

NO CELEBRATION AT HILLSBORO

G. A. R. Encampment will go to Forest Grove.

THE MONEY IS GIVEN TO HEPPELNER. Change is Made on Account of Lack of Grounds

It was yesterday voted to not hold a Fourth of July celebration in this city. This decision was made after carefully taking up the situation. Hillsboro could not procure the Warren Grove, and the committee was forced to either clear up the Sewell Grove, which was not a very desirable place, the trees being too small to afford much shade; or put the veterans in the court yard. To this there was much objection, as it was considered too public a place for the encampment, and upon motion it was voted that no celebration be held, and that the money subscribed, or an equal amount, be sent to the relief of Heppner. About three hundred dollars had been raised for the celebration, practically one half being labor donated for clearing purposes. A committee was sent out, and over one hundred and fifty dollars secured for the relief of the stricken city in a few hours.

The subscriptions up to a late hour this afternoon were:

STINGER—RUANS.

The prettiest wedding of the year was solemnized at the Hillsboro Catholic church, Tuesday, June 16, 1903. Mr. Chas. W. Stinger, of Portland, Oregon, and Miss Winifred Ruans, of this city, being the high contracting parties. The ceremony was performed at High Noon, Rev. Father Black, of Portland, officiating. The church was gracefully festooned with Oregon grape, ferns and roses, and presented a beautiful appearance.

The relatives and immediate friends of the bride and groom, from Portland, arrived shortly before the wedding, in a special car. Light refreshments were served at the residence of Mrs. T. H. Tongue immediately after the ceremony, and the happy pair left on the 4:20 train for Portland.

The groom is a well known railroad man of the Oregon metropolis, where he is connected with the Passenger Department of the Harriman lines, and the bride is well known in this city, where, for several years, she held a position as private secretary and stenographer with the late Congressman Tongue. Mrs. Stinger has a host of friends in this city who wish her every happiness.

Clerk Boscov's statistics show that the Hillsboro school district has 521 pupils of school age, that is, between the ages of 4 and 20; that the total cash received during the year was \$6,922.51; this with the \$484.39 on hand at the beginning of the year making a total of \$6,406.90 as the fund proper. The expenditures for the year were: For teachers and janitor salary and interest, \$3,942.65; water, \$42.50; bonds and interest on same, \$1,312.50; clerk's salary, \$75; insurance, \$22.00; wood and sawing same, \$115.00; labor, \$19.75; supplies for school, \$46.28; total money spent, \$5,575.68, leaving a balance of cash on hand, \$831.22, as against \$484.39, at the beginning of the last school year.

A good breakfast always makes the day easy. Start the day right by treating your inner man right. Just get Red Jacket Flaked Wheat, or Red Jacket Rolled Oats, manufactured by the Climax Milling Company, and sold by all grocers, enjoy your breakfast, and you will finish the day in good spirits. With these palatable breakfast dishes you can get nutritious food without overloading and being miserable. Just ask your grocer for them; try them; they will please you and you will think, after all, that that hardest of problems, a palatable breakfast, has been solved.

The Hillsboro public school closed last Friday, and will not again take up until about the first of October. About seventy-five people met at the home of Mr. and Mrs. S. J. Rafferty, of Mountaineer, Friday evening, and spent the hours in dancing and having a good time. The house was prettily decorated with fern and wild roses, making it a veritable bower. At a late hour lunch was served. All who attended it will long remember it as a pleasant event. The party was in honor of Miss Laura Scott, of Appleton, Wis., and who is visiting with her sister, Mrs. Rafferty.

HOME NINE BEATS THE DIAMOND A. & L.

The Visitors Were not in it With the Boys.

SCORE WAS SEVEN TO THREE. Scores Were Made in Only Four Halves. Pitchers' Battle.

The ball game at the local grounds, Sunday, was well attended, and it was a pitchers' battle from start to finish. The visitors had a good twirler, and he put up a magnificent brand of curves—but his support, both in the infield and garden was nil. For the first five halves not a score was made. A few scattered hits put three Hillsboro men on bases after there was two out. At this time Harry Cook—"old hoss"—went to bat, and he lined out a sizzler that brought in three scores and let him gallop to third. Before the side was out, Cook was scored and another after him—making five in the inning. In the sixth, through errors, the visitors scored three runs, while the locals scored again in the seventh—making the figures stand 7 to 3 in favor of the county team. Downs did excellent pitching, holding the visitors down to shut-outs in all but the sixth. Swope caught a fine game, while Cardiff, at last, and Smith, at 3rd, made good at every move. Hare held down the short stop with credit to himself, with Bissalon, Hatch and John Wirtz as fielders, and their support was all that could be asked. A. C. Shute umpired the game. It was voted one of the nicest games, and dotted with the nearest work ever made by amateurs on the field.

LIONS ROAR AT REEDVILLE.

