Among them are the Hobart M Cable, the Hazeltine, the many toned Crown, the Decker, the Vose, the Emerson and many others, every one a first class make.

Further, we sell pianos cheaper and on better terms than any other house in the Northwest, because, having these four houses that we have built up by industry and fair dealing we handle pianos in immense quantities, and, therefore, receive concessions that houses doing a smaller business cannot, and these advantages we offer you in the shape of lower prices on high grade instruments than any other house can.
