THE MASS MEETING TICKET WINS OUT

By Overwhelming Majority at City Election

THREE JOHNS ARE INVINCIBLE

Dictator of the Caucus Ticket Does not Mix With Voters

Ballots were in the air Monday, from 8:00 a. m. to 5:00 p. m., and when they were counted it was seen that the mass meeting ticket was elected by an overwhelming majority. The head of this ticket, B. P. Cornelius, received 188 votes, while S. S. Barnes, for mayor on the prohibition ticket, received 56 votes. The dictator who conceived and handled the prohibition campaign voted early and then remained away from the scene of battle. His "wild with excitement" article and his frothy charges that people were "sold to the devil" seemed not to bring him an Austerlitz or Jena. The vote was as follows:

MASS MEETING	PROHIBITION
Mayor—	Mayor—
B. P. Cornelius, 188.	S. S. Barnes, 56.
Trustees, 2 Years	Trustees, 2 Years
John Milne, 191.	J. H. Ray, 53.
John Dennis, 193.	R. A. Carille, 55.
John W. Bailey, 191.	G. V. Doughty, 49.
Recorder—	Recorder—
H. T. Bagley, 293.	J. J. Weik, 44.
Treasurer—	Treasurer—
A. C. Shute, 202.	John Hawkins, 44.

DIPHTHERIA KILLS CHILDREN

Diphtheria is becoming almost an epidemic in the Wilson school district, a few miles northwest of Forest Grove. A little son of William Lousigood was the first to contract the disease and before it was known that it was diphtheria his sister attended school for two or three days and it is thought the disease was spread by that means. The first victim died and was buried Saturday. A child of Jeff Hayden died Saturday and was buried Sunday morning and two other children are very sick. The directors closed the school as soon as they learned the nature of the disease and an attempt has been made to quarantine the infected houses, to prevent the disease spreading through the whole community.

'TAR AND FEATHER' TROMLEY

D. J. Tromley, of Hillsboro tar and feather fame, is in the limelight constantly since his release from the penitentiary a few days ago. When first out he tried to get a lawyer to sue Hillsboro for \$50,000 damages because a suit of tar and feathers did not "fit" him; he next mixed in a fight and was whipped in a North End saloon, and later he was arrested for keeping late hours and Friday was ordered out of the city. As several districts have only verbal contracts with teachers this opinion is of some interest.

PROFESSIONALS ROB FOREST GROVE BANK

Farmers' and Merchants' Bank Loses Over \$6000

SAFE DOOR BLOWN CLEAR OFF

Nothing to Lend Track of the Expert Safe Crackers

Forest Grove had another sensational bank robbery last Friday night, or Saturday morning, rather, when expert crackmen entered the Farmers' and Merchants' bank, dug through the vault and with nitro glycerine blew the safe door from its hinges and robbed the drawers of \$6700 in gold and currency. But \$80 was left, and this was mixed up with the debris.

The front door of the bank was opened by means of a "jimmy" and after that it was easy sailing for the robbers. They effected the robbery and made their "get-away," leaving no trace of their identity.

Sheriff Connell was notified about 8:00 Saturday morning, the loss not being discovered until that hour, when the book keeper went down to open the doors. Cashier A. C. Shute, of the Shute Bank, this city, went with him, and states that none but experts could have accomplished so neat a piece of work.

The tools used were taken from the Cornelius section tool house and the Ballard & Linnville blacksmith shop at Forest Grove.

It is popularly supposed that the gang is operating out of Portland. R. M. Dooley has been running the bank, and states that the loss is fully covered by bank insurance so there will be no financial strain on the institution.

This adds one more loss to the many that have taken place on the West Side within the last two years—the Hillsboro and Forest Grove post office being two of the events, and the Sheridan and Newberg robberies being two in Yamhill county.

Card of Thanks.

We desire to gratefully thank our friends and neighbors who aided us during the last illness of the wife and mother, the late Mrs. Thos. Tucker, and we desire especially to give thanks for the beautiful floral offerings.

Oglesby Young, of Portland, represented the city.

"As the Twig is Bent The Tree's Inclined"

How is it with the young people of your household? Are they saving money? Have they learned to appreciate the value of the dollar? "Are you endeavoring to instill into their minds correct ideas concerning thrift and economy? Are you seeking the opportunity to "bend the twig?" Would you like to listen to a plain suggestion? If so, here it is:

Send the young folks to our bank with the first spare dollar that comes into their hands. The next dollar should be treated in like manner, and the practice so continued until a fixed habit of saving has been established. A goodly bank account will soon result; the young folks will get an inkling of the ways of business, and, being thus "inclined" are likely to grow up into straight and thrifty manhood.