The Independent Order of Lions of Reedville will give a free entertainment at the Reedville school house, on Saturday evening, June 27th. All are cordially invited to attend, and we promise you a pleasant evening. Remember Reedville on the 27th.

WANT WOOD.

The Hillsboro school board will receive sealed bids for 40 cords of fir wood, and 10 cords of pole oak, cut in four feet lengths, up to Saturday, June 20. Bids can be left with R. H. Greer, Chairman of the Board. Delivery must be made in August.

STATE TEACHERS' MEETING.

The Western Division of the State Teachers' Association will be held at Portland, June 24 to 29, 1903. The program for this meeting is one of the best ever prepared by the management of the Association, and the indications are that this meeting will far surpass anything ever attempted in educational meetings in Oregon.

The best talent the state affords has been secured to take part in the program which deals with many subjects of vital importance to the schools and educational interests of the state. Mr. Henry D. Pettigill, of Lansing, Mich., one of the foremost educators of the United States, has been invited to be a guest of the Association, and will appear on the program, and discuss a number of important educational topics. The Southern Pacific has made an excursion rate to Portland for this occasion, and a very large number of teachers from this county will, no doubt, be present to enjoy and profit by the meeting.

This morning he went out to see if his work had accomplished anything, and he found a Mr. Owl in the toils. He was a full grown fellow with talons like grapping hooks—but he'll catch no more chickens unless it be in owl heaven.

HEPPNER DISASTER AFFECTS HILLSBORO

Causes Two Days of Deep Anxiety. Relatives There.

HILLSBORO LOSES ONE CITIZEN.

A. M. Peterson, of This City, Drowned in Flood.

The Heppner cloud-burst, which cost the city a million dollars in property damages and about 300 lives, last Sunday eve, was for two days the cause of much anxiety in this place and at Forest Grove, where residents had relatives in the stricken city. Communication was cut off and only the vaguest reports could be gleaned. Fears were felt for the safety of W. E. Pruyn, the well known manager of the Heppner plant. H. V. Gates started Monday eve to the scene of the disaster, fearing that Mr. Pruyn, who is a brother to Mrs. Gates, had been lost in the catastrophe. On Tuesday noon, however, O. B. Gates, Pruyn's nephew, talked with the uncle over the phone. It was reported that Mrs. T. A. Rhea, mother of Mrs. H. T. Bagley, of this city, was drowned, but this proved not to be so. Dr. J. E. Adkins loses a niece; Mrs. W. E. Brock, formerly of this place, but now of Pendleton, loses a step-mother and half-brother or sister; Judge Rood's brother, Ed, who visited here last spring, lost his wife and infant child; Mrs. John Beal, of Forest Grove, loses her mother and step-father. The only fatality from here was that of A. M. Peterson, whose family resides in this place. Peterson only went up there a few weeks ago, to take orders for a clothing house. He was stopping at the Heppner Hotel and went down in the flood. His body has not been found, and his father-in-law, R. W. Simpson, of Reedville, went up at once to find the remains, and Undertaker Donelson and S. S. Jeffries, representing the local Modern Woodman lodge, went yesterday to bring the dead husband and father back. Peterson carried three thousand dollars insurance in that order, and his last payment was received a day or so before his death.

A great deal of concern was felt here for the safety of Thos. Humphreys, wife, and family, until a dispatch arrived Tuesday, stating they were well and unharmed. Mrs. Humphreys is a daughter of Judge and Mrs. L. A. Rood. Mr. Pruyn managed the water and light plant, and the power house was believed to have been in the track of the furious flood. Strange to say, the power house was uninjured. Mr. Pruyn being there at the time the electrical storm broke, according to his usual custom when a storm is brewing. His being there probably saved his life, as his quarters down town were in the track of the tidal wave. Dr. J. E. Adkins, who left for the scene, reports that his son, Will, who was at Ione, is all right. O. B. Gates left yesterday, to help get things straightened in the ill-fated town.

THE CHATAQUA AT GLADSTONE PARK.

The Willamette Valley Chataqua Association has issued its tenth annual program. From the very small beginning in the way of a session held in 1894, the Chataqua has grown until it covers a period of thirteen days and draws talent for its platform from all parts of the country. From an examination of the present program, it would seem from the rich array of talent there scheduled to appear, that the 1903 session bids fair to eclipse any of its predecessors. Notwithstanding the length of the Chataqua for this year, hardly a day passes without the appearance of some star attraction.

Senator Jonathan P. Dolliver, the big Iowa senator, lectures on the first evening, July 14th, on the patriotic theme, "A Poor Man's Government and a Poor Boy's Country," and will be introduced by Senator John H. Mitchell. On the next afternoon Senator Dolliver delivers his second great lecture on "The Working Man of Nazareth."

