Date of the set what price must be paid for a suitable lot. Phoenix Lodge has nearly \$2,000 in cash and good has hearly \$2,000 in cash and good collateral, and the boys are getting cheety. If they can pick up the right kind of a lot a stock company will be formed and stock books opened. Stockholders will pay up their subscriptions and sign a contract to sell their stock to the lodge want to take it up. So, unless inside property is put up at too high a figure a new building may be expected when spring opens.
