MUCH REAL ESTATE IS CHANGING HANDS

More this Fall than Corresponding Period for Year.

RECORDER'S OFFICE VERY BUSY.

Receipts for October will Exceed Three Hundred Dollars.

As a rule the boom in real estate is not on until later in the Fall, but this year seems to be an exception, and transfers are starting in very early. Recorder Kuratli and his deputy, Willis Ireland, are as busy as "nailers," and they will have earned over three hundred dollars by tomorrow evening, for October.

This is the result of so many of the farms changing hands. There are sales every day and some of them reach the \$5,000 mark. The sales generally cover the whole county pretty well but the new factory at Forest Grove has accelerated big sales in that section.

New arrivals are beginning to appreciate the worth of owning a farm in a county within a day's drive of Portland, the biggest city in the Northwest. Again, there is reason to believe that the pamphlets published by the Board of Trade last Spring, and sent East, had much to do with attracting homeseekers to this section.

Married, at the residence of the bride's parents, in Hillsboro, Wednesday evening, October 29, 1902, Rev. A. Robinson officiating, Mr. George F. Loeb, of Lewiston, Idaho, and Miss Eva Archbold.

The wedding was solemnized in the presence of a large number of relatives and friends of the contracting parties. The bride wore a dress of crepe de chine, trimmed in point lace and taffeta silk, with a bodice ornament of a crescent set with pearls and diamonds.

Mr. Loeb is the agent for the Northern Pacific and Western Union, at Lewiston, Idaho, and the bride is the daughter of Mr. and Mrs. A. C. Archbold, and is well known here, where she has resided all her life. They leave at once for their home in Lewiston.

The marriage of Mr. Clarence Young and Miss Wilma Estia Roy was solemnized at the residence of the bride's parents, east of Hillsboro, Sunday, October 26, 1902, Rev. J. A. Brown, of Hillsboro, officiating.

The groom is a son of J. T. Young, and is well known in and around Hillsboro. The bride is a daughter of A. J. Roy, formerly of Greenville. After the wedding, the happy couple were driven to the S. P. depot, where they took the train for a short wedding trip.

They will at once take up their residence at the Young homestead, a mile west of Hillsboro. They have the congratulations of a large circle of friends.

It is reported that there was a suspicion that Fred Williams, of this county, who was found dead near Tenino, Wash., last week, met with foul play. Some think that he might have been killed and robbed, and then placed on the track to hide the evidence of crime.

Hops still hold strong being now quoted at better than 25 cents. No large sales are reported in this section. Hyde and Substauer, of near Cornelius and Forest Grove, have sold at 24 1/2 cents.
