ELECTRIC LINE MEN PROMISE A RAILWAY

Oregon Electric Officials Here Friday Evening

WANT RIGHT OF WAY IN CLEAR

Committee Appointed at Mass Meeting Busy Getting Rights

Dr. J. P. Tamesie presided at the mass meeting, at which 75 people were present, Friday evening, to consider the proposition from R. L. Donald, chief engineer of the Oregon Electric people, asking for free right of way for a line from Beaverton through to the county seat. C. E. Deichman was appointed secretary. Mr. Donald stated that his company asked for the right of way, and they would start to work as soon as this was given them, and they had a franchise on the Hillsboro streets. He said his company would build and have the line in operation inside of a year, but he would not pledge completion by January 1, owing to weather conditions and scarcity of labor. Mr. McDonald, of the Nursery Co., was present, and said his company would give the right of way through their property, and Mr. Jenkins, of near Cedar Mill, also signed to give right of way, as did Wm. Brogden. Upon motion the following were appointed as a right of way committee, and they have already secured over half of the desired concessions: J. W. Shute, chairman, James H. Sewell, D. Rehgito, M. McDonald, J. C. Kuratli, A. T. Heidel, J. A. Imbrie, R. H. Walker, John Vanderveld and John W. Sewell.

POMPEIAN MASSAGE CREAM

Your skin may look clean after washing—until you see the left-in dirt that of the pores

Just as this paper is white until it is compared with something whiter, so your skin may look clean until you try a Pompeian Massage and see the left-in dirt that it brings out.

You have been washing with soap and water but still the dirt remained. You thought your skin was clean, but wondered why it was sallow and why the wrinkles grew more in evidence every year.

Pompeian Massage Cream gently rubs in and then as gently rubs out will bring with it the dirt that soap has never touched, nourishes the skin, puts new blood in the cheeks,—lets nature do its perfect work.

All good barbers apply Pompeian Massage Cream.—It is a great relief after shaving and tends to make the skin stronger and less sensitive.

Ladies appreciate Pompeian Massage Cream because it stimulates the circulation and gives a bright, clear complexion.

Come in for free sample and copy of the famous booklet "A Treatise on Facial Massage."

Pompeian Cream is sold at 50c and \$1.00 per jar.

again in trouble. He came down to the county seat Monday morning and tried to have some Gales Creek people arrested for disturbing a meeting. He claims his services were interrupted and also claims that after the services he was struck by an egg and that someone threw a rock at him. No warrants were issued as his proofs did not appear to be very strong as to who should be adjudged guilty.

"Swacky" is the colored gentleman whom the Argus charged with wearing a dirty shirt, and which assertion caused the nigger to enter the Independent with a dirtier article than his shirt—and that was dirty enough. Swack went from here to Buxton; had trouble there and wanted a little kid arrested, all in the spirit of Christ, of course; then went to Laurel, where he claims he was given a contribution and afterward claimed some of his hearers robbed him of eleven dollars down near the Multnomah poor farm; then turning up at Corvallis, where the students whacked him a few lines, and now he shows up in Godless Washington County, where he swears to have all sorts of trouble.

Swackhamer is an illiterate fellow, and with all his claims of being a meek and lowly follower of the Nazarene, seems to have a penchant for making, or endeavoring to make, arrests.
