For the Legislature

To the Republicans of Washington County: The undersigned hereby announces himself as a candidate for nomination as Representative from this county, on the Republican ticket, and asks your vote at the primaries on April 20. If nominated and elected I pledge economy in appropriations, and such legislation as will be beneficial to the farmers. S. A. D. MEEK, Glencoe, Ore.

For County Surveyor

After 25 years' experience as a civil-engineer and surveyor, in railroad and Government service, being at one time U. S. Deputy Surveyor, I announce myself as republican candidate for County Surveyor at the primaries, April 20, 1906. I have been a resident of Beaverton precinct for 19 years, and feel from my experience that I am capable of filling the position. EUGENE SCHILLER.

FOR REPRESENTATIVE

To the Republican readers of the Argus: I have served one term in the Legislature as Representative from Washington County, and hereby ask for renomination on the Republican ticket. I tried faithfully to do my duty as I saw it, and feel that the experience gained will enable me to do far better work another time. The honor of a re-election will be greatly appreciated. WILBUR K. NEWELL.

FOR COUNTY JUDGE

I hereby announce myself as Republican candidate for the nomination as County Judge at the primaries, April 20, 1906, and ask the support of all Republicans who want a business administration. I have done thousands of dollars worth of bridge building and road work for the county, and have done work that was acceptable at all times. If nominated and elected I pledge the taxpayers a thorough and impartial administration, and, as well, economical, consistent with conditions, and will treat all portions of the county fairly. J. W. GOODIN.

REPUBLICAN CANDIDATE FOR COUNTY JUDGE

To the Republican Voters of Washington County:

G. W. Marsh, of Centerville, candidate for the Republican nomination for County Judge at the primaries, April 20, 1906, is a native of Washington County. He was born at Centerville, Oregon, in 1858, and is a son of the late John and Rebecca Marsh, pioneers of 1852. He received his education at the Centerville school, and has always lived near that place. He has a farm, highly improved, and has always kept abreast of the times. He served in the legislature from 1896 to 1899, being in the House two regular (and one special) sessions. He has always been a consistent Republican, and repeatedly campaigned over the county in behalf of the principles of his party and its candidates. For 12 years he has been school director in his district, and this shows the personal esteem and confidence in which he is held in his own neighborhood. In 1879 he was married to Miss Dora Lyon, of Centerville, and to the union six children survive. At the last Republican county convention he was the chairman of the day, and his executive ability was demonstrated beyond a doubt.

Mr. Marsh believes in giving a square deal to all portions of the county, and pledges a progressive, yet properly economical, administration. Believes that the question of good roads, without burdensome expense to taxpayers, is the most important matter before the people. If nominated and elected will do all in his power to better condition of county roads and bridges. He believes in thorough and systematic drainage of all public roads. Whenever practicable, replace worn out bridges with earth fills, with the aim of in time cutting down the great annual expense of repairing and rebuilding the many bridges in the county. Will endeavor to systematize the method of doing road work so that what is done will be in the nature of permanent improvement so far as possible. Has no hobby to ride as to any particular kind of road material, but believes that nature of soil and availability, and cost of the various materials must be seriously considered in any improvement. Will favor as liberal appropriations for road building as possible, without overburdening the taxpayers. Will endeavor to supervise the expenditure of county funds so that the taxpayers and traveling public will receive full benefit for every dollar expended on the roads.

L. A. Loomis, who has been down on the Pence ditch and flume works, came home the last of the week.

Walter L. Tooze, Candidate for Congress

A Former Washington County Man in the Primary Race

(For the Republican Readers of the Hillsboro Argus.)

Walter Lincoln Tooze, of Woodburn, was born at Pittsfield, Lorain County, Ohio, in 1860. Left an orphan at the age of five years, he lived with an uncle, James Tooze, at Brownhelm, Ohio, where he was reared and educated. In 1877 he started West and landed at Newberg, Oregon, among strangers and without a dollar. Nothing daunted, he worked on a farm for a number of years, then taught in the public schools of Washington County, and was ranked as a teacher of ability. On April 22, 1885, he married Miss Sadie A. Barcos, of Tualatin, an accomplished vocalist. From this union there are four children, one daughter and three sons, two sons being twins. Mr. Tooze located at Woodburn in December, 1886, and formed a partnership with his brother, Charles T. Tooze, the firm carrying on a general merchandise business for one year, when Charles T. retired, and he continued the business alone, enlarging the stock and transacting such an immense business that he became known far and wide as "The Produce and Merchant King of French Prairie."

Mr. Tooze is an ardent Republican and has been quite active in politics. He was a delegate at large from Oregon to the National Republican Club Convention at Denver in 1894; Chairman of the Marion County Conventions of 1892 and 1895; Chairman of the Republican State Convention at Astoria in 1898; has been Mayor of Woodburn, school director, and has held other positions of public trust. Gifted with eloquence, he has been called upon to campaign the State during some of our most strenuous campaigns of recent years when men of marked ability were required to uphold the principles of the party. In 1896, during the silver agitation, he had several debates with the leading exponents of Free Coinage. In all instances he demonstrated his superior logic and ability as a debater in defense of Republican principles.

During the past twenty years he has made speeches throughout the State for the Republican party. An entertaining, intelligible, fluent and eloquent speaker, his services have been in great demand. Mr. Tooze attended the Grand Lodge of Foresters of America in 1903 at Astoria and in 1905 at Portland, the Head Camp Session of the Woodmen of the World at Salt Lake in 1900, and at Los Angeles in 1905, when he made battle for rearmament and reform in the administration of the affairs of the order and carried the convention with him. He was also a delegate to the Fraternal Congress at Mackinac Island, Mich., in August, 1905. He is also a member of the Elks, A. O. U. W., Women of Woodcraft, and the Grange.

Mr. Tooze advocates: A deep sea harbor at Coos Bay, with 40 feet at the bar, and a 35-foot channel to Marshfield. Improvement of Yaquina Bay and other West coast harbors. Deepening the Columbia River channel and improvement of its harbor. Government purchase of Oregon City locks and deepening channel Willamette River. Stringent laws to secure total exclusion of Chinese and Japanese laborers from this country and to protect organized and unorganized American labor. Giving power to Inter-State Commerce Commission to remedy any existing abuses and injustices in freight rates. Abolishment by law of passes, franks or free transportation. Granting Free Rural Delivery carriers \$50 per annum for horse hire. Enactment of laws giving adequate protection to railroad employes engaged in this hazardous occupation. Payment of liberal pensions to American soldiers, sailors and Indian war veterans. Election of United States Senators by the people. Strict observance of the Direct Primary, Initiative and Referendum. Prompt completion of the Panama Canal. National aid to the improvement of the public highways. Especial consideration and support of the irrigation projects of this district and Eastern Oregon. Large share for Oregon of Government contracts for supplies. Bonded settlers should have prompt relief in the matter of securing government title to homesteads. Promotion of the enormous, undeveloped resources throughout the State of Oregon. Words to be printed on the official ballot: "Will support President Roosevelt's plan of government control of railroad rates."
