John Ibach, of Greenville, was in the city Tuesday.

Ervin Burkhalter, of near Laurel, was in town Friday.

Gabriel Lockmann, of South Tualatin, was in the city Tuesday.

J. A. Kirkwood, of Reedville, was a county seat caller Tuesday.

Marshall Baker, of South Tualatin, was in town Tuesday.

John Koehnke, of south of Cornelius, was an Argus caller the first of the week.

It requires but a one percent grade to get down the mountains from Buxton into Vernonia on the Pacific Railway & Navigation Company's survey.

Smokers like the Schiller and the Excellencia. These cigars are of the best stock. You can't fool an authority on a good cigar.

Wm. Hagley, of Leisville, was in Monday, having finished his grading contract across the Joe Cawse place. The track, he says, is now laid nearly to Robb's.

For gentlemen, ladies' and children's hose you can do no better than to buy of John Dennis. We have them for everybody, and at prices that are values.

Montgomery Turner, of Banks, and who has been in the mercantile business there for some years, was in the city Monday. He looks for Banks to do considerable "growing" this year.

Max Crandall returned the first of the week from The Dalles, where he has been engaged in exporting books for the city officials. He says that Hillsboro has quite a colony at the head of navigation.

R. S. Cummings, deputy supreme president of the Fraternal Brotherhood, and basing from Los Angeles, was in the city last week and this, in the interests of the local lodge, which has a membership of about 25.

Father Bucholzer now owns the big lot, comprising a quarter block, just west of the Catholic church, and in time it will be turned over to the Archbishop for a site for a school for girls. The parish is increasing rapidly, and a school of this kind would be a success from the start.

Allen Warren, who came out here from Indian Territory a year or so ago, has just returned from a trip back to Ison Springs, Ind. Ter., and went on up to the Nelson-Wilcox mill, yesterday morning, to work for the summer. The Argus goes to him regular for the period.

Schulmerich Bros. want 10 carloads of prime Burbank potatoes, and they will pay 50 cents per cwt. for them. Nothing but the first class potato should be offered for they can not find sale. Potatoes seem to be drug on the market this Spring, but a special order for the 10-car lot has reached this firm because of the good judgment used in selection of the product.

Hon. Wilbur K. Newell, of near Gaston, Monday received the gavel as president of the State Board of Horticulture, vice Hon. E. L. Smith, resigned, to enter the senatorial contest. Washington County thus gets the executive of the Board, and Mr. Newell feels highly gratified over the honor.

The old pioneers here will remember, with reminiscence, the old Occidental hotel, First and Morrison, Portland, built in the fifties. It burned Monday and thus another old Portland landmark has been destroyed. Many a Washington County pioneer has spent the night under its pioneer roof.

Amusing errors are made because there is a Hillsboro, Oregon, and a Hillsboro, Ohio. In Tuesday's Oregonian is a dispatch purporting to come from this place, relative to the Lynchburg bank, and a run on the institution by a saloon keeper. Of course the original message came from Ohio, and the compositor made it read Oregon. There is no Lynchburg here—and we want none, either.

CLYDESDALE STALLION

Treating Wrong Disease.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from indigestion, another from nervous exhaustion or prostration, another with pain here and there, and use such and such remedies, and are told to keep their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, encourages this practice until large bills are paid. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complication. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and insuring comfort and relief instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of natural vegetable roots and is perfectly harmless in its effects in any condition of the system.

As a powerful invigorating tonic "Favorite Prescription" is equally strong for the whole system. It to the organs distinctly feminine in particular. For overworked, "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled in its invigorating and restorative effects. It cures nervous prostration, neuritis, hysteria, nervous prostration, neuralgia, hysteria, nervous prostration, St. Vitus's dance, and all the various nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

Whereas, the Secretary of State of the State of Oregon has notified me in writing that pursuant to the provisions of an act entitled "An Act making effective the initiative and referendum provisions of Section 1 of Article IV of the Constitution of the State of Oregon, and regulating elections thereunder, and providing penalties for violations of provisions of this act," approved February 24, 1903, the People's Power League of Oregon duly filed in his office on February 24, 1906, an initiative petition containing 8,327 signatures properly attached to a copy of said measure, certified in accordance with law, demanding that a proposed law, the title, tenor and effect of which is hereinafter particularly set forth, shall be submitted to the legal voters of the State of Oregon for their approval or rejection at the general election to be held in said state on the 4th day of June, 1906, being the first Monday in June, 1906.