On Friday and Saturday, July 24th and 25th, the Chataqua have Hon. Champ Clark, the great congressman from Missouri, as a stellar attraction. He is a splendid orator and has a national reputation as a wit and humorist. The management is expecting a large number of campers this year, and certainly an aggregation of talent, such as is represented, ought and will be liberally patronized. No charge is made for camping.

Tents can be rented on the ground by application to the secretary.

Mrs. W. R. Barrett was among those who visited the pioneer meeting at Portland, as were Mr. and Mrs. H. Wehrung.

The Women of Woodcraft, of Glencoe, will give an ice cream social at Mays' Hall, Friday evening, June 26. The public are invited.

The Oregon Condensed Milk Co. has started a 16 foot well in the canyon just below the Southern Pacific depot, and Walter Taylor is the man with the spade. A huge box, sixteen feet in the clear in diameter has been set over the well, and this frame will be gradually lowered as the earth is taken out. The well will be driven as deep as possible in order to obtain the best results. The Company has purchased a huge jet, which will be placed in the well, and run by a traction engine, managed by John Berri, to keep out the water while Taylor is digging. It is more than likely that a series of wells will be dug in that vicinity, and it is now confidently thought that there will be no trouble about shortage of water.

Next to your stomach you should care for your feet. Dress them in good reliable footwear bought of John Dennis and you will have your feet well clad the year round and still have money left as compared with your resources when you buy of others. Shoes for everybody.

A very pleasant birthday party was tendered Miss Naomi Nicodemus, of Farmington, at the home of her parents, Mr. and Mrs. J. Nicodemus, Tuesday evening last, in honor of her 16th birthday anniversary. The evening was enjoyed with games, music and light refreshments. Those present were: Mr. and Mrs. J. Nicodemus, the Misses Naomi and Beulah Nicodemus, Anna Chalmers, Hettie and Anna Jack, Clara Robinson, Mattie Adams, Nettie Ingram, Carrie McInnis, Bertha Bearman, Meta and Nellie Wallace, and Jessie McInnis; Messrs. William and Levi Jack, Edwin and George Ingram, James Adams, Robert Ogden, Claude Johnson and Alex Krebs.

We have taken up the famous W. L. Douglas line of boys' and men's shoes—known all over the world as the best. We also carry the Drew-Selby shoes for ladies. Consult us before buying.—H. Wehrung & Sons.

Pacific University held commencement exercises this week, and the town has been in holiday attire. Washington county captures the most of the University graduates this year, and Hillsboro leads the list. The graduates are: Fred Day and Miss Mary Bailey, Forest Grove; Frederic Vrooman, W. G. Hale and W. G. Hare, Hillsboro; Victor Emmell, Scholls. This gives Hillsboro just half the graduating class. The future of the class is not yet outlined. W. G. Hare contemplates entering the study of law, and has his heart set upon an eastern law school, to begin this fall, Ann Arbor being his choice.

The graduates of Tualatin Academy are: Daniel M. Baker, Sarah Parmelia Boldrick, Hitcha Connell, Caroline Estella Fitch, Lora May Foster, Wilhelmina Heidel, Ella Blanche Huston, Lillian E. Hyde, Lilla L. Irvin, Robert J. Kirkwood, Roy Luce, Myra I. Montgomery, John W. Peters, Joshua M. Philbrook, Eleipha Ruble, Katherine Reuter, Alice E. Sewell, Catherine Scott, Hugh W. Sparks, Esther Silverman, Virgil Waterman and Helen Reuter.

Claude Greear has sold his interest in the Climax Mills, and will at once fit up a confectionery store in the building one door west of the City Bakery, where he will carry a complete line of confectionery, fruits, Sweden's ice creams, cigars and tobaccos. He will endeavor to carry the most complete line in the city, and asks public consideration.

Mr. and Mrs. Thos. Dukelow, of Durand, Wisconsin, were here Sunday last, visiting with relatives, the Messrs. Connell and their families. Mr. Dukelow is a cousin of the Connells, and Mrs. D. is a relative of Mr. Long, of the Argus. They left for the East Monday morning, returning via the Canadian Pacific.

Dr. Adkins started to Heppner yesterday morning, to attend the wants of his relatives who suffered from the flood. Judge Rood went the day before, to offer aid and consolation to his bereaved brother, who lost wife and child.—Later: The brother died yesterday as a result of injuries received in the cloud burst.

H. M. Cronkite, who spent several years in the Philippines, and who is here on a visit, thinks that Oregon and America are good enough for anyone. He says that a year or two in that country is sufficient to make any man love and want to be in his native land.

Our spring and summer dress skirts are reduced as follows: \$4.50 to \$3.50; \$5.50 to \$4.00; \$6.00 to \$4.50; \$7.00 to \$5.00; \$7.50 to \$5.50; \$8.00 to \$6.50.—H. Wehrung & Sons.
