A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broad-cast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them remedies of known composition.

Hillsboro Has to Bow to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this party, given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this.

G. S. Conner, farmer, living three miles northeast of Salem, Ore., on R. F. D. No. 7, says: "I just as emphatically recommend Doan's Kidney Pills today as I did some three years ago. At that time I procured the remedy at a drugstore and used it with the result that the back-ache was banished and the other annoyances caused by a derangement of the kidneys disappeared. The troubles started from too heavy lifting, resulting in my back being strained and ever after there was a dull aching over my kidneys and through the loins. I got prompt relief from Doan's Kidney Pills. I also know of some of my neighbors who have used your remedy and found it most reliable."
