Portland leads Seattle and all other cities in the world as an exporter of wheat—and Dr. Chapman says it also beats Seattle for vice. The Argus is inclined to doubt the reverend gentleman on the last indictment. Seattle's claim to being the Queen City along the lines of vice and criminality is insured at a high rate, if the press dispatches telling of murder and robbery go for anything.

John Reichen, of Phillips, was in the city this afternoon.

The Argus gives all the news of the county. One dollar per year.

Mr. and Mrs. Lee Spencer, of Tualatin, were Hillsboro visitors, the first of the week, guests of Mr. and Mrs. Bainger, west of town.

Smokers like the Schiller and the Excellence. These cigars are of the best stock. You can't fool an authority on a good cigar.

The Forest Grove Times is authority for the statement that W. H. Lewis has ordered lumber for new sawmill to be located on the site of the old one, near Greenville.

The Forest Grove Times says that two girls up there walked to Greenville in order to attend a dance. That's all right—a dance at Greenville is well worth the walk.

J. A. Vandebey was in town from Cedar Mill, yesterday, and reports that Andrew Hermann, supervisor for Beaverton, is doing some great road work this season.

Choice hops are still holding around the 25 cent mark, and Washington growers who are holding for a raise are some in the doleful condition. The big "harsh" will come in a few weeks.
