In selecting Chas. V. Galloway as the congressional standard bearer the democrats of the first district have done wisely. He is a young man of splendid attainments; of culture; of unblemished private character, and worthy the confidence of every person, democrat, republican, populist, or any party, for that matter. Every democrat who wishes to see a man nominated at the primaries who will be worthy of a high honor should see to it that he votes next Friday for Chas. V. Galloway.

The outbreak of Vesuvius, which killed a thousand people, recalls the olden days when two magnificent cities were buried underneath the flow of molten lava and ash. None but a Latin people would again have invited the disaster which occasionally comes from an active volcano—and it is more than likely that they will hereafter keep away from its base as a place for homes.

CANDIDATE FOR CO. JUDGE Walter L. Tooze, To the Republican Voters of Washington County:

A Former Washington County Man in the Primary Race

(For the Republican Readers of the Hillsboro Argus.)

Walter Lincoln Tooze, of Woodburn, was born at Pitsfield, Lorain County, Ohio, in 1860. Left an orphan at the age of five years, he lived with an uncle, James Tooze, at Brownsville, Ohio, where he was reared and educated. In 1877 he started West and landed at Newberg, Oregon, among strangers and without a dollar. Nothing daunted, he worked on a farm for a number of years, then taught in the public schools of Washington County, and was ranked as a teacher of ability. On April 22, 1885, he married Miss Sadie A. Barnes, of Tualatin, an accomplished vocalist. From this union there are four children, one daughter and three sons, two sons being twins. Mr. Tooze located at Woodburn in December, 1886, and formed a partnership with his brother, Charles T. Tooze, the firm carrying on a general merchandise business for one year, when Charles T. retired, and he continued the business alone, enlarging the stock and transacting such an immense business that he became known far and wide as "The Produce and Merchant King of French Prairie."

repeatedly campaigned over the county in behalf of the principles of his party and its candidates. For 12 years he has been school director in his district, and this shows the personal esteem and confidence in which he is held in his own neighborhood. In 1879 he was married to Miss Dora Lyon, of Centerville, and to the union six children survive.

At the last Republican county convention he was the chairman of the day, and his executive ability was demonstrated beyond a doubt.

Mr. Marsh believes in giving a square deal to all portions of the county, and pledges a progressive, yet properly economical, administration. Believes that the question of good roads, without burdensome expense to taxpayers, is the most important matter before the people. If nominated and elected will do all in his power to better condition of county roads and bridges. He believes in thorough and systematic drainage of all public roads. Whenever practicable, replace worn out bridges with earth fills, with the aim of in time cutting down the great annual expense of repairing and rebuilding the many bridges in the county. Will endeavor to systematize the method of doing road work so that what is done will be in the nature of permanent improvement so far as possible. Has no hobby to ride as to any particular kind of road material, but believes that nature of soil and availability, and cost of the various materials must be seriously considered in any improvement. Will favor as liberal appropriations for road building as possible, without overburdening the taxpayers. Will endeavor to supervise the expenditure of county funds so that the taxpayers and traveling public will receive full benefit for every dollar expended on the roads.

For County Treasurer

I hereby announce myself a candidate before the primaries, April 20, for the Republican nomination for the office of County Treasurer, and if nominated and elected, pledge fair and courteous treatment to all. I have been a resident of this county for 18 years, and my interests are all here. I solicit the Republican votes of the county with the knowledge that I will faithfully do my duty according to law, if elected to the office.

GEO. J. PALMATEER.

For County Surveyor

After 25 years' experience as a civil engineer and surveyor, in railroad and Government service, being at one time U. S. Deputy Surveyor, I announce myself as republican candidate for the nomination for County Surveyor at the primaries, April 20, 1906. I have been a resident of Beaverton precinct for 19 years, and feel from my experience that I am capable of filling the position.

EUGENE SCHILLER.

FOR COUNTY JUDGE

I hereby announce myself as Republican candidate for the nomination as County Judge at the primaries, April 20, 1906, and ask the support of all Republicans who want a business administration. I have done thousands of dollars worth of bridge building and road work for the county, and have done work that was acceptable at all times. If nominated and elected I pledge the taxpayers a thorough and impartial administration, and, as well, economical, consistent with conditions, and will treat all portions of the county fairly.

Republican voters are requested to read the supplement in the interest of Hon. E. L. Smith, candidate for U. S. Senator. This supplement is furnished the Argus by Mr. Smith, and its distribution is paid for by him, a perfectly proper affair. As against all other republican candidates for that office the Argus bespeaks him a respectful consideration.
