Pensioners have been getting their pay checks in a continuous stream in the post office the past few days. It is reported that Hillsboro and Forest Grove get more pay checks of this kind than any Nine head milk cows, all in milk other towns of their size on the and giving good flow, and all northwest coast.

In June the farmer loads his hay.
We hope his crop will turn out well.
He is the country's sure main-stay.
For without him we naught could seil.
Now some sell this and others that;
The wants of people always vary.
If you want sweets -l'll tell you what,
Try Palmateer's Confectionery.

-L. J. Palmateer, Prop.

Mrs. F. J. Bailey returned from Washington, D. C., and the Jamestown Exposition, Monday, after an absence of about three months. Mrs. Bailey went East to attend the National convention of the Daughters of the Revolution.

For sale: Ten room house in good repair; barn; orchard; 2 lots in tract; one block from school house; 3 blocks from railway. Goes for \$2,000; \$1200 down, balance on ..225 oo time. Inquire of Argus.

Owing to the fact that E. E. Lytle has the ownership of the United Railways he has moved the engineering offices from this city to Portland, so that it is not necessary to have two corps of draughtsmen. Mr. Abry, assistant chief, loaded his office furniture the city, Tuesday, and called at Monday evening for shipment. Mr. the Argus office. He says that the Abry has been a familiar figure in Hillsboro for 18 months, and his many friends regret his departure. Laurel married men want to play the Hillsboro married men here on many friends regret his departure.

FARMERS' INSTITUTE AT GRANGE HALL

Hon. James Withycombe Holds Interesting Meeting

FIVE MEETINGS HELD IN COUNTY

Says Trolley Lines are the County's Transportation Hope

Hon. James Withycombe, formerly

of this county, and now director of the experiment station at the Corvallis College, was in the county last week. Mr. Withycombe conducted meetings at Sherwood, Laurel, Forest Grove and Binks, and then wound up the series of meetings at the Grange Hall, this city, Buy your school tablets at Mc- last Saturday. The sessions were very instructive, al hough not large-Captain Collins is trimming up ly attended, owing to the busy sea-Deposit your money with the combe and Judd, of Turner, Oregon, stated to an Argus reporter that in all their travels over the etate, in Washington County they found the finest cultivated farme; the finest dairy herde; and the finest farm homes and outbuildings At the session here Wm. Schul-Stationery, pens, playing cards, merich lectured on the management of the dairy herd, and his ad-

dress was a masterpiece. Prof. C. E. Bradley, a graduate of Pacific University, and now assistant chemist at the college, lectured on "Plant Food in Soile;" Mrs. Ida Kidder took up the question of "Travelling Libraries for Farm-

ere:" Mrs. Austin Buxton, of Forest Grove, "Home Economice; "Mr. E. T. Judd, "The Draft Horse" Mr. Withycombe talked on agriculture, and in his address struck the keynote of the great need of

"Washington County, by reason of its location and rich soil, is destined to become the home of the small farmer. Dairying, fruit growing and truck farm-ing will be the principal features of this section. This county has already made a splendid development along the line of dairying. Last year nearly a million dollars' worth of canned assem and great
