IT WAS A BOLD POLITICAL STROKE was in the city yesterday.

Order of Things

dency of the State Senate through The story is that four unterrified morning. senators were approached by the that the following conditions were exacted and pledged:

That the appointment of all commis-That the Haines followers support sll vetoes of the Governor where commis sions are concerned. That no legislation be introduced nor

allowed to pass which will curtail the patronage of the Governor.

That they receive the chairmanship of the Argus for another year. According to the reliable ther mometers the lowest temperature during the cold wave has been the revision of laws committee, or, in about two above zero. This is not lieu of that, the education committee. ways and means committee, on the rail road committee, on the judiciary mittee, on the insurance and banking committee, on the engrossing committee, and have the appointment of sundry

clerks. And last, but not least, the Democrats
added that the Haines faction vote to sustain Governor Chamberlain's veto of the Board of Control bill.

And so there is sorrow in partisan republican circles-but why should there be? The people voted Chamberlain into power the second time, and this showed their confidence in "George," as he is affecmade an excellent executive, and if his supporters gained a point giving Chamberlain a power that his who is now cutting timber for the Flora in the Rathbone installation, enemies wanted taken away, why railroad company, was in town and the little Misses Bath Crandal!

"But we are not kicking at Chamberlain," said a prominent party man, here, yesterday. "We take off our hats to yesterday. 'We take off our hats to him. He has made a good governor— but why should the Haines' people trade power away to the democrats' It is all off with Haines.'

But it is bardly likely that Senator Haines will care, as Hodson tried to make the same trade-and. besides, Oregon has elected Chamberlain twice, and he is a good man to work alongside
