Six Months, 60 cts; Three Months 35 cts. ISSUED EVERY THURSDAY -BY- LONG & MCKINNEY UNION TICKET For State Senator James H. Sewell, of Hillsboro Representatives Wm. Tucker, of Beaverton Wm. Schulmerich, of Farmington John L. Smith, of Tualatin County Clerk T. S. Weathered, of Hillsboro Sheriff John W. Sewell, of Hillsboro Commissioner Wm. Hamerman, of Dilley School Superintendent A. L. Thomas, of Gaston Coroner Dr. W. P. Via, of Forest Grove DEMOCRATIC STATE TICKET. Supreme Judge, Thos. O'Day, Portland. Congress, 2nd Dist., J. E. Simmons, Portland. Congress, 1st Dist., R. M. Veatch, Lane. Dairy and Food Commissioner, S. M. Douglas. Presidential electors, J. A. Jeffries, T. H. Crawford, W. B. Dillard, and J. H. Smith. Joint senator, Multnomah, Washington and Columbia, J. T. Milner. THE UNION CANDIDATES. The Union candidates are worthy men, and a vote for them can hurt no man's conscience. For Senator, James H. Sewell is an ideal candidate; for representatives, Wm. Tucker, Wm. Schulmerich and John L. Smith, should meet the demands of all voters; for clerk, T. S. Weathered is the best qualified candidate in the field, and everybody who knows him knows that he will fill the office to the satisfaction of the public. For sheriff, John W. Sewell has the confidence of the public at large, and so good has been his administration that not one word has been said against him by the opposition press, unless it comes this week, when it is too late to stand public scrutiny. For commissioner, Wm. Hamerman, of Dilley, a German, is a candidate that stands for economy and good management; for coroner, Dr. W. P. Via has filled the office heretofore, and did it with credit to himself and the county. For school superintendent the Union candidate is a young man of excellent education, and he should be elected to succeed Mr. Bell. He is the man needed for the place. This means A. L. Thomas, of West Union, now teaching at Gaston. PASSED OVER THE RIVER. Hillsboro had two deaths this week—a pathfinder, Isaac Butler, known by many of our early pioneers, and a man who has filled life's mission bravely and with patience, doing his duty to society fully. He was the ripe fruit of the life tree, and was harvested at the end of a long and mellow season. It is well. The other death, that of J. W. Morgan, a man whose genial disposition and generous nature made him thousands of friends, passing away when life should have been at its best, causes one to pause and wonder if it is worth while, after all, to too seriously take the little span of human existence. Each of these lives, just gone, will live in memory of friends for years, and each will rest where the one lived his maturer life, and the other all his days from boyhood. REAL ESTATE TRANSFERS.
