POPULAR NORTH BEACH.
Excursion Steamer T. J. Potter Goes into Service June 27.

Those who are planning their vacation this year will be interested in knowing that the popular excursion steamer, the T. J. Potter—queen of river boats—goes into service June 27, and that she will leave Portland, during the season, every day from Tuesday until Saturday inclusive. To see the beauties of the picturesque and mighty Columbia from the decks of the Potter is a treat never to be forgotten. For speed and grace nothing in river or lake service in the entire West equals this side-wheeled beauty. Five hours from Portland and one from Astoria, through the famous fishing waters of the Columbia, past scores of salmon traps and nets and as many white-winged fish boats, lands the passengers at Ilwaco, where close connection is made for beach points with trains of the Ilwaco Railway & Navigation Company, whose cars stand on the wharf awaiting the steamer. The beach is twenty-seven miles long two hundred yards wide at low tide, and so hard that carriage wheels scarcely leave a mark. It is an ideal place for driving, riding, wheeling, or walking, and the surf bathing is unsurpassable. The excellent hotels and boarding houses provide good accommodations, at prices ranging from one dollar to three dollars per day.
The round trip rate from Portland to Astoria is \$2.50; to Ocean Beach points, \$4.00, good until October 15th. On Saturdays, during July and August, round trip tickets are sold to beach points at \$2.50, good for return, leaving the beach the following Sunday evening.
The Oregon Railroad & Navigation Company has just issued a new summer book, (free for the asking) which tells all about the delightful resorts of the Valley of the Columbia River. This can be obtained from any agent of the Oregon Railroad & Navigation Company, or by writing A. L. Craig, General Passenger Agent, Portland, Oregon.
