GILBERT L. HEDGES SUCCEEDS MR. ALLEN

Act Attorney is Brother of Senator Hedges

AMAS COUNTY MAN LANDS

Appointment Supposed to be Result of Clackamas' Strength

Chamberlain has appointed Gilbert L. Hedges as district attorney for this judicial district. The new appointee hails from a city. He is a brother of J. E. Hedges, and was an supporter of Gov. Chamberlain. The two brothers being largely visible for Chamberlain's main in that county, last June argument that Washington did better than Clackamas being Withycombe's own—by losing out by a majority of 31 against Chamberlain, it seems to cut very much the appointment, although

Ray Emmott and Earl Ringle, who left here last week, have written home that they are at the foothills east of Eugene, ready to go to jail on the same charge as confronts Beard. He created some laughter in the court room when he told of betting 25 cents against the coin's \$5, and how the coin won. He also told how he bought a box of smelt and lost them shaking dice. There was some evidence for the defense, but Judge Bagley decided that the case should go before the district attorney. He fixed Beard's bail at \$1,000, which was given by the defendant.

all times, and it is but little use for one orchardist to clean up if another in the vicinity is allowed to permit the pests to go untouched. Having just received a large shipment of photo goods from the East, I am prepared to make better grade pictures for less money than has ever been made in Washington county, and will make special inducements from this date until March 1st. Call and see Pope, the photographer.

Treasurer Jackson has the forms, and says that any pension can get the blanks by sending to the pension commissioner. No attorney or claim agent can get any fee out of this age pension.

PACIFIC COAST CO. BUYS OUT O. C. M. CO.

Will Enlarge Plant and Keep up Business

DEAL WAS CLOSED LAST WEEK

Broker J. J. Murphy, of Seattle, Broke Ground

J. J. Murphy, a Seattle broker, last week negotiated the sale of the Oregon Condensed Milk Company's plant in Hillsboro, to the Pacific Coast Condensed Milk Company, of Kent, with offices in Seattle.

The Pacific Coast people now own five condensers, their other factories being at Kent, Mt. Vernon, Chehalis, in the state of Washington, and the factory at Forest Grove. The Hillsboro condenser was the first of its kind to operate in Oregon and turned out its first cream in the Fall of 1902. Soon afterward it was moved to Hillsboro.

Dr. Farnesie, J. W. and A. C. Shute, Fred Shomburg and Geo. R. Bagley subscribed sufficient stock to install the plant, and it has been a money maker from the first.

The central location—to the milk supply—made the Hillsboro factory one that was very desirable, and the Pacific Coast people concluded to buy it. Finally a satisfactory offer was made and the deal accomplished. Under the terms of the deal the new company will continue to operate, and will enlarge the plant in every way. The new purchasers think that the Hillsboro plant is one of the best on the coast, being situated in a fine milk district.

THE FOURTH OF JULY

Hillsboro is going to have the biggest Fourth of July celebration this year that the county has ever witnessed. Senator Fulton has been secured for the oration providing that he is in the West, and he most likely will be unless he is detained in Washington, and this will not be likely to happen unless we have war with the Mikado. The grounds in the city park will be cleared up, a baseball ground will be installed, and Mayor Dennis promises all a good time. The Mayor will announce a call for a mass meeting to take up the celebration in next week's issue. Excursion trains will be run from Buxton, Forest Grove, Cornelius, Beaverton and Redville, and an endeavor will be made to get the people here on a one-fare for the round trip.

MRS. AGNES WIRTZ

Forest Grove, Or., March 4.—Mrs. Agnes Wirtz, aged nearly 73 years, a resident of Washington County for 30 years, died here yesterday from debility, due to senility. She was born in Prussia, July, 1834, where she spent her girlhood, and at the age of 13, with her parents, emigrated to Waukesha, Wis., where, in 1851, she was married to John Jacob Wirtz, who died at Forest Grove on December 22, 1892. In 1878 she came from Wisconsin to Washington County, where she had resided continuously ever since, the last ten years she had lived at this place. She leaves the following children: Alvin C. Wirtz, Mountandale; Joseph M. Wirtz, Portland; John Henry Wirtz, Forest Grove; William J. Wirtz, Gresham; A. J. Wirtz, Forest Grove; J. Theodore Wirtz, of Estacada; John J. Robert P. and Edward R. Wirtz, Forest Grove.

Dr. Henry Clay Smith, a physician of Kent, Wash., and a son of the late David Smith, of Forest Grove, died last week, interment being at Chehalis. Dr. Smith had been at Kent for eight years. His mother survives, and lives at Forest Grove. Mrs. Lizzie Macrum, of Forest Grove, is an adopted sister. A brother, Milton W. Smith, counsel for Pacific University, resides in Portland.

In March peep out the early flowers. The ladies peep 'neath Spring bonnets. And when you have some leisure hours, just peep at Lowmy's chocolates. At Palmater's Confectionery. Ice cream and soda he does keep. Cigars, nuts, oysters—come and tarry. If not to buy, just take a peep.

County Clerk Godman was away from the court house the first of the week, owing to a severe attack of the "grip." Miss Effie Godman took care of the office during his absence.

POMPEIAN MASSAGE CREAM

is today indispensable on the dressing table of gentlewoman or gentleman. Not only does a Pompeian Massage perfectly cleanse the skin, but it removes wrinkles and blackheads, takes out stiffness of the facial muscles, animates the tissues, and makes the flesh firm and solid. Men use Pompeian Cream after shaving—it flexes the muscles and takes away shaving soreness. Most women recognize the value of this preparation in maintaining a clear and healthy skin.
