FAMOUS LAND CASES GO OVER THE TERM

It to be Tried Until March Term of Cases

PLAINTIFF'S ATTORNEY IS ILL

William W. Smith Makes Appeal

He Can't Attend

William W. Smith, attorney at law, of the University, has been called to the Forest Grove land case, which is the school case for reversion, because of sale of liquor, to go on the March term of circuit court. Smith has been very ill since the 14th of November, and he has the advice of his physicians, one of whom is Dr. McKenzie, that it would be dangerous for him to appear in court at this time, and he therefore asked for a continuance, on the grounds that another attorney would not be as familiar with the case as he.

The court granted the request and the first week in the March term will bear the celebrated case. The cases, as now standing, will be against Mary R. Miller, Mrs. C. G. Wagner, a substitute for Dr. Hines; Walter Beard, a substitute for Jas. Johnson; and Mort Hallett.

EXCURSION TO CALIFORNIA

Under Auspices of the Oregon Development League Leaves Portland on Special Train January 13

Secretary Tom Richardson, of the Oregon Development League, is very anxious that the state at large should be well represented on this excursion. The party, which will be composed of ladies and gentlemen, leaves Portland at midnight, January 13, 1906, stops being made at Sacramento, San Francisco, Palo Alto, San Jose, Paso Robles, Santa Barbara and Los Angeles. Special entertainment will be accorded the party at these points. The rate from Portland will be \$63 for one person, which includes three meals to be served on diner between Portland and Sacramento, and Pullman berth to Los Angeles. A rate of \$58 will be charged where two people occupy a double berth. A deposit of \$25 is necessary on each ticket to secure reservation. Section reservation will be held until December 25th. This is an excellent opportunity to visit California, as the auspices under which it is given insure a most enjoyable outing.

The excursion is to be run only provided that not less than 125 persons make the trip. All communications in reference to reservations, and to the trip in general, should be addressed to Mr. Tom Richardson, Manager Portland Commercial Club, Portland, Ore.

THE COUNTY TAX LEVY

The county tax will be levied for the coming collection at the January term of county commissioners' court. By this time all the special taxes will have been levied and returned to the clerk so that the extensions can be made. Many returns are already in so far as city and school district tax are concerned and C. E. Deichman is busy on the rolls.

TWO LARGE BELLS FOR CATHOLIC CHURCH

Will be Placed in the Bell Tower in a Few Days

CHURCH IS PROGRESSING FINELY

The Interior and Exterior is Nicely Finished

The Hillsboro Catholic Church has received two fine large bells for its steeple-tower and they will be raised in a few days, with the customary services. Archbishop Christie, or his representative, attends to this function and workmen are then to hang the bells on their shaft.

The church now is one of the finest in the city, a handsome new bell tower having been built this summer and a coat of paint given the exterior. The interior is nicely finished and the worshippers are proud of their meeting place. Under Father Bucholzer the church has prospered finely, and although over seventy the priest is still very active in his church work.

MRS. MALLORY HERE

Mrs. S. A. Mallory, of Tacoma, Wash., arrived the first of the week to attend the trial of her husband and Mrs. Willis. She registered at the Tualatin and went over to the court house, Monday, to make a call on the husband and woman who are in the tolls of the law. She is on the fight and will, it is said, enter no objections to the prosecution of her husband.

BETTER LOOKING TOWN

An example of what paint can do is exemplified in the better appearance, generally, of Hillsboro, this winter, because paint was generously spread last summer. Another year of this good work and the city will present a neat and cleanly aspect to the eye.

COUNTY COURT

The County Court met in special adjourned session last Friday, and transacted business in order to cut down the work of the January term. The tax list computation and extensions were let to Max Crandall and C. E. Deichman, jointly, and Mr. Deichman has already commenced work on the rolls.

OLIVER CHOWNING IS FINED THREE HUNDRED

Convicted of Selling Liquor at Dilley Without License

J. A. DICKASON ACQUITTED FRIDAY

Charged With Injuring Cow of Jos. Bucher

After twenty three hours in the jury box Oliver Chowning was convicted Friday last of selling liquor, at Dilley, last spring, without having a state license. The jury was out all night and returned their verdict the next day at about three in the afternoon. Chowning appeared later and asked for sentence. The Court fined him \$300 or 150 days in the county jail.

Friday was consumed by the trial of State versus James E. Dickason, of near Vinlands, charged with wanton and malicious injury to a cow belonging to Jos. Bucher. It appeared that the cow was in Dickason's field and that the defendant went out to turn her out. He threw an ax at the bovine and when the animal returned home one of her ankle "do-claws," as a witness put it, was neatly severed. The court instructed the jurors that the act must be either malicious or wanton, in order to convict. The jury, comprised of the following: J. H. Collier, Andrew Benson, J. A. Bryan, James H. Sewell, John W. Cornelius, Geo. M. Holt, James D. Wirth, H. L. Russell, Geo. S. Campbell, R. B. Collins, G. W. Marsh, and Sherman Bacon.

A. D. Snyder, charged with a like offense, did not appear in court, and his case was rest.

Drs. F. A. Bailey, S. T. Linklater and W. D. Wood were appointed by the court, at the request of Attorney S. B. Huston, to examine into the mental condition of Sydney Brugger, charged with murder in the first degree.

Clerk Peter Boscow has posted notices for a school meeting of Hillsboro district, to convene on the afternoon of December 26, for the purpose of voting for or against a nine months' school, and for a tax to support the same, and also for a tax to pay off a portion of the bond debt. As there seems to be no objection to a nine months' school in all probability the tax will cover this much, as well as enough more to pay off one thousand dollars of the outstanding debt, which, every year is growing less.

"As the Twig is Bent The Tree's Inclined"

How is it with the young people of your household? Are they saving money? Have they learned to appreciate the value of the dollar? Are you endeavoring to instill into their minds correct ideas concerning thrift and economy? Are you seeking the opportunity to "bend the twig?" Would you like to listen to a plain suggestion? If so, here it is:

Send the young folks to our bank with the first spare dollar that comes into their hands. The next dollar should be treated in like manner, and the practice so continued until a fixed habit of saving has been established. A goodly bank account will soon result; the young folks will get an inkling of the ways of business, and, being thus "inclined" are likely to grow up into straight and thrifty manhood.
