John Watson, who is well known to Canadian readers, will be produced at the Crescent Theatre, on Friday, March 15.

SOUTHERN HOUSE BURNS

The residence of Alsom Souther, situated on First Street, south of Oak, burned Tuesday evening, about 7:30. The family was away from home when the blaze caught, supposedly originating from a defective flue. Mr. Souther was at Banks and Mrs. Souther was at a neighbors. The alarm was given and the department reached the place only as the flames were bursting from all parts of the building. Effective work was done by Chief Ed Wann and his men, but it was impossible to save much although the walls remain intact. The contents were almost totally destroyed, either by fire or water. The loss is estimated, building and all at about \$1,000. There was \$600 insurance—\$400 on the building and \$200 on the contents. The N. Y. Underwriters issued the policy through Frank Sholes, agent, and the adjuster is now on the way.
