Hillsboro and Forest Grove will be assigned to a battalion before very long.

Wash silks, in endless varieties and patterns, for ladies' shirtwaists, at 50 cents per yard, at H. Wehrung & Sons'. Full line of percales, 10, 12 1/2 and 15 cents per yard; Toile du Nord ginghams, at 12 1/2 cents, and A. F. C. ginghams, at 10 cents.

The article in last week's Argus, to effect that people living along the mail routes could have their mail delivered by the mail carrier, was news to many, and gratifying to those who were quite a distance from the postoffice. Considering that the various routes cut into so many sections, this is almost as good as rural free delivery. The Department, this week, has sent to all newspapers, circulars announcing what The Argus published last week. The rule of delivery does not say that only those living "on the route," but says, "on or near the route," so it broadly covers a district quite large on each side of the given route. People living off one side can put up a box on the road and have the service just as well as those right on the road.

The convicts who broke away from the penitentiary would have been caught had they reached Hillsboro, for they would certainly have "held up" Dennis' store, where they would have found the finest line of groceries.

Col. T. J. Bramel, well known here for years as a resident of this city and Reedville, is up for a thirty days' visit. He comes from Roseburg, where he is a resident of the Soldiers' Home. He says that the Home is nicely conducted, and that life is one grand, sweet song down there. Mr. Bramel is a veteran of the Mexican War, and was in the charge that scattered Santa Anna and caused that fire eater to lose his wooden leg. The Colonel's many friends are pleased to see him looking so well.

We buy and sell groceries that are not excelled anywhere. Fresh and staple lines always on shelves. Buy from us once and you buy from us always. Highest market price paid for produce. H. Wehrung & Sons.

Some hay is down, cut before the rain started, but there is very little complaint over prospective loss, as there is hardly a farmer but whose other crops needed rain. All over the county there has been sufficient rain for late grains, and the fall sown has been greatly benefited by the moisture.

City Marshal's Sale.—For pound charges, on the 5th of July, in the city of Hillsboro, I will sell a brown mare, about nine years old; has white right fore foot.—W. P. Atkinson, city marshal.

The supreme court has decided that McHargue shall retain his certificate. It isn't all going against him, anyway. This was the case tried before a board of three, agreed upon by McHargue and Ball, the county superintendent. Allen, district attorney, appealed the case to a higher court. This ends the celebrated case.

Your wife will tell you that Dennis always keeps the finest and latest styles in ladies' footwear. And the children are not forgotten, either.

Will Schieffelin, of Centerville, who has been in the Philippines for several years, has returned and is visiting with his relatives.

When you want good groceries go to Greer's.

Attorney C. E. Kindt was out from Portland the first of the week.

W. A. Hewitt, of West Chehalis, Killed Friday.

Leaves a Wife and One Child. Carried One Thousand Life Insurance.

W. A. Hewitt, who for years has resided in West Chehalis, was instantly killed, on Gales Creek, Friday last, while felling timber in company with J. E. Lilly. The tree upon which he is working is said to have shot backward while in the act of falling, and the unfortunate man was caught and his body badly crushed, death ensuing at once. Coroner Via at once went from Forest Grove to the scene of the accident accompanied by Dr. Large. There was no inquest, as the cause of death was apparent.

Hewitt was married to Miss Sina Pittman in 1893. The widow and one child survive. Deceased was a member of the A. O. U. W., and carried one thousand dollars life insurance. The remains were buried in the West Chehalis cemetery, Saturday, the funeral being under the auspices of the Workman lodge. Hewitt was 32 years of age; was industrious and highly respected by his neighbors.

We haven't been making very much noise; in fact, we don't "cut much figure," but we have been selling goods just the same. People who want anything in our line know where they can get right prices, viz., Racket Store.

The heavy rains of the past few days have caught considerable of hay down, here and there, all over the county. But there has been so much benefit to all kinds of crops that no complaint is heard. Farmers are feeling quite cheerful over the crop prospects.

A children's day picnic was given at Smith's grove, Tualatin, Sunday, June 29, and a large crowd was present to listen to the varied program. Rev. Cox, of Portland, was present. The new officers will assume the work of their respective terms next Monday.

The latest news of Tracy, the convict who got away from Salem, along with Merrill, is, that yesterday morning he compelled the captain of a steam launch to take him from near Olympia, Wash., to Seattle. He landed a few miles from Seattle, and then struck out for that city. He told his captors that he had killed Merrill over a contention, but this is not generally believed. It is thought that they separated, thinking that it were better to travel alone to avoid suspicion. Tracy told the launch people that he would be among friends in Seattle, and that if taken, it would be because they would shoot him in the back, as no one could take him face to face. Tracy still had his 30 30 Winchester rifle with which he fought his way out of the penitentiary.

The case of Alice Dove McHargue versus the Butler family has been decided in the Multnomah county circuit court adversely to the plaintiff. Some years ago McHargue, the brother of the plaintiff, and who was then teaching in this county, advanced money to Butler, the latter moving to Hillsboro, and taking up his residence here in Hillsboro. Later on McHargue advanced money for a daughter of Butler to attend the Normal at Monmouth. In the meantime McHargue boarded with the Butlers and paid attention to the daughter. Upon the Butlers moving away, McHargue claimed a balance due him. He assigned his claim to his sister, and suit was commenced last winter in the circuit court of Multnomah. The Butlers alleged that McHargue owed them, and their evidence was sufficient to cause a jury to take it at par, for it returned a verdict for the defendant.

The Annual Mission Festival of the Bethany German Presbyterian church, of Bethany, will be held Sunday, July 6th, beginning at 10 a. m. The services will be held in the beautiful oak grove on the Wismer farm, one-half mile from the church. A good program has been prepared and interesting speakers will present the great cause of Mission in both the English and German languages. Among the speakers will be Rev. Dr. Holt, of Portland, formerly missionary to China, and now Synodical missionary for the state of Oregon; also Rev. Mr. Allen, formerly missionary to Persia, and now assistant pastor of the Presbyterian church of Portland. Good music has been arranged for. All friends are cordially invited. Lunch will be served free of charge at noon.

In another column will be found a notice from Hon. W. H. H. Myers, of Forest Grove, calling for a meeting of the Indian War Veterans, to be held at the court house, Saturday, July 5. This is of much importance to these veterans. Already many of them have received letters from pension attorneys in the east, asking the privilege of aiding them to get their pensions through. These attorneys ask only ten dollars for their services. There is no necessity of this, as the law and procedure is so simple that the services of an attorney are not needed. All this will be made clear at the meeting. So, if you are an Indian War Veteran, attend the meeting and learn that which will be of benefit to you in getting what the recent congressional act gives you.

Thursday evening, June 26, the Sisters School, at Cedar Mill, was the scene of the graduation exercises for the year. A number of lay, as well as clerical guests, were present from a distance, among them being Prof. A. J. LeMiller, of Mt. Angel College, who in an address, spoke highly of the splendid entertainment of the evening, and of the histrionic abilities of the class under the guidance of the Sisters of Mercy. The patrons of the school feel that the year has been profitable, and hope that the usefulness of the school will continue for the future as contributive for success as in the past.

Nick Anderson, who killed one George Tooley several months ago, out in that portion of Multnomah county just beyond Bethany, has been acquitted by a jury, the defense being that it was justifiable homicide. Ed. Mendenhall was attorney for Anderson. The defense entered the plea that Tooley was the aggressor, and that the killing was a matter of self-defense. Many people in the east end of the county know both parties to the tragedy. Anderson stabbed Tooley with a pocket knife. Tooley alleged that Anderson had improperly made advances to a member of his family.
