SO, OR NOT SO?

The Associated Press asserts that the dispatch about the Rockefeller telegrams was submitted to the White House before it was sent out. Teddy doubtless believed that those telegrams had been sent. When Attorney General Knox can fool him so completely as he has done about the trust legislation, it is no wonder that he got fooled by this fake. When Knox told him a year or two ago that there must be a constitutional amendment before anything could be done to suppress the trusts, Teddy believed it and began advocating such an amendment. When Knox told him that there was no tariff on kerosene oil or anthracite coal, Teddy believed that, and so announced in his Cincinnati speech. When Knox told him that this Elkins bill and the publicity measure would knock the trusts out, he believed that. Teddy is altogether too credulous. All his life he has associated with respectable and honorable men and takes that crowd at Washington to be of that class, and believes all that they tell him.—Nebraska Independent.

The unexpected has happened and C. W. Fulton, of Astoria, has been elected Senator for Oregon. Oregon will not at all suffer from this, as Fulton is able enough to see that work always has its reward. The senior senator, John H. Mitchell, will look out for the interests of Oregon, in any event. Fulton's election pleases the Republican party as organized at present in the state and the Oregonian, with wry face however, says it's "good medicine." Fulton can thank those who stood faithfully by him for his election. When his case looked hopeless to the casual observer as well as to the experienced politicians, his friends held to him from start to finish. A break of three or four men and he was a back number.

Gov. Chamberlain is already receiving words of praise for official capacity from the very sources that last Spring said he would be a failure because he could not say "No." This is gratifying to those who are of the opinion that the Governor is possessed of brains and courage.

The epileptic editor of the Times is now convalescent, and with a few hot toddies in his "tummy" and a cold compress the size of a gun wad, on his head, right over the brain, he may recover sufficiently to give the Grove as good a paper as J. B. Eddy did.

THE POETRY OF THE ORANGE.

"It appeals to you, when the fruit hangs ripe and sweet on the tree late in February, or early in March. Then the blossoms break out, and the trees are yellow with golden globes, and white with orange flowers. It may be that a flurry of snow has whitened the mountain tops, and then you have an artistic background for a tropical forest. The air is full of sunshine, and heavy with fragrance as night comes on, and then, if the moon be shining, you may hear at midnight, through open windows, the song of the mocking-bird in the scented grove, and it never seemed so melodious before."

An experience like this is possible any winter, and it is worth a journey of a thousand miles, while you can have it, by taking the scenic Shasta Route through the grand and picturesque Siskiyou and Shasta Mountains, to Southern California. Complete information about the trip, and descriptive matter, telling about California, may be had from any Southern Pacific Agent, or

..Remarkable Opportunities..

The Great Unloading Sale of Second-hand Organs and Pianos, by EILERS' PIANO HOUSE, Affords Exceptional Opportunities for Securing Fine Bargains.

During our very busy season, just past, we took in an immense number of organs and pianos as part payment on new ones. Heavy regular sales of new instruments have hitherto prevented our attending to disposing of these second-hand ones. We, therefore, have a great accumulation which we must get off our hands to make room for our 1903 shipments of new pianos which have already begun to arrive. These instruments, although second-hand, have all been so thoroughly renovated and retuned, and the cases so perfectly restored and polished that many are practically as good as new, and any one of them is well worth much more than we are now asking. If you want a good instrument cheap, this is your opportunity. Here is a partial list. These may be gone by the time we hear from you, but if so, we have plenty more and are sure to be able to suit you.

ORGANS.

Estey, oak case, used but a few months, latest style, \$39; Estey, largest size, high top, solid walnut case, \$41; Kimball, satin walnut case, mirror, music rack, not used enough to soil carpet, cost \$135, now \$56; Chicago Cottage, 6 octaves, large fancy top, used very little, \$42; another 6 octave style, cost \$150, yours for \$55; Estey chapel, \$28; Packard, 6 octaves, solid walnut case, fancy top, \$54; Loring & Blake, parlor size, solid walnut case, \$32; Durand Empire top, solid walnut case, \$40; Cornish, solid walnut, \$16; Durand, high top, \$38, good as new; Genuine Earhuff, very neat and pretty, mouse proof, cost \$110, only \$43; A. R. Chase, gilded panels, beautifully carved, \$39; Crown, used but little, price, \$85, will sell for \$52; A. B. Chase, panels finished with French walnut, \$39; Mason & Hamlin, high top and round mirror, cost \$100, used only five months, taken in exchange for Vose piano, can be had for only \$55; Beethoven high top, \$20; Ann Arbor, \$26; celebrated A. H. Whitney, \$41; Packard, in fancy case, \$43; one of the great Kimball makes, \$49.

PIANOS TAKEN IN EXCHANGE.

Emerson, largest size, upright, for \$125; Ludwig, for \$160; Steinway, ebonyized case, \$265; large size Knabe, used only six months, taken in exchange for a Weber, cost \$500, which we will sell for \$345. Here are some big bargains, a Packard and a Harvard, both almost new, with carved walnut panels, taken in exchange for a Vose, and a Bush & Gerts. There is also a Wm. & Son, used only eight months, cost \$100, which we will sell for \$200. This piano is in every respect as good as new.

BARGAINS IN OUR OWN PIANOS.

Brand new Hobart M. Cables, reduced. A few of these pianos, handsomely cased, came to us with the varnish slightly damaged through freezing. Otherwise they are in absolutely perfect condition. Still, as we sell only flawless pianos at regular price, we will dispose of these at a liberal discount. The Hobart M. Cable is one of the finest pianos made. Anyone securing one of these gets a prize. We also have a Lester, slightly damaged in shipment, which we have priced at \$135. It is a first class instrument in every respect which sells regularly in the East at from \$200 to \$250. This piano is in upright grand style, with three pedals and muffler. Payments down according to grade and condition of pianos, \$12 to \$15; monthly payments, \$5 to \$10.

Do not stop long to consider whether you want one of these bargains, because it will make you too late. The pianos are going fast, as are our big bargains naturally would. Write or see us at once about them.
