Gov. Geo. E. Chamberlain was
up to Forest Grove last Friday
evening, and acted as one of the
judges at the oratorical contest be-
tween Pacific and Whitman. While
there the Gov. met with many of
his admirers, all of whom were not
political.

L. E. Wilkes went out with Su-
perintendent Kellogg, Tuesday, to survey
the center of the road from the
Jackson Bottom south hill, as far
west as the Withycombe farm.
There is a dispute as to the actual
road boundaries and this is sup-
posed to settle it for good.

Some one stole about 2,000 load-
ed shotgun shells from the C. D.
Snider place last Friday night,
and carried them away. Evidently
the party expects to have a good
time when the shooting season
comes in next fall. It is said that
the shells were loaded with smoke-
less powder, and were of the best
manufacture.

John Wirtz states that the elect-
ric line at Forest Grove has been
struck clear up to Pacific Avenue.
It is thought by many Forest Grove
people that the Southern Pacific
will electrify their road as far
South as the Grove in case another
line is built out of Portland, this
Summer.

Supt. Smith, of the Pacific Rail-
way & Navigation Company started
a fencing gang to work this
week and the right of way as far as
the track is laid will be enclosed at
once. The cattle guards will be
put in place just as soon as the
weather will permit. Cedar posts
and wire will be used in the fence
building.

The German Loan & Savings
Co., of Portland, writes Sheriff
Connell that they are at a loss to
know whether or not they own a
108 acre tract in this county. It
is said that they have paid taxes on
this tract for several years, but this
year they write that they know
nothing about it. It would appear
that people should know whether
they own a tract as big as that,
but such is the fact.

E. B. Tongue went up to Forest
Grove Monday, to defend Chas. F.
Miller, charged with disturbing the
peace. He arrived in the city only
to find that Chas. was busily en-
gaged in keeping some one else
quiet—in the person of a new and
only daughter. Chas. expressed a
willingness to meet his opponents
in debate but said that he would
rather like to "get used" to having
a baby around the house before he
went into court.

The Forest Grove Times does not
believe in the primary pledge
presented by candidates for the
legislature, requiring them to vote
for United States senator. The
paper says on the part of the repub-
lican papers on this issue seems to
be that there may be more than
one candidate for the Senate, and
that a candidate might get a plural
vote.

Dr. J. Ewart Bartel, who adver-
tised to tell more than Darwin or
the patriarchs of old ever knew,
held his first and last seance at the
Crescent Theatre Monday evening.
He was billed for two more nights,
but his "wa-wa" was not appre-
ciated by Hillsboro theatre goers
and there are twenty Hillsboro
people who could "skin him a mile"
when it comes to entertaining.
The Dr.'s audience was not in sym-
pathy with his explanations of the
occult, and as a result the man-
agement of the theatre notified him
that he was not delivering the
goods, cancelled his dates and
refunded the money to the attend-
ants. The Crescent people are
determined that the day has passed
when people can come to the
city and take money without giving
at least a half-decent return for the
cash.

Sheriff Connell has turned over
\$10,003.16 to Treasurer Jackson,
the most of it coming on the pres-
ent tax roll. The object of turning
over so quick is to have the money
in the road funds, so that super-
visors can do work on the roads just
as soon as the weather permits.
The distribution of the money, into
the various funds is as follows:
state, county general, general
school, etc. \$6096.55; City of Hills-
boro, \$241.65; City of Forest Grove,
\$84.70; Beaverton, \$10.73; road dis-
tricts, \$2814.80.

A HARD ROW

And a long pull describes the pathway
of a woman afflicted with female weak-
ness unless she is under the care of a
doctor who has had successful experience
in the treatment of such cases or else has
found the right remedy which can be
safely used independently of the doctor.

Forty years ago, Dr. R. V. Pierce found
that women were being grossly mal-
treated—mainly through ignorance and
carelessness, and he determined to devote
himself to study and research till he
found the real cause of their suffering
and a proper remedy for it.

He found it, and dug from Nature's
Laboratory, the earth, Nature's remedies
for woman's weaknesses and ailments.
He found in Lady's Slipper root, Black
Cohosh root, Unicorn root, Blue Cohosh
root and Golden Seal root, the required
ingredients.

The remedial virtues of these he ex-
tracted, combined and preserved by his
own peculiar non-alcoholic glyceric pro-
cess, and the compound is now known
the world over, as Dr. Pierce's Favorite
Prescription.

"The wearing of corsets too tight seemed
to have brought on an abdominal pressure,
weakening the ligaments and resulting in
displacement, which troubled me until I was
not fit to walk and at times could hardly
stand," writes Mrs. Beverly Sturges, of 124
Fulton St., San Francisco, Cal. "A neighbor
advised me to try Dr. Pierce's Favorite Pres-
cription. Before the first bottle was used I
felt much better. Improvement went
steadily on, and within four months I was
like a new and well woman once more. I
am now perfectly well and strong, and ex-
ceedingly grateful to you for your blessed
remedy—a boon to sick women."

OUTLOOK FAVORABLE

Just as soon as the weather settles
and the railroad to Tillamook gets
down to business there need be no
idle men here this Summer, and
already farmers are beginning to
wonder what they will do when
haymaking and harvest begins. There
is always a shortage at that time,
and, with the railroad paying good
wages, with plenty of woodchop-
ping on hand, the man who goes
begging for a job this Summer will
be not worth his salt. Altogether,
this season, thousands of dollars
will be spent by E. E. Lytle, be-
tween here and Buxton, and things
will hum.
