GOOD SIZED CROWD AT THE MASS MEETING

Messrs. Graydon & Son Meet With Hillsboro People.

ASK FOR RIGHT OF WAY FOR LINE

An Interesting Meeting at Court House Present From Forest Grove.

There was a good sized audience at the court house Saturday evening, to discuss the electric line between this city and Portland with Graydon & Son, the promoters. F. M. Heidel, Secretary of the Board of trade, called the meeting to order. Dr. J. P. Tamiesie was selected as chairman, and stated the object of the meeting. Dr Bailey, the mayor, was called upon, and pledged the support of the city administration along legitimate lines for the benefit of the enterprise. Mr. Graydon Sr. made a short address, stating that he desired to have the community assist them in getting the right of way for the company without expense to the company. He stated that 15 or 20 feet in width would be all the land necessary, but he said that they wanted to come through on their own line and did not want to come along the highways. There might be places, he said, where they would want a franchise along the roads, and in response to a question by Wm. McQuillan, Attorney Huston said that the county could grant a franchise along the roads, and that, in conformity with the desire of the company, farmers could grant right of way through their farms, which would terminate as soon as the road would cease to operate. J. W. Shute, J W. Sewell, J. A. Imbrie, and W. B Cate, (representing the Hawthorne estate) promised right of way through their farms free of charge Mayor F. T. Kane and Col. Haynes, of Forest Grove, were present with a delegation, and when called upon, said they would heartily favor the enterprise. Dr. Bailey suggested, and finally made a motion to that effect, which was carried, that a committee of seven be appointed to see about getting right of way concessions for the road. Dr. Tamiesie, the chair, is to be one of the seven, and the appointments were postponed until this week. Hon. W. D. Hare made some trite remarks upon the situation. The meeting then adjourned to meet again, on the evening of July 26.

The following committee has been named: J. A. Imbrie, F. M. Heidel, J. H. Sewell, J. W. Shute, Hillsboro; A. Eggiman, Cedar Mill, and Col. H. Haynes, Forest Grove.

Lilienthal's hop buyer was again in the county, the first of the week, and informed The Argus that his firm had contracted for several lots of hops in the valley, paying 20 cents He says that a short crop in England, and a shortage in New York state prospects are the levers which are giving so good an outlook to the grower, and, as all the output here is of excellent quality, we'll "be in it." As high as 22 cents have been paid for hops in the North Yakima country.

The electric line committee met this afternoon, in this city, and J. W. Sewell was selected chairman, and L. A. Long, secretary. It was moved that the chairman appoint no more than ten farmers, residing between here and the Multnomah county line, as a sub committee, to assist in getting the right of way for the proposed road. It was also voted to hold a public meeting at the Union school house, near Cedar Mill, Wednesday evening, July 23, to discuss the proposition.

The National Pure Food delegates passed through the city Monday morning, and were met at the depot by quite a delegation of citizens. The ladies were present and presented a magnificent offering of Washington county roses and flowers. The train pulled out hurriedly, and this was the cause of a deplorable accident. Mrs. S. B. Huston, in attempting to hurriedly leave the train, was precipitated to the ground and sustained a dislocated shoulder. Drs. Linklater and Tamiesie attended to the injury, and the patient is doing as nicely as could be expected, considering the nature of the injury. Two Hillsboroites, J. A Imbrie and W. N Barrett did not get to terra firma, and were carried away with the excursionists, returning in the evening. W. H. Wehrung, president of the state board of agriculture, took the trip with the delegates.

Dr Chas H. was in the city Monday eve, on a return trip to the old homestead.

The gale which swept over this part of the state Monday afternoon, was something a little the swiftest for a summer zephyr that we have experienced for a number of years. Thousands of tons of hay in shocks were swept over the fields, necessitating a second raking; apple and pear tree boughs were broken, thousands of bushels of fruit were strewn over the orchards and considerable damage otherwise inflicted. The rainfall was not much, however.

Wash silks, in endless varieties and patterns, for ladies' shirtwaists, at 50 cents per yard. at H. Wehrung & Sons'. Full line of percales, 10, 12½ and 15 cents per yard; Toile du Nord ginghams, at 12½ cents, and A. F. C. ginghams, at 10 cents.

Thos. Murphy, of Mountaindale, suffered a severe injury Sunday last, while endeavoring to drive home a cow and young calf. Mr. Murphy was trying to carry the calf along when the cow charged him, floored him, and broke two or three of his ribs, besides inflicting internal injuries. He was treated by Dr. Linklater, who states that he will be laid up for some time.
