LONG & MCKINNEY

WASHINGTON COUNTY, OREGON

Population, 20,000. First County in dairying; 1100 cases condensed milk daily; two big condensers; billions of feet merchantable timber, thirty million feet annual cut, will nearly double product this year; richest of garden lands in the world; bulk of county can drive to Portland and return in a day; finest market; great hop district; fine school system; finest climate on coast; mild winters; no county debt; best natured and best read people in world, population considered. Best in everything.

HILLSBORO

County seat; 2,000 people; Six churches, Protestant and Catholic; two banks; two telephone systems; big milk condenser; sawmill; two railroads; and electric line coming. AND THERE YOU ARE!

Mrs. Wm. McKinley, wife of the martyred president, died this week at Canton, Ohio. For years she was an invalid and death was a relief to her. She was a woman of rare disposition, and while Mr. McKinley was alive was the object of his most earnest solicitude.

The president now calls a man by the name of "Long" a liar, and Long relies with a hot shot. Unhappily nearly all the men branded as liars by Teddy are republicans and the first thing he knows he will have a party of truthful men, consisting of himself, Teddy and Mr. Roosevelt, and the president as a foundation for a new order in his party ranks.

The Washington County Veteran Association will hold their annual encampment here, commencing June 30, and will last four days. Exercises every evening.

That our American forests abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers. Even the untutored Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until to-day we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce believes that our American forests abound in most valuable medicinal roots for the cure of most obstinate and fatal diseases. If we would properly investigate them, and in the preparation of this conviction, he points with pride to the almost marvellous cures effected by his "Golden Medical Discovery," which has proven itself to be the most efficient stomach tonic liver purifier, blood cleanser, and regulator of the digestive system, and is equally effective in all cases of indigestion, torpid liver, functional and even valvular and other affections of the heart yield to its curative action. The reason why it cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. R. F. Pierce, of Buffalo, N. Y., on all sending request for the same.

Not less marvelous in the unparalleled cases it is constantly making of women's many peculiar affections, weakness and distressing derangements, is Dr. Pierce's Favorite Prescription, as is amply attested by thousands of successful testimonials contributed by grateful patients who have been cured by it of catarrhal affections, white discharges, irregularities, prolapsus, and other derangements caused by weakness, depletion of uterus and kindred affections, often after many other advertised medicines, and physicians had failed.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native medicinal roots. The processes employed in their manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming drugs. A full list of their ingredients is printed on each bottle wrapper.

### ACKNOWLEDGE IT

Hillsboro Has to Bow to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this party, given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this.

G. S. Cooper, farmer, living three miles northeast of Salem, Ore., on E. E. D. No. 7, says: "I just as emphatically recommend Doan's Kidney Pills today as I did some three years ago. At that time I procured the remedy at a drugstore and used it with the result that the back ache was banished and the other annoyances caused by a derangement of the kidneys disappeared. The trouble started from too heavy lifting, resulting in my back being strained and ever after there was a dull aching over my kidneys and through the loins. I got prompt relief from Doan's Kidney Pills. I also know of some of my neighbors who have used your remedy and found it most reliable."

For sale by all dealers. Price 50 cents. Foster-McBunn Co., Buffalo, New York, sole agents for the United States. Remember the name, Doan's, and take no other.
