Several months ago J. C. McDonald, the life insurance man, secured a judgment for over \$100 against Hans Jurgenson, of near Sherwood, for a premium due on a policy. Some time ago Albert Hartrampf, constable, at the instance of the court from which the judgment was issued, levied on 700 sacks of onions on the Jurgenson place, valued at about \$1800, and Mrs. Hans Jurgenson claimed the property. Consequently Chas. Schnabel, the Portland attorney, came out last night and filed suit against the constable for the sum of \$1800. The plaintiff claims that the onions belong to Hans, although Sophia, the wife, claims them. She settled with the creditor, today, however.

Chairman R. H. Greer notified the teachers at the public school this week that the directors had voted to have the pupils attending school vaccinated to provide against small pox, which is prevalent to the north of town. As a result the physicians have been using all their spare time performing the operation that is supposed to cause immunity from serious effects from the malady. Glencoe has another case of small pox, but it is not at all severe. Reedville had a scare, but the attending physician found nothing but a light attack of nettle rash.

The house occupied by Lee Elliott, on the Goosney place, beyond Bethany, northeast of this city, was burned early last Sunday morning, the blaze catching from a defective flue. There was no insurance. The place is owned by eastern parties.

The remains were brought out yesterday afternoon. The dead man was about 45 years of age. The funeral takes place tomorrow, and interment will be at Cornelius.
